EVENT SUMMARY

Affine: The Mathematics Association, Daulat Ram College revived this new session with a talk on the topic: Hymns in Yajurveda, Arithmetic, Geometry and its applications. Bringing to light these traditional methods of practicing mathematics would provide the students with a new outlook towards the field. On the morning of 20th September, 2024, the students from the department gathered in the Conference Hall, Sadbhavana Bhawan. The talk began at 10 A.M. Our Guest Speaker for the day was Professor Rajendra Prasad Pant from Kumaun University, Nainital. Sir is a highly accomplished personality who has been a part of numerous eminent editorial boards, delivered lectures in various other countries and has been awarded with the National Scholarship of Government of India. He was felicitated by one of our senior Professors, Dr. Seema Khurana.

During this informative session, sir also introduced numerous other related topics which turned out to be extremely absorbing for the students present there. These included the golden ratio and the mention of several ongoing researches in his present field. To make the session interactive as well as student-friendly, Professor Rajendra also solved numerous relevant examples step-by-step.

He piqued the students' intrigue which was clear from the questions during the following Q&A session. The event was successfully brought to a close with a thank you note addressed to our Principal- Dr. Savita Roy Ma'am, Convener- Dr. Astha Chauhan and Co-Convener- Ms. Sapna Kumari Meena.
