Chairperson's Message

It is a privilege to welcome you to Daulat Ram College, an institution that has been shaping the lives of young women through quality education since its establishment in 1960 by the visionary educationist, Late Shri Daulat Ram Gupta. The College imparts education towards degrees at the Bachelor's level in Arts, Commerce and Science and at the Master's level in Arts.

From its modest beginnings, Daulat Ram College has grown into one of the most respected constituent colleges of the University of Delhi. Today, it offers a wide spectrum of undergraduate programmes across the disciplines of Arts, Commerce, and Science and postgraduate programmes across Arts. The College's academic strength is reflected not only in its diverse curriculum but also in its dedicated faculty, modern infrastructure, well-equipped laboratories, rich library resources, and an atmosphere that encourages curiosity, creativity, and critical thinking.

The College also offers add-on diploma and certificate courses in Foreign Languages, and Legal Literacy, Awareness and Aid. Currently, there are 18 departments with state-of-the-art facilities, about 188 teaching staff, 131 non-teaching staff and more than 5000 undergraduate students and 200 postgraduate students as a part of the DRC family. The college holds a leading position both in academics and in co-curricular and extra-curricular activities. Students participate in various societies, including NSS, Sports and NCC. The In-House Skill Development Programmes and Counselling offered by the college assist students in dealing with daily challenges and creating an identity for themselves. Our faculty members continue to make significant contributions to teaching, research, and knowledge creation through projects supported by leading national funding agencies (ICSSR, ICPR, UGC, CSIR, and DRDO) where the students also get an opportunity to participate, contribute and learn.

As higher education continues to evolve under the vision of the National Education Policy 2020, Daulat Ram College remains committed to innovation, interdisciplinary learning, inclusivity, and academic excellence. We are continuously strengthening our academic programmes, expanding opportunities for research and skill development, and creating a learning ecosystem that prepares students to address contemporary challenges with confidence and integrity.

Choosing a college is one of the most important decisions in a student's life. At Daulat Ram College, you will become part of a community that values knowledge, encourages independent thought, celebrates diversity, and inspires excellence. I warmly invite you to join this vibrant institution and contribute to its continuing legacy of achievement and service.

I wish every student a rewarding journey of learning, discovery, and success.

Mr. Mukul Gupta

Chairman, Daulat Ram College Governing Body

Principal's Message

Greetings!

Welcome to Daulat Ram College, a premier constituent college of the University of Delhi, committed to academic excellence and women's empowerment since 1960. For over six decades, the College has nurtured generations of students through quality education, intellectual inquiry, leadership, and holistic development. Accredited by NAAC and consistently recognised by NIRF, India Today, and other reputed ranking agencies, Daulat Ram College has established itself as one of India's leading women's institutions. The College has also been awarded Star College Status by the Department of Biotechnology for its contributions to science education and undergraduate research. National and international research collaborations, along with Innovation Projects supported by the University of Delhi, continue to strengthen our academic environment.

Aligned with the vision of NEP 2020 and UGCF 2022, the College offers flexible, multidisciplinary learning supported by the Internal Quality Assurance Cell (IQAC). With over 1,500 undergraduate and postgraduate seats, value-added courses, scholarships, awards, and an active Placement Cell, students receive opportunities for academic distinction, internships, research, entrepreneurship, and professional growth. Last year, more than 50 organisations offered internships to over 400 students, most of which aligned with NEP framework.

The graduation of our first fourth-year UGCF batch marks a significant milestone, with students earning recognition for outstanding research through presentations and competitions at institutions across the country. Our distinguished alumni continue to excel in civil services, judiciary, academia, research, media, sports, and public life, bringing immense pride to the institution.

Daulat Ram College provides a safe, inclusive, and environmentally responsible campus with modern infrastructure, Wi-Fi connectivity, CCTV surveillance, and a steadfast commitment to maintaining a ragging-free, tobacco-free, and zero-waste environment.

As you begin this exciting chapter, I encourage you to Explore, Engage, and Excel. At Daulat Ram College, you will find an inspiring environment that nurtures learning, innovation, and personal growth. I warmly welcome you to the Daulat Ram College family and wish you a rewarding and memorable journey ahead.

With best wishes.

Prof. Savita Roy

Principal

Vice- Principal's Message

Dear Prospective Students and Esteemed Parents,

It gives me immense pleasure to welcome you to our institution—a place where academic excellence, innovation, and values come together to shape future leaders. Choosing the right institution is one of the most significant decisions in a student's life, and we are honored that you are considering becoming a part of our academic family.

At our college, education extends far beyond the boundaries of classrooms. We are committed to nurturing inquisitive minds, fostering creativity, encouraging research, and developing socially responsible individuals who are prepared to contribute meaningfully to an ever-evolving global society..

Our highly qualified and dedicated faculty members, state-of-the-art infrastructure, well-equipped laboratories, modern learning resources, and vibrant campus environment provide students with countless opportunities to excel academically and personally. Through a rich blend of curricular, co-curricular, and extracurricular activities, students are encouraged to discover their talents, develop leadership skills, and cultivate confidence that prepares them for future challenges.

Guided by the principles of the National Education Policy (NEP) 2020, we emphasize interdisciplinary learning, skill development, innovation, entrepreneurship, and experiential education. We strive to create an inclusive, learner-centric ecosystem where every student is inspired to think critically, communicate effectively, and embrace continuous growth. Our institution takes pride in promoting a culture of excellence through research, community engagement, industry collaborations, environmental consciousness, and ethical values. We believe that true education empowers individuals to become responsible citizens who can positively influence society and the nation.

As you explore the opportunities our college offers, I invite you to envision yourself as a member of a vibrant academic community where aspirations are nurtured, potential is realized, and dreams are transformed into achievements. We are committed to supporting every student in their journey towards academic success, professional excellence, and personal fulfillment.

I warmly welcome you to join us in this exciting journey of learning, discovery, and transformation. Together, let us build a future filled with knowledge, innovation, and limitless possibilities.

With best wishes for your bright future,

Prof. Priti Malhotra

Vice Principal

About the College

Mission

The goals and objectives of Daulat Ram College are to educate, engage, inculcate, and instill moral values with modern education in students, to help develop their personality and interpersonal skills.

Vision

The vision of Daulat Ram College is enshrined in its motto 'ऋते ज्ञानान्न मुक्तिः' that translates into 'Salvation through Knowledge'. The college seeks to disseminate knowledge in science, commerce, and liberal arts among girl students to make them empowered women capable of bringing societal change.

Daulat Ram College has established itself as a premier institution of higher education for women, renowned for its commitment to academic excellence, innovation and holistic development. Founded in 1960 by the visionary educationist, the late Shri Daulat Ram Gupta, as Pramila College at Tilak Marg, the institution was relocated to the North Campus of the University of Delhi in 1964 and renamed Daulat Ram College.

Shri Daulat Ram Gupta envisioned the college as a centre of inclusive and value-based education for women. Beginning with approximately 350 students, 13 faculty members, and six departments, the college has grown into a vibrant academic institution with more than 4,000 students from across India and abroad, around 188 faculty members, 130 non-teaching staff, and 19 departments offering a diverse range of undergraduate and postgraduate programmes. The institution is dedicated to nurturing academic excellence, critical thinking, ethical values and holistic development across the disciplines of Science, Commerce and Humanities.

Recognised for its outstanding academic achievements and vibrant co-curricular culture, Daulat Ram College has consistently remained at the forefront of higher education. The college has been awarded the prestigious Star College Status by the Department of Biotechnology (DBT), Government of India, in recognition of its innovative contributions to science education and research. Set amidst a lush green campus, the college provides an intellectually stimulating environment supported by modern infrastructure and distinguished faculty. It houses advanced research facilities, including the Zebrafish Laboratory, Drosophila Resource Centre and Psychology Resource Centre, which facilitate major research projects funded by agencies such as ICSSR, ICPR, UGC, CSIR and DRDO.

