

DAULAT RAM COLLEGE

(University of Delhi)

Department of Chemistry, Daulat Ram College takes immense pleasure in announcing the **International Conference on "Green Chemistry in Environmental Sustainability & Chemical Education"** (ICGC-2016) from **Thursday, 17 November to Friday, 18 November 2016** at **Daulat Ram College Auditorium, University of Delhi**.

The overarching theme of ICGC-2016 is to discuss most recent innovations and concerns in Green Chemistry as well as practical challenges encountered and solutions adopted in the direction of sustainability and environmental safety to remediate a scathed environment into a pristine one.

Abstracts not exceeding 250 words are invited for inclusion as podium (oral) or poster presentations in any of the sub areas/main topics of the conference.

For more details about the conference and for registration please visit the ICGC-2016 website:

<http://www.icgcdrc16.com/>

ICGC-2016 will stage a panel of eminent scientists and academicians from all over the world and the deliberations will enrich the young researchers, teaching fraternity and students with new ideas and directions.

Last date of registration and abstract submission is 31 October 2016. Registration for ICGC-2016 should be done online on the website:

<http://www.icgcdrc16.com/Registration.aspx#form>

- **Registration will only be considered after the registration fee transfer.**
- **You can get your registration fee receipt within 5 days of online registration for the conference from the ICGC-2016 website.**

International Conference on "Green Chemistry in Environmental Sustainability & Chemical Education" (ICGC-2016) will seek submissions which address the following topics:

- Green Catalysis
- Green & Sustainable Processes
- Green Environmental Remediation
- Green Materials
- Green Nanotechnology
- Green Analytical Chemistry
- Green Chemistry Education
- Renewable Energy
- Environment & Health

- Environmental Management and Policy
- Environmental Social Science
- Eco-friendly Green Products
- The UN Sustainable Development Goals and Sustainable Chemistry
- Food Process Technology & Engineering
- Industry and Green Chemistry for Sustainability
- Natural Products
- Chemicals, Chemistries and Processes to Enable a Circular Economy
- Biotechnology

Conference proceedings of ICGC-2016 will be published having ISBN. For inclusion of full papers in the proceedings please send the research papers by 30 December 2016 and abstract should be submitted before 31 October 2016 by registering online on

<http://www.icgcdrc16.com/Registration.aspx#form>

We shall be thankful if you further forward this information among your colleagues/staff and students and motivate them to participate in the conference. We look forward for your participation.

Dr Priti Malhotra
Convenor, ICGC-2016
