

Computer Lab - Department of Commerce

Welcome to the state-of-the-art Computer Lab of the Department of Commerce!

Our lab is designed to support the academic and research needs of students and faculty, providing them with the latest technology and resources to excel in their studies and projects.

Facilities and Resources: -

- *Modern Workstations:* Equipped with high-performance computers, our lab offers a variety of software applications essential for commerce studies, including statistical analysis tools, financial modelling software, and accounting programs like MS-Excel, TALLY and R etc.
- *High-Speed Internet:* Seamless internet connectivity ensures that students can access online resources, databases, and e-learning platforms without interruption.
- *Printing and Scanning:* Our lab is equipped with advanced printing and scanning facilities.
- *Collaboration Spaces:* Designed to foster teamwork and innovation, our lab includes dedicated spaces for group discussions, project collaborations, and interactive learning sessions.

- *Technical Support:* A team of knowledgeable staff is always available to provide technical assistance and support, ensuring that students can make the most of the lab's facilities.

Academic and Research Support: The Computer Lab plays a vital role in supporting the academic and research activities of the Department of Commerce. It serves as a hub for various activities, including:

Workshops and Training Sessions: Regularly organized workshops and training sessions help students and faculty stay updated with the latest technological advancements and software tools relevant to commerce.

Research Projects: The lab provides the necessary infrastructure for conducting in-depth research and analysis, enabling students to explore new ideas and contribute to the field of commerce.

Study Groups: Students can form study groups and use the lab's resources to prepare for exams, complete assignments, and work on group projects.

Access and Availability: The Computer Lab is open to all students and faculty members of the Department of Commerce. It operates from [Lab Hours, e.g., 8:00 AM to 5:20 PM] Monday to Saturday, ensuring that everyone has ample time to utilize the facilities.