The college continues to strengthen its academic infrastructure with the addition of a new academic block, equipped with state-of-the-art laboratories, spacious classrooms and a modern conference hall, providing students with an enhanced teaching, learning and research environment. Complementing these facilities are Wi-Fi-enabled classrooms with LCD projectors, well-equipped computer laboratories and robust ICT-enabled teaching resources. Innovation Projects and Star Innovation Projects funded by the University of Delhi, along with international collaborative research initiatives involving institutions in the USA, Canada, France, Finland and Poland, have significantly enriched the college's academic ecosystem.

The Internal Quality Assurance Cell (IQAC) plays a pivotal role in sustaining academic excellence through quality enhancement initiatives and systematic academic planning. The college's academic calendar is enriched with international and national conferences, seminars, symposia, colloquia and faculty development programmes, fostering a vibrant culture of research, innovation and interdisciplinary engagement.

The college library serves as a vital academic resource, housing over one lakh books, journals, periodicals, newspapers, digital resources and a well-equipped Braille section. To recognise academic excellence, the college annually awards numerous proficiency prizes, instituted awards and merit scholarships.

Skill development remains an integral component of the institution's educational philosophy. Through interdisciplinary in-house skill development programmes, students are equipped with life skills, digital competencies and professional capabilities. The College also established Skill Development Centres in Drosophila and Zebrafish Model Organisms, Ornamental Fish Culture, Hydroponics and Aerophonics and Medical Diagnostics to support Skill Enhancement Courses and impart skill training to students to enhance their employability. The Cyber Cell actively promotes awareness regarding responsible and safe engagement with cyberspace, while the Placement Cell works diligently to provide quality internship and employment opportunities through collaborations with leading organisations.

The vibrant academic culture is reflected in the publications brought out by various departments, societies, and cells. These include Expressions (English), Mansi (Hindi), Shreshtha (Women Development Cell), Psytrack (Psychology), Math Punch (Mathematics), Naissance (Placement Cell), Optima (Economics), among several others. The college also publishes its annual magazine, Pramila, featuring contributions in English, Hindi and Sanskrit.

The Centre for Foreign Languages, established in 2005, offers certificate, diploma and advanced diploma programmes in French, German, Spanish, Italian, Chinese, Japanese and Korean in collaboration with the Department of Germanic and Romance Studies and the Department of South Asian Studies, University of Delhi. In addition, the college offers several value-added certificate programmes in collaboration with reputed institutions, enabling students to develop interdisciplinary knowledge and professional competencies.

Committed to inclusive education, the college hostel, established in 1974, provides a nurturing residential environment for students from diverse cultural backgrounds. The campus also features Sadbhavana Bhawan, one of the finest auditoriums in the University, which hosts conferences, cultural programmes, theatre productions and Manjari, the college's annual cultural festival. The centrally located open-air amphitheatre, Rangshala, serves as a vibrant venue for theatrical, literary, musical and cultural events.

