

Project KalaKriti- Week 1

Date- 1st March, 2025

Objectives: To gain insights from the women trained by Jove Conscious Foundation, who have honed their knitting and weaving skills to become self-reliant despite lacking access to formal education. The aim is to enable the students to learn from these women and take a lesson from their hardships.

Summary:

Key outcomes:

- Participants learned a new skill- the basics of knotting.
- Working together, sharing struggles, and helping each other fostered teamwork.
- A platform where women can learn, create and can use their handicraft skills for income generation.
- Empowering women to promote and sustain handicrafts, keeping cultural heritage alive.
