## EVENT SUMMARY:

**"To those who study the beauty of mathematics, they find that the answer is never the end of the journey but merely a stepping stone to the next deeper question."**

With this enthusiastic spirit, Affine- The Association of Mathematics Department headed forward with Shooन्य 25: The Annual Mathematics Fest. With every single individual being enthusiastic, we began the morning of 5th March 2025 with full spirit and anticipation.

To ignite the mathematical curiosity, we had an exciting talk session that promised to take us on a journey beyond textbooks and formulas and it did the very same. We had our Guest Speaker- Dr. Arvind Patel from Faculty of Mathematical Sciences, University of Delhi and he gave an exciting session on the topic "Well-Posed Problem in Differential Equation." It was a great opportunity to hear from him. He was very fluent in his subject and give a detailed explanation about the topic.

The event that followed was **MathShot 3.0**. As anticipated, participants from different colleges of different years took part in this competition. They took mind blowing pictures for the competition and explained the mathematical concept behind them in a very well-mannered way. Our judges were highly impressed by their skills and it was difficult for them to choose our three winners. The winners were as follows:

1st -Edha, Malvika

B. Sc (hons.) Mathematics- Daulat Ram College

2nd - Rineeka Attri, Ayan Ashraf

And Akshas Ghawri, Varun Singh

Adding to this wonderful event, we had **Infinity Stage Challenge**: A platform for Raw Talent. It was a very fun event and many participants took part in this challenge. There was an array of skills which included dancing, singing, acting, poetry and our audience had a very great time looking at them and their creativity. The event was the spotlight of Shoonya'25 as it shook the stage with dynamism and very high energy. The final verdict for the event was as follows:

Our winners and participants were awarded with various cash and kind prizes.

While the Infinity Stage was going on, we simultaneously had **Cryptic Code Hunt** at its peak on the other side. There were many teams who were all enthusiastic to embark on this

exciting journey. The event covered the entire campus area where various clues were hidden and participants had to decipher the riddles to move on to the next round. Our participants were spread all around and hence it was a very insightful view to look upon. The efforts were highly appreciated by the audience as well as the judges. Finally, the results were revealed for the same. Our winners were as follows:

1st prize- Team Limit Breakers  
Manik Bameta, Yashita Sharma

They were given cash and kind prizes at the end of the event.

We had another wonderful event that is **Log-Ad Rithm**. It was an event of marketing with a blend of Mathematics. It was a unique event and creativity knew no bounds in it as the participants portrayed various characters to advertise their product. The audience was captivated by the wonderful strategies that the participants took within 5 minutes to make place in the winning list. The judges were highly impressed and choosing the winners was a difficult task to perform.

Finally, the winners were revealed and they were as follows:

1st position-Tanishka,  
Suhana

Daulat Ram College

2nd position- Saim, Madhav Mehta

Shaheed Bhagat Singh college

3rd position- Mansi Singh

Adding to this event, we had **Sketchy Guessers: Pictionary Competition**. It was a very fun event and the participants actively took part in the challenge. The game involved the participants guessing the pictures only with the help of mathematical terms and symbols which made it even more interesting. The participants as well as the audience had a great time during the event. The quippy environment attracted a lot of people.

The participants were awarded with different types of prizes.

Covering the entire event, was our team of photographers as well as the contestants from the **Reel-making competition** held throughout the event. Participants were to prepare a

short clip up to a maximum time limit of one minute and thirty seconds. Out of seventeen teams, the ones who won hearts on our social media handle were:

1st position- Sharad Singh

SGND Khalsa College

Dev Dedha

Bharatiya Vidya Bhavan

2nd position- Anu

Daulat Ram College

The winners for all the segments were awarded with cash prizes by our respected judges. And with that, we wrapped up yet another fantastic Annual Fest. The aim was to provide a platform for the students to come forth with their mathematical skill and prowess and was entirely fulfilled through Shooऽन्य '25.