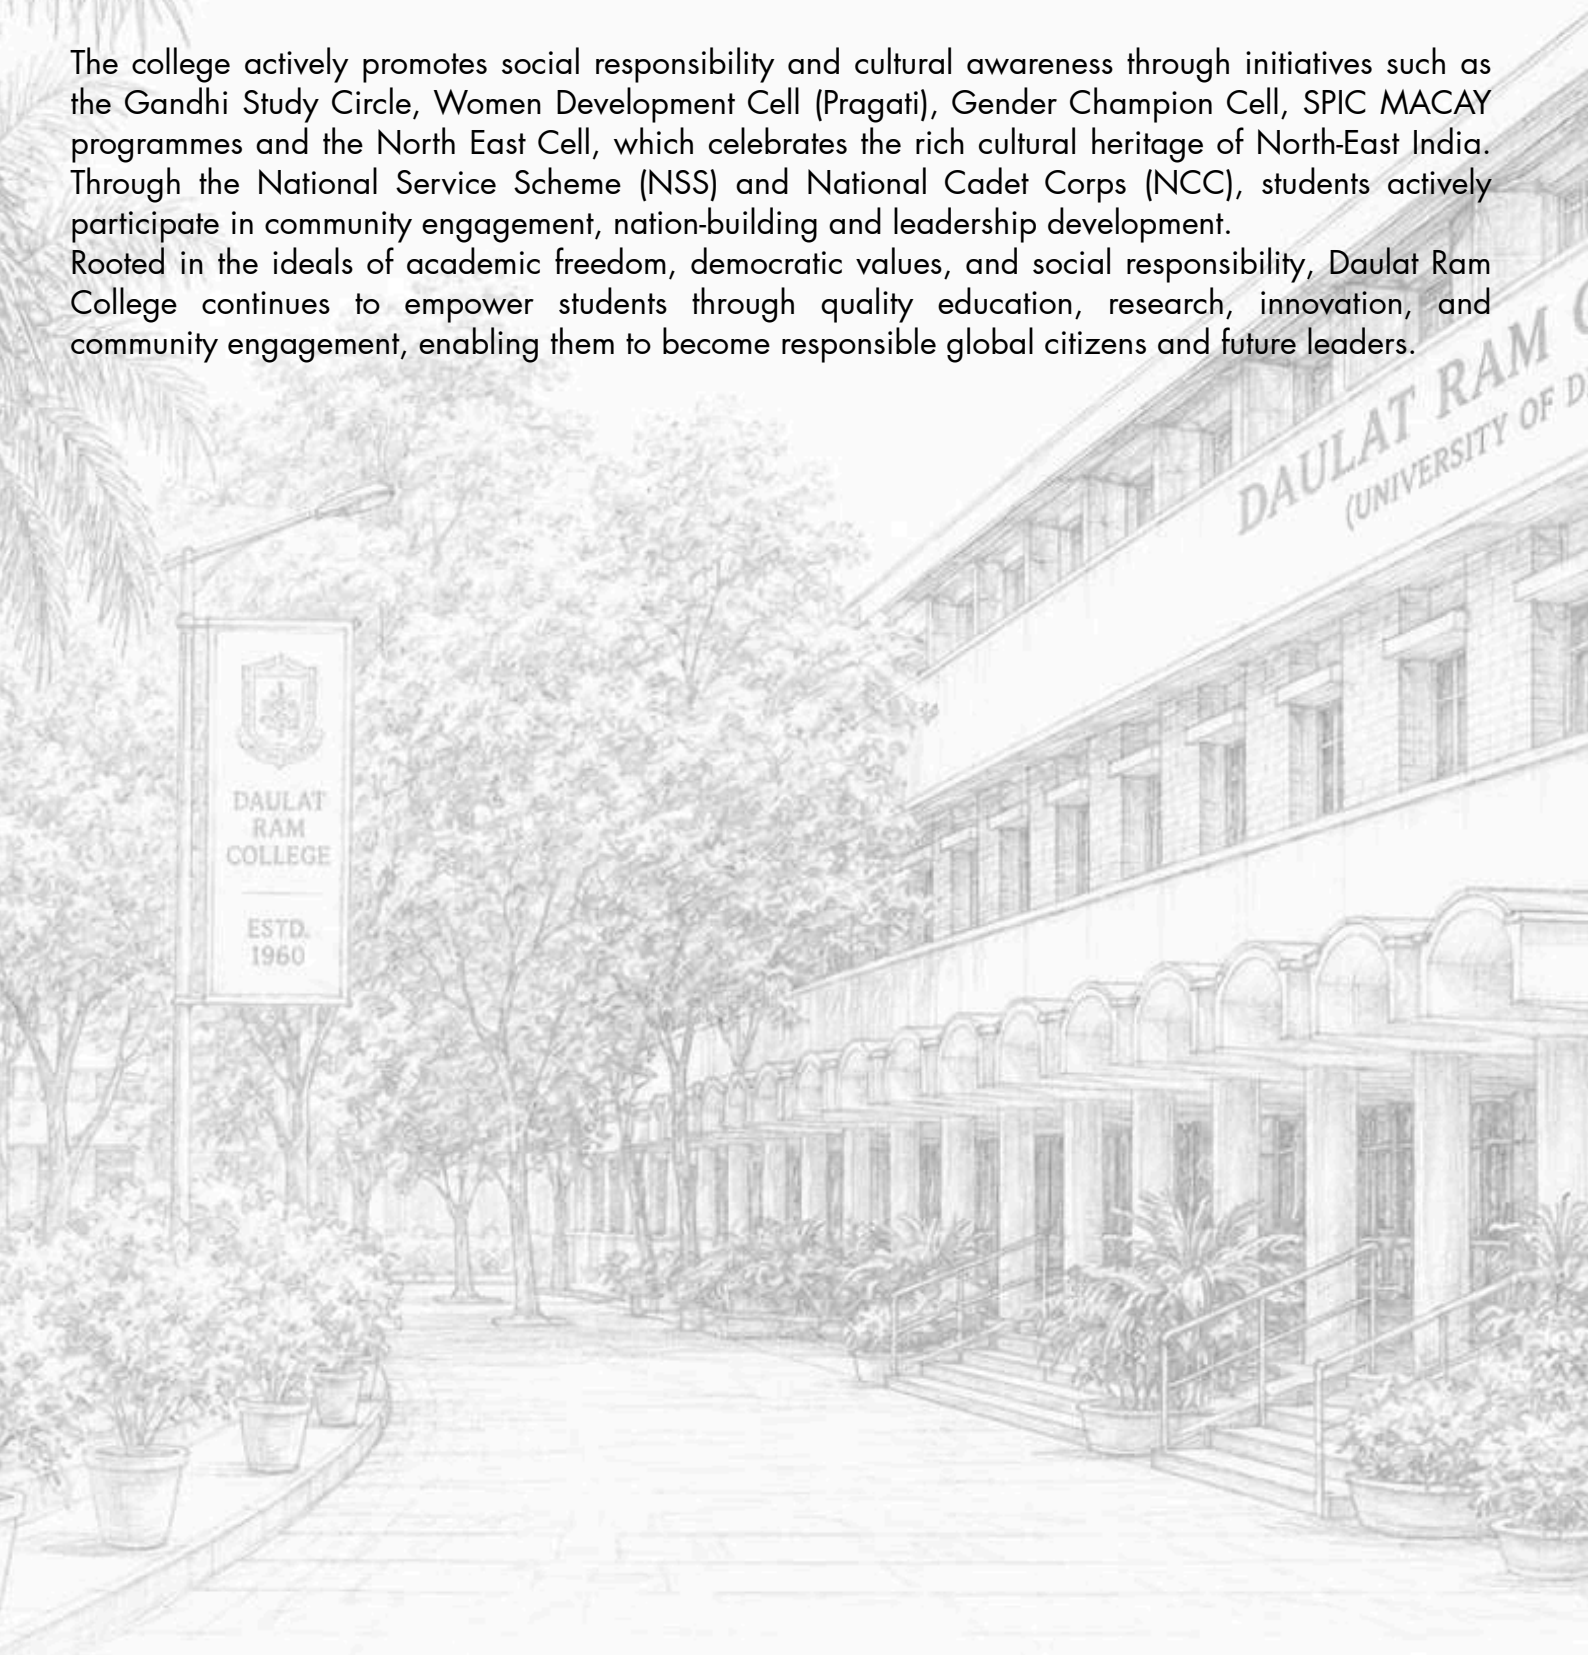

The multipurpose sports complex and fitness centre offer excellent facilities for a wide range of sports and have nurtured athletes who have excelled at state, national, and international levels. The college's annual Paralympics exemplify its commitment to inclusive participation. Accessible infrastructure, together with the Equal Opportunity Cell and Enabling Unit, ensures an inclusive and supportive environment for students with disabilities.

Committed to environmental sustainability, the college maintains a zero-discharge campus through its Recycling Unit equipped with paper recycling and leaf-shredding machines. The Environment Club (Dhara) actively promotes ecological awareness and sustainable practices across the campus.

A hallmark of Daulat Ram College is its vibrant student life. Numerous societies under the Extra-Curricular Activities Committee—including the Debating Society (Debsoc), Dramatics Society (Memesis), Fine Arts Society (Spectra), Film and Photography Society (Magic Lantern and Sepia), Music and Dance Societies (Alahyaa, Annhad, Encore, and Zenith), Quiz Society (Tajagna), Poetry Society (Imagism), and Fashion Society (Debonair)—provide students with diverse platforms to nurture creativity and leadership. Signature events such as the Youth Parliament, Model United Nations, the College Play, and the prestigious Daulat Ram Gupta Memorial Debate continue to foster critical thinking, public engagement, and intellectual excellence.

The college actively promotes social responsibility and cultural awareness through initiatives such as the Gandhi Study Circle, Women Development Cell (Pragati), Gender Champion Cell, SPIC MACAY programmes and the North East Cell, which celebrates the rich cultural heritage of North-East India. Through the National Service Scheme (NSS) and National Cadet Corps (NCC), students actively participate in community engagement, nation-building and leadership development.

Rooted in the ideals of academic freedom, democratic values, and social responsibility, Daulat Ram College continues to empower students through quality education, research, innovation, and community engagement, enabling them to become responsible global citizens and future leaders.

Note:

- * Examination fees may vary depending upon the practical component of General Elective (GE) Papers.
- * The fee payable by Foreign Students will be Foreign Students' Registry in addition to the above fees.
- * For payment of Fees, students with physical disabilities should refer to the Delhi University Admission Brochure 2026-27
- * Caution Money is Refundable if claimed before the end of Financial Year in which the student leaves the college.
- * Caution Money will be refunded through RTGS/NEFT. Students should have their own account in any bank.
- * University/College reserves the right to revise Fee and other charges any time during the year.

Payment of Fees

All fee receipts should be preserved for scrutiny and should be produced at the time of filling up the examination forms and refund of caution money. Notice regarding payment of College/Examination fee will be put up on the notice board.

Identity Card

Every student is issued an identity card by the College. It is mandatory for students to carry it every day. In case of any kind of indiscipline, the I-card will be confiscated. In case of loss of I-card the students are advised to intimate the college office immediately. Duplicate I-card will be issued on payment of Rs. 500/- Any change of address or phone no. should also be notified by the student.

Discipline

Students will be governed as per Ordinance XV-B of the University Calendar.

