

SEMINAR: Opportunities of Studying Abroad

Pahal-The Gender Champion organised a seminar on "Opportunities of Studying Abroad" on **17th November 2025**. The event was meticulously organised in collaboration with Mindmine Global Services.

The workshop began with the felicitation of **Mr Harpal Singh**, the speaker for the event and the founder of Mindmine Global Services, a leading study abroad and career counselling organisation created with the vision to connect students to top global institutions and help them achieve their education goals with integrity and expertise.

After the felicitation, Mr Singh along with his team guided students regarding questions associated with Studying Abroad: The countries which are good destinations for Indian Students, the eligibility criterias, the scholarship opportunities, etc.

After this enriching presentation, the floor was open for questions where the team answered queries and confusions that students faced.

After a very fruitful discussion and seminar, the vote of thanks was presented by **Convenor, Dr. Jyoti Singh**. The seminar concluded with a hearty picture of the team.
