# SUMMARY OF THE STUDENT FEEDBACK RECEIVED IN 2018-19

The feedback is obtained through Google forms available online and has been filled by approx.. 2150 students from all the departments of the college.

➢ This feedback broadly covers student's reviews about
➢ college library,
➢ Cleanliness, Hygiene and Comfort in the college
➢ Canteen Feedback,
➢ Infrastructural Feedback
➢ Gender Sensitization feedback
➢ Teaching Aids, Co-curricular, extracurricular feedback

➢ As per the feedback received, many students feel that though the required number of titles in the corresponding subjects is available in the library but they are not able to use Xerox facility, internet facility (Wi-fi), access to computers and INFIBNET facility in the library.
➢ The library subscribes satisfactory number of newspaper/magazines but question paper bank need to be maintained. The cleanliness/ illumination and security of wallets/bags in library are also fine with most of the students.
➢ The cleanliness and hygiene at classrooms, corridors, girl's common room is also fine with over 50% students.
➢ Most of the students feel that there is lack of cleanliness as well as healthy food choices in college canteen.
➢ The seating space and arrangements is not enough, though most students feel that rates are reasonable and properly displayed inside canteen. The service is quite prompt and the staff is well behaved and well mannered.
➢ In terms of infrastructural facilities, most of the students feel that facilities in laboratories, bank, girls common room, medical and auditorium is fairly good however many students feel that the computer centre and Wi-Fi facility is not good.
➢ The class rooms are not spacious enough although these are well equipped with chalk/duster/white board.
➢ Most of the students feel that the assistance at accounts office, administration office and Principal's office is good.
➢ The facilities for differently-abled students in campus, library, and in toilets is also fine with the concerned students.
➢ In terms of gender sensitization feedback students have the following suggestions:
➢ Gender sensitization program must be conducted for all employees deployed at the campus.
➢ The committee should hold regular meetings so as to address the problems quickly.

- Awareness about the presence of ICC must be ensured among the students. The committee should be approachable and should conduct events so as to be available to the students.
- Women development cell of the college must be active in promoting confidence among students facing harassment.
- Help desk against harassment should be opened in the college.
- Teaching Aids, Co-curricular, extracurricular feedback conveys that most of the students don't know that the college has access to the Inflibnet.
- The students feel that computers in the labs are not working properly; Wi-fi is not available.

- The students are satisfied with teachers providing additional study resources, and find home assignments useful.

- About 50% students feel that mid-sem exams are useful however they should be conducted with gap days.

- Many students feel that improvement is required in NSS hour's allotment.