Concession/Waiver of Fees for Persons with Disabilities (PwBD)

Candidates with physical disabilities pursuing various programmes of study in the Faculties, Departments, Centres, and Institutions/Colleges of the University shall be exempted from payment of fees, including examination fees and other University fees, except Admission fees, subscription towards Delhi University Students' Union and Identity Card fees (As per amendment to Ordinance X(4) of the University).

a) PwBD Candidates who meet the cut-off for the unreserved category and will take admission in the unreserved category (UR) will pay the fee relevant for PwBD Candidate.

b) As per the Executive Council Resolution No. 50 dated 03.11.2012, students with physical disabilities residing in different Hostels/Halls of the University are exempted from payment of all hostel fees and charges except refundable caution fees and the mess fees. Persons with Physical Disabilities who are students shall pay 50% of the Mess fees and the remaining 50% of their Mess Fees will be met by the University of Delhi. Similar norms are adopted by our college in respect of PwBD students residing in the hostel.

c) PwBD students who are getting fellowships/financial assistance shall be exempted from payment of fees/charges/mess fees subject to the following conditions. All admitted SC/ST, OBC, EWS, PwBD students in colleges who are eligible for fellowships should submit their scholarship forms to the requisite office by February for timely processing.

Value of Fellowship	Exemption of Fees Waiver etc.
Upto 3,000 per month	Fees waiver + 50% Mess Subsidy
3001 to 8000 per month	Fees waiver but no Mess Subsidy
8001 and above per month	No fees waiver and no Hostel Subsidy

Relevant University Ordinances

Successful Candidates will be required to abide by the Ordinances of the University and will be required to provide a written undertaking to this effect at the time of admission. A few extracts of important ordinances are reproduced here.

ORDINANCE XV-B: Maintenance of discipline among Students of the University

1. All powers relating to discipline and disciplinary action are vested in the Vice-Chancellor.
2. The Vice-Chancellor may delegate all or such powers as he/she deems proper to the Proctor and to such other persons as he/she may specify on this behalf.
3. Without prejudice to the generality of power to enforce discipline under the Ordinance the following shall amount to acts of gross indiscipline:
 - a. Physical assault, or threat to use physical force, against any member of the teaching and non-teaching staff of any Institution/Department and against any student within the University of Delhi
 - b. Carrying of, use of or threat to use of any weapons
 - c. Any violation of the provisions of the Civil Rights Protection Act, 1976
 - d. Violation of the status, dignity and honour of students belonging to the scheduled castes and tribes
 - e. Any practice-whether verbal or otherwise-derogatory of women
 - f. Any attempt at bribing or corruption in any manner
 - g. Wilful destruction of institutional property
 - h. Creating ill-will or intolerance on religious or communal grounds
 - i. Causing disruption in any manner of the academic functioning of the University system;
 - j. Prohibition of Ragging as per Ordinance XV-C.
4. Without prejudice to the generality of his/ her powers relating to the maintenance of discipline and taking such action in the interest of maintaining discipline as may seem to him/her appropriate, the Vice-Chancellor, may in the exercise of his/her powers aforesaid order or direct that any student or students -
 - a. be expelled; or
 - b. be, for a stated period rusticated; or
 - c. be not for a stated period, admitted to a programme or programmes of study in a College, Department or Institution of the University; or
 - d. be fined with a sum of rupees that may be specified; or
 - e. be debarred from taking a University or College or Departmental Examination or Examinations for one or more years; or that the result of the student or students concerned in the Examination or Examinations in which he /she or they have appeared be cancelled.
5. Institutions, Halls and teaching in the concerned Departments may exercise their authority through, or delegate authority to such of the teachers in their Colleges, Institutions or Departments as they may specify for these purposes.

6. Without prejudice to the powers of the Vice-Chancellor and the Proctor as aforesaid, detailed rules of discipline and proper conduct shall be framed. These rules may be supplemented, where necessary, by the Principals of Colleges, Heads of Halls, Deans of Faculties and Heads of Teaching Departments in this University. Each student shall be expected to provide himself / herself with a copy of these rules. At the time of admission, every student shall be required to sign a declaration that on admission he /she submits himself / herself to the disciplinary jurisdiction of the Vice-Chancellor and several authorities of the University who may be vested with the authority to exercise discipline under the Acts, the Statutes, the Ordinances and the rules that have been framed therein by the University.

ORDINANCE XV-C: Prohibition and Punishment for Ragging

1. Ragging in any form is strictly prohibited, within the premises of College/ Department or Institution and any part of Delhi University system as well as on public transport.
2. Any individual or collective act or practice of ragging constitutes gross indiscipline and shall be dealt with under this Ordinance.
3. Ragging for the purposes of this Ordinance, ordinarily means any act, conduct or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students; and includes individual or collective acts or practices which:
 - a. Involve physical assault or threat to use of physical force.
 - b. Violate the status, dignity and honour of women students.
 - c. Violate the status, dignity and honour of students belonging to the scheduled caste and tribe.
 - d. Expose students to ridicule and contempt and affect their self-esteem.
 - e. Entail verbal abuse and aggression, indecent gestures and obscene behaviour.
4. The Principal of a College, the Head of the Department or an Institution, the authorities of College, or University Hostel or Halls of Residence shall take immediate action on any information of the occurrence of ragging.
5. Notwithstanding anything in Clause above, the Proctor may also suo moto enquire into any incident of ragging and make a report to the Vice-Chancellor of the identity of those who have engaged in ragging and the nature of the incident.
6. The Proctor may also submit an initial report establishing the identity of the perpetrators of ragging and the nature of the ragging incident.
7. If the Principal of a College or Head of the Department or Institution or the Proctor is satisfied that for some reason, to be recorded in writing, it is not reasonably practical to hold such an enquiry, he/she may so advise the Vice-Chancellor accordingly.
8. When the Vice-Chancellor is satisfied that it is not expedient to hold such an enquiry, his/her decision shall be final.
9. On the receipt of a report under Clause (5) or (6) or a determination by the relevant authority under clause (7) disclosing the occurrence of ragging incidents described in Clause 3(a), (b) and (c), the Vice-Chancellor shall direct or order rustication of a student or students for a specific number of years.

10. The Vice-chancellor may in other cases of ragging order or direct that any student or students be expelled or be not for a stated period, admitted to a programme of study in a college, departmental examination for one or more years or that the results of the student or students concerned in the examination or examinations in which they appeared be cancelled.
11. In case any students who have obtained degrees or diplomas of the University of Delhi are found guilty; under this Ordinance, appropriate action will be taken under Statute 15 for withdrawal of degrees or diploma conferred by the University.
12. For the purpose of this Ordinance, abetment to ragging whether by way of any act, practice or incitement of ragging will also amount to ragging.
13. All Institutions within the Delhi University system shall be obligated to carry out instructions / directions issued under this Ordinance, and to give aid assistance to the Vice-Chancellor to achieve the effective implementation of the Ordinance.
14. As per UGC guidelines, Anti Ragging Day would be observed on 12th August followed by Anti Ragging week from 12 August to 18 August.
15. MHRD, Government of India has launched a 24x7 toll free anti ragging helpline No. 1800-180-5522 and an email facility at helpline@antiragging.in to curb the practice of ragging.
16. A control room, jointly manned by Delhi Police and University Officials at Room No. 13, 1st floor, Proctor's office, Conference centre, Opposite Department of Botany, University of Delhi, Delhi-7 would function to deal with any untoward incident of ragging. Telephone number of Joint Control Room in North Campus is 27667221 and of South Delhi Campus is 24119832.
17. Students can download Anti-Ragging App designed by UGC and Himmat App from Delhi Police website to report any incident of ragging.

Order of the Vice-Chancellor in pursuance of Ordinance XV-C: Where incident(s) of ragging are reported to the Vice-Chancellor by any authority under this Ordinance, the students(s) involved in ragging, shall be expelled for a specified term, designated in the order. Non-students involved in reports of ragging will be proceeded with under the criminal law of India; they will also be rendered ineligible for a period of five years from seeking enrolment in any of the institutions of the University of Delhi. Students against whom necessary action is taken under this note, will be given post decisional hearing, with strict adherence to the rules of natural justice.

