## **EVENT SUMMARY:**

Affine feels proud to present before you, Alumni Conclave, a ladder to a new beginning. Drawing inspiration from someone we have looked upto in our college life is natural and thus, by bringing in our alumnae with their achievements to converse with the students is something that we deem as the right path towards the future.

We organised an interactive session with Ms.Pratibha, Our Esteemed Alumna, UPSC CSE'23 AIR 356, Batch (2014-17) on 30th April, 2024. The session was graced by the presence of our respected Principal, Prof. Savita Roy who, with her wise words highlighted the importance of women Mathematicians referring to renowned mathematician Shakuntala Devi.

Ms. Pratibha, with her immense experience and expertise in the field, delivered a short talk of her success after that the session continued to be an interactive session. Her strategies, alongside her wit and wisdom gave the spectators a newfound inspiration to continue with their aim. Ma'am provided the students with a clarity of how to approach competitive exams and where to find the appropriate resources for the said examination. She shared anecdotes from her life, highlighting the importance of focus and smart work. Further, she shared that she could qualify the nationwide CSE without any coaching. She highlighted that it's important to get some guidance and directions for proper time management, in her case, she was guided by someone in her relation who got selected for this examination. Moreover, the speaker answered all the queries with an utmost calm demeanour, trying to walk through all the necessary steps that go with the preparation. Towards the end of the session, the audience was highly impressed by her talk for the day and appreciated the initiative actively. It was really an informative session.
