

COHERENCE is the official student union of the Physics Department at Daulat Ram College. It serves as the representative body for students, facilitating communication between the department and the student community. The union is dedicated to addressing student concerns, assisting with academic matters, and ensuring smooth interactions between students and faculty.

COHERENCE UNION MEMBERS (2023-24):

President: Vidushi Shivhare

Vice President: Ruchita Joshi

General Secretary: Aditi Vikram Singh

Treasurer: Manya Yadav

Joint Secretary: Anjali Yadav

Co-Joint Secretary: Samarpita Manhas

Events organized during session 2023-24: -

Session	Association In-charge	Name Of Event	Event Coordinator	Date	Event Details	Overall participant
2023-24	Dr. Nisha Bala	1)Parliament Visit	Dr. Nisha Bala	20 th and 21 st Sep 2023	The visit to parliament was to help students understand how this important symbol of India's democracy works. The trip was very educational and inspiring for the students.	
		2)Inaugural Lecture	Dr. Nisha Bala	22 nd Sept 2023	The inaugural lecture featured Dr. Sarvesh Kumar, E-Scientist at IUAC, Delhi. The seminar was meant to introduce the students to the basic idea of Accelerator Machines and	

					develop critical thinking among the students for their curriculum subjects.	
		3) Visit to CSIR-NPL	Dr. Nisha Bala	4 th Oct 2023	The students were given a tour of the campus of NPL, where they visited different labs. Students learned about Nitrogen helium plant, visited different laboratories where there were films for measuring pollution and saw Instruments to check the life of concrete without breaking it.	
		4)IUAC: 'Poster making competition'	Dr. Nisha Bala and Dr. Renu	14 th Oct 2023	The students enthusiastically participated in the event and showed their creativity with their beautiful, clever, and innovative posters.	
		5)IISF:India International Science Festival-2024	Dr. Nisha Bala, Dr. Renu, Dr. Omwati Rana, Dr. Shivani Agarwal, Ms. Manisha Meena, Dr. Neeru	17 th – 20 th Jan 2024	The aim of this science festival was to celebrate the achievements of India in the frontier areas of science and technology. The event enriched students with diverse	

			Sehdev		knowledge, igniting motivation and a hunger for new learning. They absorbed invaluable exposure, fostering readiness to embrace fresh experiences and expand their understanding.	
		6) New Delhi World Book Fair	Dr. Nisha Bala	10 th Feb 2024	The students immersed themselves in a diverse array of cultures and literature, with countries like Egypt and Saudi Arabia offering captivating insights. This outing provided invaluable learning opportunities, broadening students' perspectives, and fostering a deeper appreciation for global literature and cultural exchange.	
		7)Celeste'24-The Annual Co-Curricular Event	Dr. Nisha Bala and Dr. Renu	9 th April 2024	The event aimed to spark students' interest in physics through engaging activities. It started with a talk by Prof. Amarjeet Kaur, Department of Physics and Astrophysics, University of Delhi, on Organic Electronics, promoting critical thinking. A quiz followed, testing	

					<p>students' understanding of physics concepts. The event also included a lively debate on physics topics, along with competitions and exhibitions that encouraged active participation and knowledge sharing. Overall, it successfully inspired students to explore and engage with physics.</p>