ORDINANCE XV-D/The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (MINISTRY OF LAW AND JUSTICE)

An Act to provide protection against sexual harassment of women at work place and for the prevention and redressal of complaints of sexual harassment and for matters connected there with incidental thereto.

WHEREAS sexual harassment results in violation of the fundamental rights of a woman to equality under articles 14 and 15 of the Constitution of India and her right to life and to live with dignity under article 21 of the Constitution and right to practice any profession or to carry on any occupation, trade or business which includes a right to a safe environment free from sexual harassment;

AND WHEREAS the protection against sexual harassment and the right to work with dignity are universally recognized human rights by international conventions and instruments such as Convention on the Elimination of all forms of discrimination against Women, which has been ratified on the 25th June, 1993 by the Government of India.

AND WHEREAS it is expedient to make provisions for giving effect to the said Convention for protection of women against sexual harassment at workplace.

Internal Complaints Committee

Under Gazette notification of Government of India, University Grants Commission (Prevention, prohibition and redressal of sexual harassment of women employees and students in higher educational institutions) Regulations, 2015 has been notified which is binding University and Colleges.

The Ministry of Women and Child Development, Government of India has also published a "Handbook on Sexual Harassment of Women at Workplace" which describes the issues like what is workplace sexual harassment, its prevention, prohibition and redressal along with the global norms and good practices following in this regard.

With reference to UGC letter No.F.91/9/2015 (GS/MHRD) dated 5th July 2016, College has constituted an Internal Complaints Committee (ICC) through a written order under the above Regulations.

Members of ICC

1. Prof. V Sujata Raju (Convenor)
2. Prof. Darshan
3. Dr. Devendra Kumar
4. Mr. Atul Bhaskar (Accounts)
5. Mrs. Babita Tirkey (Sr. Assistant)

Under-Graduate Curriculum Framework (UGCF – 2022)

Keeping in mind the underlying principles of National Education Policy 2020, the Undergraduate Curriculum Framework-2022 (UGCF-2022) of the University of Delhi has been structured to provide opportunities to students across disciplines to pursue research, innovation, apprenticeship, social outreach, entrepreneurship and many similar areas of knowledge and creativity.

Every discipline offers five categories of courses of study, viz. Discipline Specific Core courses (DSCs), Discipline Specific Electives (DSEs), Generic Electives (GEs), Skill Enhancement Courses (SEC) and Value Addition Courses (VAC) with multiple exit options as per NEP 2020.

Discipline Specific Core is a mandatory course of study to be pursued by a student. For award of single discipline specific Honours degree DSCs shall be the core courses of that discipline. To pursue an Honours degree programme in a 'Field of Multidisciplinary Courses of Study' the DSCs shall comprise of core credit courses of more than one discipline. In the fourth year of such honours degree programmes students will study only one discipline and hence the DSC courses in the VII and VIII semesters shall be of one discipline and not a combination of these three disciplines. Please refer to the framework given as Illustration –I in Table-6 of UGCF 2022 Based on NEP 2020.

Generic Electives shall be a pool of courses which is meant to provide multidisciplinary or interdisciplinary education to students. GE shall consist of a pool of courses offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose. In case a student opts for DSEs beyond her discipline specific course(s) of study, such DSEs shall be treated as GEs for that student.

Ability Enhancement course (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC) are a pool of courses offered by all the Departments in groups of odd and even semesters from which students can choose. A student who desires to make Academic Project/Entrepreneurship as Minor has to pick the appropriate combination of courses of GE, SEC, VAC, & Internship/ Apprenticeship/Project/ Community (IAPC) which shall be offered in the form of various modules as specified in the scheme of studies.

A student pursuing four-year undergraduate programme in a specific discipline (Core course) shall be awarded an appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if he/she secures in that Discipline at least 50% of the total credits i.e., at least 88 credits in that Discipline out of the total of 176 credits. He/she shall study 20 DSCs and at least 2 DSEs in eight semesters. A student may be awarded Minor in a discipline, on completion of VIII Semester, if he/she earns minimum 28 credits from seven GE courses in that discipline. For example, if a student pursuing B.A. (Honours) History chooses seven GE courses of Political Science out of a total of ten GE courses and writes dissertation, she shall be awarded on successful completion of VIII Semester, Major in History and Minor in Political Science.

A student pursuing a four-year undergraduate programme in more than one discipline as Core Course (for example B.A. Social Sciences/ Humanities, B.Sc. Life Sciences, B.Sc. Physical Sciences, B.Sc. Mathematical Sciences, B.Com. and such other programmes) shall be awarded an appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if he/she secures in that Discipline 80 credits out of a total of 176 credits. He/she shall study 6 DSCs and at least 3 DSEs in that discipline in the first six semesters and 2 DSCs, 6 DSEs and write a dissertation in that discipline in the VII and VIII semesters. A student may be awarded Minor in a discipline, on completion of VIII Semester, if he/she earns minimum 28 credits from six DSCs and one DSE of that

discipline. For example, a student pursuing four-year B.A. (Honours) Social Sciences/Humanities with Major in History (after securing at least 80 credits in History), may be awarded Minor in Hindi if she earns 28 credits from six DSCs and one DSE of Hindi (up to VI semester), on successful completion of VIII Semester.

SmartProf DRC (ERP): The college maintains a portal named "SmartProf DRC" for the students to maintain a record of their activities at the college. Each student will be provided with a login ID to access their individual portal. The portal is used for AEC, GE, VAC, SEC Optional paper selections in every semester. The students will also be able to see their timetable, internal assessment marks, study materials, on the portal. The portal will enable each student to have a comprehensive view of their profile during their undergraduate studies. Students need to update their semester marksheets, fee receipts, certificates of activities as well as their progression on this portal.

Placement Cell

Vridhhi, The Placement Cell of Daulat Ram College, constitutes a diligent and dedicated team of students and teachers that plays a crucial role in connecting academic learning with professional growth for students across disciplines. With a commitment to holistic student development, the cell facilitates placements, internships, career guidance, and skill-building initiatives driving students towards successful and fulfilling careers.

Every year, various reputed companies such as PwC, KPMG, Urban Company, Accenture, Nestle, WTW, and many others visit the college. In the academic year 2025–26, over 40 companies visited the campus, extending 60+ job offers, with the highest CTC offered was ₹10.6 LPA and gross CTC of ₹3.44 crores. Additionally, 50+ firms provided internships to 400+ students, most of which aligned with NEP framework.

Vridhhi's flagship event, Incrementum 9.0 – The Annual Internship and Career Fair, attracted 40+ companies and 2400+ students offering internship and recruitment opportunities across diverse profiles.

Vridhhi organizes seminars, webinars, workshops and alumni talks throughout the year empowering students with relevant knowledge and skills. Digital initiatives like the Guesstimate Series and Career Spotlight Series serve as valuable digital resources, enhancing students' career readiness.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of Daulat Ram College works with the vision and mission of planning, guiding, monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the College. The IQAC works with the aim to channelise and systematise all efforts of the institution towards academic excellence.

The IQAC continuously strives for academic excellence, improvement of sustainable infrastructure facilities, promote Research and Innovation, robust Documentation, Monitoring and Evaluation mechanism and scholastic environment for the staff and students to excel and achieve their goals.

The agenda of the new academic session every year is set with the Academic Calendar to schedule the academic teaching, examinations, and the various types of activities for the teaching and non- teaching staff and the students. The IQAC organises Capacity Building workshops for the faculty, non- teaching staff and students, Refresher courses for the faculty, Faculty Development Programs, and Skill Development Programs/Workshops for the students.

The IQAC defines short term and long term Institutional development plans which guides strategic roadmap for transformative development aligned with national and international accreditation benchmarks and Best Institutional Practices.

ECONOMICS DEPARTMENT

Faculty: Dr. Malini Sharma, Dr. Pooja Khanna, Mrs. Ritu Khanna, Dr. Pooja Sharma, Dr. Rita Rani, Ms. Devangana Jha, Dr. Shikha Singh, Ms. Saachi Butani Bhagat, Dr. R Ahalya, Dr. Devendra Kumar, Dr. Srishty Kasana, Dr. Priyanka Yadav, Ms. Aakriti Saini, Ms. Akanksha

Highlights: The Department of Economics secured the 10th position at the All India level in the India Today Rankings 2024. Throughout the year, the Department successfully organized alumni interactions, speaker sessions, career guidance programmes, and policy discussions. The Departmental Association conducted several flagship events, including the Model United Nations, the annual Economics Conference 'Mutasir', and the academic fest 'Economania'26.

The Department of Economics offers a dynamic, innovative, and intellectually stimulating learning environment where students develop a comprehensive understanding of economic theories, quantitative techniques, and their practical applications. In addition to undergraduate Honours and Programme courses, the Department also offers Generic Electives (GE), Skill Enhancement Courses (SEC), and Value Added Courses (VAC).

The Department is supported by a team of experienced, dedicated, and research-oriented faculty members with an excellent record of research and publications. Through career counselling, interactions with distinguished alumni, and engagements with industry experts, students receive valuable guidance for diverse professional careers. Graduates of the Department have achieved notable success in academia, industry, finance, data analytics, entrepreneurship, civil services, and various competitive examinations.

The Department of English at Daulat Ram College fosters an intellectually stimulating and creatively immersive environment where literature, language, and critical theory intersect. Our NEP-aligned four-year undergraduate program offers an in-depth exploration of English literature, linguistics, and cultural studies, equipping students with analytical, creative, and communication skills that are highly valued in the global arena.

The curriculum encompasses a diverse range of literary periods, genres, and theoretical perspectives. Our English Honours program offers a diverse range of courses in African Literature, South Asian Literature, European Literature, Indian Literature, American Literature, Film Studies, Graphic Narratives, Disability Studies, Marginality Studies, Translation Studies, Gender Studies, Environmental Humanities, Literary Theory and Criticism, Research Methodology, and Dalit Studies, to name a few.

The English Literary Association, Literati, is a dynamic and active organisation that regularly organises conferences, seminars and workshops. In addition to the joy of exploring literature in all its facets, the Department equips its students for diverse career paths, including academia, creative writing, mass communication, journalism, civil services, editing and publishing, theatre, career counselling, and many other emerging fields. This year, the department has an array of academically engaging activities planned. We eagerly anticipate a vibrant and productive year with the addition of a new batch of brilliant young enthusiasts.

Hindi Department

शिक्षक संकाय : प्रो.सीमा रानी, डॉ. सुनीता दुरंगल, डॉ. अनीता मिंज, डॉ. ज्योति शर्मा, डॉ. कुसुम लता, डॉ. संतोष सैन, डॉ. नीतू गुप्ता, डॉ. विद्याराम मीणा, डॉ. मनीष कुमार चौधरी, डॉ. शीतल कुमारी, डॉ. समला देवी, डॉ. संजीता, डॉ. विजय कुमार, डॉ. अविनाश कुमार मिश्रा, डॉ. संतोष कुमार भारद्वाज

प्रमुख विशेषताएँ: हिन्दी विभाग भाषा, साहित्य, संस्कृति और रचनात्मकता का सुन्दर समन्वय है। हस्तलिखित पत्रिका 'मानसी' छात्राओं की सुन्दर भावनाओं की अभिव्यक्ति और सृजनात्मक प्रतिभा को मंच प्रदान करती है। विभाग की गौरवशाली परंपरा 'आचार्य हजारीप्रसाद द्विवेदी स्मारक भाषणमाला' का विगत 45 वर्षों से निरंतर आयोजित की जाती है, जिसके माध्यम से छात्राओं को प्रतिष्ठित साहित्यकारों और चिंतकों से संवाद का अवसर मिलता है।

महाविद्यालय में हिन्दी ऑनर्स पाठ्यक्रम का विधिवत शुभारंभ सन् 1964 में हुआ। इससे पूर्व वर्ष 1960 से 1963 तक हिन्दी विषय पासकोर्स के रूप में अध्ययन का महत्वपूर्ण अंग रहा। आरंभ से ही हिन्दी विभाग का उद्देश्य केवल भाषा और साहित्य के अध्ययन तक सीमित न रहकर विद्यार्थियों में साहित्यिक चेतना, सामाजिक समझ और रचनात्मक दृष्टि का विकास करना रहा है। समय के साथ हिन्दी ऑनर्स पाठ्यक्रम में बदलते युग की आवश्यकताओं के अनुरूप विविध रोजगारपरक और बौद्धिक रूप से उपयोगी विषयों को समाहित किया जाता रहा है। यह पाठ्यक्रम छात्राओं को साहित्य, भाषा, संस्कृति, समाज और संप्रेषण के विभिन्न आयामों से परिचित कराते हुए उन्हें व्यापक दृष्टिकोण प्रदान करता है। हिन्दी ऑनर्स के अध्ययन के पश्चात विद्यार्थियों के लिए अध्यापन, शोध, अनुवाद, पत्रकारिता, जनसंचार, रेडियो-टेलीविजन, रंगमंच, विज्ञापन, हिन्दी कम्प्यूटिंग, जनसंपर्क, रचनात्मक लेखन और प्रशासनिक सेवाओं जैसे अनेक क्षेत्रों में उज्ज्वल अवसर उपलब्ध हैं। 'हिन्दी साहित्य परिषद' के माध्यम से प्रतिवर्ष विभिन्न साहित्यिक प्रतियोगिताओं, व्याख्यान और सांस्कृतिक कार्यक्रमों का आयोजन किया जाता है। परिषद की हस्तलिखित पत्रिका 'मानसी' छात्राओं की कल्पनाशीलता, अभिव्यक्ति और सृजनात्मक प्रतिभा को मंच प्रदान करती है। वर्तमान में हिन्दी केवल ऑनर्स विषय के रूप में ही नहीं, बल्कि क्षमता संवर्धन पाठ्यक्रम (AEC), सामान्य वैकल्पिक पाठ्यक्रम (GE), कौशल संवर्धन पाठ्यक्रम (SEC) और मूल्य संवर्धन पाठ्यक्रम (VAC) के रूप में भी विद्यार्थियों के अध्ययन का महत्वपूर्ण हिस्सा है। बी.ए. प्रोग्राम और बी.कॉम. प्रोग्राम में विद्यार्थियों के भाषा-स्तर के अनुसार हिन्दी 'क', 'ख' और 'ग' के रूप में पाठ्यक्रम निर्धारित किया गया है। इस प्रकार हिन्दी (विशेष) पाठ्यक्रम केवल एक शैक्षणिक पाठ्यक्रम नहीं, बल्कि व्यक्तित्व निर्माण, स्वतंत्र चिंतन, शोध-दृष्टि और रचनात्मक अभिव्यक्ति का सशक्त माध्यम है।

Music Department

Faculty: Dr. Deepti Bansal, Dr. Sumita Chakravorty, Dr. Sapna Raina Kachroo

The Department of Music was established in 1971 and since then its dedicated faculty has been working for academic and cultural growth of the college. It offers B.A. Programme course in music and teaches classical music (Vocal) and classical instrumental (Sitar) covering different areas of Hindustani Music. The department also registers students for B.A. Honours Course and M.A. Music course for which classes are held in the Faculty of Music, University of Delhi. The course familiarises the students with the fundamentals of various ragas, history of music and life sketches of great musicians and musicologists. It helps them to develop their potential in music and opens up channels for entry into post-graduation, M.Phil., Ph.D. in music and teaching career later on. The department also offers Harmonium under the skill enhancement course that helps the students to familiarize themselves with the basics of this instrument. The department organises events like lecture-demonstrations, music competitions, quiz, workshops, mentor mentee programmes for the all-round development and benefit of the students.

Dr. Deepti Bansal

Nutrition and Health Education Department

Faculty: Dr. Pooja Jain, Dr. Priyanka Verma

Lab Staff: Mr. Amarnath Pal

Highlights: *The oldest NHE department of the University (set up in 1984)*

Under UGCF-2022 based on NEP 2020, the department was offering B.A. Programme with Nutrition and Health Education (NHE). However, with effect from 2026 session, it will be offering B.A. Programme with Community Science. It also offers Skill enhancement Courses (SECs) approved by the University. The department has one temporary lab at present and a fully equipped lab will soon be available. The courses of study in Community Science and their scope will be notified on DU website. NHE Association-Nutricore-celebrates Poshan Maah every year and organizes lectures/ camps to spread awareness about nutrition and health.

Philosophy Department

Faculty: Prof. V Sujata Raju, Prof. Sonia Mehta, Prof. Monica Prabhakar, Dr. Vidhu Jain, Dr. Shweta Satyam, Dr. Shyamalima Borgohain, Dr. Chandan Kumar Pandey, Dr. Purusothaman R.

Highlight: Centre for Philosophical Counselling, Values and Well-Being.

"It is very easy to conform to what your society or your parents and teachers tell you. That is a safe and easy way of existing; but that is not living...to live is to find out for yourself the truth." This statement by J. Krishnamurti gives an insight into the essence of Philosophy as an eternal quest for truth. In this light, the department endeavours to uphold academic excellence and train young minds with cognitive and ratiocinative abilities. The curriculum of Four-year Philosophy Honours course has been designed to equip students to distinguish good reasoning from bad, to ask questions pertaining to human existence, to think, reflect, argue and speculate about life. This exploration will open for them a whole range of possibilities to know, understand and weave the interface of human beings with the animate, inanimate and the fuzzy world. During this undergraduate program, students shall be exposed to a wide array of papers designed to cultivate the minds of young scholars. These papers include a broad range of subjects, like, Logic, Indian Philosophy, Ethics, Western Philosophy, Social and Political Philosophy, Epistemology, Philosophy of Language, Philosophy of Mind, Philosophy of Law, Critical Thinking and Decision Making, Philosophy of Religion, Feminism, Media and Aesthetics, Art and Film Appreciation, Technology and Ethics, Theories of Consciousness, to name a few. Studying philosophy opens avenues for higher learning in the fields of philosophy, law, education, journalism and media, social work among many others. We take pride in stating that our students have joined administrative and civil services, corporate jobs, NGOs, academics, research, judiciary, copy editing and other esteemed professions. The Philosophy Association "Skeptics" organizes skill development programmes, workshops, seminars, panel discussions, talks and conferences to expose students to the practical aspects of the discipline with the aim to upgrade skills, enhance capabilities, and empower them with the ability to resolve personal as well as social conflicts thereby making them better ethical and logical decision makers.

Physical Education Department

Faculty: Dr. Kaushambi Tyagi and Dr. Azad Singh

Highlights: *Huge Sports Complex and Gymnasium | Wellness, Personality, Gym and Fitness Centre | Physiotherapy Center*

Physical Education is an integral part of education system. It is part of our ancient and modern society too. The roots of physical education can be seen in Vedic Age, Epic Age, Nalanda Mahavihara etc. and now it is the utmost part of National Education Policy.

In Our College, the Department of Physical Education offers Discipline Specific Courses (DSC) and Discipline Specific Electives (DSE) BA Program, Generic Electives for Hons and Prog, Value Added Courses (VAC) and Skill Enhancement Courses (SEC). The Courses includes theoretical and practical knowledge so that students can learn the concepts and enhance their personality. The department also organizes different lectures, workshops and skill development programs for the students.

National Sports Organisation (NSO) also works under the aegis of department of Physical Education. It provides ample opportunities for all students of college to learn different sports activities. Students can do gym and free hand exercises for their health and fitness in the morning and afternoon practice sessions which is held in sports complex regularly. It helps them to excel and groom them to participate in different sports at inter college, university level, international level.

Political Science Department

Faculty: Prof. Suranjita Ray, Mrs. Geetanjali Kumar, Dr. Moitree Bhattacharya, Dr. Shachi Chawla, Dr. Vandana Tripathi, Mrs. Manjula Rath, Dr. Malvika Singh, Dr. Shivali Aggarwal, Dr. Nitesh Rai, Ms. Nupur Tripathi, Dr. Smita Yadav, Dr. Jaggu Dan Ratnoo, Dr. Piyush Kant, Dr. Chandra Prakash, Dr. Kunal Krishna

Highlight: Distinguished Alumni in Research, Teaching, Civil services, Law, Social work, Journalism and other government and non- government agencies, working in Gender Studies, Human Rights, Rural-Urban Development, Governance and Public Policy

The discipline of Political Science trains students in rigorous analysis of notions in core areas such as Political Theory, Indian Politics, Comparative Politics, Public Administration, International Relations, and Political Thought. The quintessential principle and underlying objectives of the National Education Policy 2020 have shaped a course curriculum that cultivates a holistic understanding of concepts, theories, perspectives, approaches, and processes, and equips students to dissect, debate, and develop critical and creative thinking. Our distinguished and dedicated faculty ensure structured guidance through a mentorship programme that encourages students to participate in seminars, workshops, skill development projects, educational trips, internships, field visits, and research that inform inclusive, diverse, and multidisciplinary scholarship. The Political Science Association, "Republica" provides a forum to engage in various academic activities during "Metamorphosis", the annual inter- college festival. Our graduates and postgraduates have excelled in a variety of career paths including research, teaching, civil services, law, social work and journalism, and have accepted positions with government and non- government agencies that work in gender studies, human rights, rural and urban development, governance, public policy, and contemporary global affairs.

Psychology Department

Faculty: Prof. Rajni Sahni, Prof. Meetu Khosla, Prof. Pooja V. Anand, Lt. Dr. Suparna Jain Thakur, Dr. Sandhyarani Hawbam

Highlights: 3rd All India Rank (India Today Ranking 2024) | First-of-its-kind "Psychology Resource Centre" in the University | A Counselling Centre for students, teaching and non-teaching staff of the college.

The Psychology Department is ranked 3rd All India (India Today Ranking 2024) with a one-of-a-kind "Psychology Resource Centre" (PRC), an in-house Counselling Centre for staff, faculty and students, along with other constituent centres such as the Centre for Value Engagement, Mental Health Centre, Centre for Flourishing and Well-Being, and the Capacity Building Centre, all of which operate within the PRC. The Department provides holistic and inclusive education through in-depth knowledge of core psychology domains. It comprises state-of-the-art laboratories equipped with the latest instruments and software to conduct various psychological experiments and psychological tests. Cutting-edge papers under the NEP curriculum, including Cognitive Psychology, Biopsychology, Counselling Psychology, Positive Psychology, Inferential Statistics, Health Psychology, and Organisational Behaviour, form an integral part of the curriculum and are taught by a dedicated faculty using contemporary pedagogical approaches.

The Department also has an active Psychology Association, which organizes several academic and co-curricular activities, including national and international conferences, skill development programmes, seminars, and workshops. Psytrack, the annual magazine brought out by the students, serves as a compendium of their academic and creative interests. The study of Psychology opens avenues for careers in diverse fields such as Counselling, Educational Psychology, Clinical Psychology, Organisational Psychology, Research, Education, Civil Services, Human Resource Management, Social Work, Advertising, and Media. Students are trained through active mentorship, research engagement, and a strong publication-oriented culture.

Sanskrit Department

Faculty: Dr. Shashi Sharma, Dr. Kamna Vimal, Dr. Sharda Gautam, Dr. Kalpana Arya, Dr. Sushila Kumari

Highlights: Proudly ranked among the Top 10 Sanskrit Departments in India by India Today for 2 successive year, 2023 & 2024. | Organised: Lectures on National Education Policy and Sanskrit: Possibilities and Opportunities and Sanskritshetre Shodhpravidhi: Opening Doors to the Reservoirs of IKS – Research Methodology for Sanskrit, SDP on Jyotish for Holistic Well-Being and Sanskrit Sambhashan Shivir (Ten-Day Sanskrit Conversation Camp).

Established in 1964, the Department offers B.A. (Hons.) Sanskrit and a Multidisciplinary Programme in Sanskrit. In alignment with NEP 2020, it also offers VACs, GEs, SECs and AECs to students from diverse disciplines. The curriculum combines the rich traditions of Sanskrit language, literature, philosophy, Vedic studies, Dharmashastra, Geeta, Niti literature and grammar with interdisciplinary and skill-oriented areas such as Ayurveda, Computational Linguistics, Web Applications, Environmental Studies and Indian Knowledge Systems. With the introduction of the fourth-year research component under NEP 2020, 11 students from B.A. (Hons.) Sanskrit and two students from the B.A. Programme successfully completed and submitted their dissertations, marking a significant milestone in fostering research aptitude, critical thinking and scholarly inquiry.

Students graduating from the Department have diverse career opportunities in Civil Services, Journalism, Law, Human Resource Management, Translation, Architecture, Astrology, Epigraphy, Manuscriptology, Research, Bank, Drama and Social Work.

"Shreyas", the Sanskrit Association, remains highly active in fostering teamwork, leadership and creativity among students through a wide range of academic, literary and cultural activities.

Commerce Department

Faculty: Prof. Sunita Gupta, Prof. Gurmeet Kaur, Dr. Reema Dehal, Dr. Manisha Jaiswal, Dr. Shivani Bansal, Dr. Minakshi Paliwal, Dr. Geeta Chauhan, Dr. Renu Yadav, Dr. Anjali Bennet, Ms. Deepika Jindal, Ms. Richa Kaur, Mr. Himanshu Sekhar Sahu, Ms. Ritu Rani, Ms. Isha Kumari Bhatt, Dr. Gira Singh, Mr. Surjit Kumar, Ms. Renu Verma, Mr. Ravinder Kumar, Dr. Kanika Verma, Dr. Tonika Rana, Ms. Mansi Kanoji, Dr. Isha Goel

Highlights: 15th All India Rank (India Today Ranking 2025) | Computer Lab | Largest Department

The Commerce Department has traditionally been highly acclaimed, appreciated and coveted because of its unique blend of intellectual brilliance, practical and realistic orientation. The department, which completed 50 years in 2019, introduced the B. Com course in 1969, B. Com (Honours) course in 1976 and also offers B.A. Prog. with Community Science option. The course structure prescribed under the National Education Policy (NEP) 2020 provides comprehensive insights into finance, banking, investment, marketing, human resource management, law, accounting, taxation etc. The curriculum is oriented towards grooming the students to pursue careers in the ever-dynamic corporate world and various professional courses.

The department is the largest department in the college with dedicated, experienced, and research- oriented faculty members specializing in diverse areas. Our focus on academic excellence has also been recognized in the recent India Today Ranking 2025 wherein the Commerce Department secured the 15th All India rank out of 251 colleges.

The alumnae of the department have attained great heights of success, achieving much acclaim and recognition in their careers. Our alumnae share a strong bond and fond association with the department and they actively participate in guiding the future generation of students.

The department has a dedicated computer lab for commerce students. The highly active and effective Placement Cell facilitates the on-campus placement of students at analyst and associate level by reputed companies such as DE Shaw, Deloitte, Ernst & Young, Genpact, among several others. The students are offered opportunities for honing their creativity and enhancing their managerial skills through participation in Skill Development Programs organized by the department. Comneur, the Commerce Association of Daulat Ram College actively organizes series of academic and student engagement events including seminars on Workforce 4.0, AI-driven business, study abroad sessions, and industrial visits. Our students contribute meaningfully to the nation and society by participating in socially relevant projects.

Biochemistry Department

Faculty: Prof. Padmashree Mudgal, Dr. Anita Garg Mangla, Dr. Radhika Gupta, Dr. Narendra Kumar, Dr. Neeru Dhamija, Dr. Anita Goel, Dr. Neeraj Dohare

LabStaff: Mr. Ashish Mishra, Mr. Chaman Sharma, Mr. Lalit Sharma, Mr. Vikas

Highlights: *Drosophila* Resource Centre | Zebrafish lab facility | *C. elegans* Research Laboratory (CERL) | Neuropharmacology, Drug delivery & Cancer Research Laboratory (NDCRL) | Bioinformatics lab | Star Status by the Department of Biotechnology, Government of India | DST Inspire Science Camp | Recycling Unit |

The Department of Biochemistry, a Star Status Department, awarded by the Department of Biotechnology, Govt, was started in the year 1988 and offers a B.Sc.(Hons) course which is unique to only a few colleges in India. It covers areas such as Biomolecules, Proteins, Enzymology and Intermediary Metabolism as well as advanced areas in Biology such as Cell Biology, Microbiology, Bioinformatics, Proteomics, Genomics, Physiology, Hormone Biochemistry, Nutritional Biochemistry, Biochemistry of Diseases, Immunology, Molecular Biology, Genetics and Genetic Engineering. The Department also offers Skill Enhancement Courses (SEC): “*Drosophila* and Zebrafish Model Organisms in Biological Studies” Medical Diagnosis and “Public Health, Hygiene and Nutrition” to train students and hone their skills for their career enhancement.

The Department has well-equipped laboratories to impart hands-on practical experience to students. Ph.D Scholars, M.Sc and fourth year graduate students are trained at Neuropharmacology, Drug delivery & Cancer Research Laboratory (NDCRL). The students are exposed to scientific research conducted in various prestigious institutes like AIIMS New Delhi, IISER Pune, IISER Mohali, NBRC, NIN Hyderabad, CDFD, RCB, BHU, and IGIB. Eminent scientists are invited for interaction under the aegis of “Meet the Scientist”. The Department has over 90% first divisions at the college level as well as University positions, KVPY fellowships, DRC silver jubilee merit scholarships, all-rounder awards and proficiency prizes every year. Our department has been hosting foreign exchange students. Graduates from the Department have been selected for integrated Ph.D and M.Sc. programmes through entrance exams in Biochemistry, Biotechnology, Molecular Biology, Neurosciences, Genetics and other Life Science courses in leading scientific Institutions such as IISc (Bengaluru), TIFR-NCBS, IISERs, AIIMS, JNU, UDSC as well as Cambridge University and Universities in the US and Germany.

Since its inception, the Department is also involved in conducting training workshops for school and college students as well as teachers. The Department is proud of its alumni who hold faculty/ scientific positions at JNU, DRDO, University of Delhi, NCBS, RCB, THSTI, prestigious universities in the US, and Germany, and at higher positions in the industry.

Lab Staff: Mr Suresh Kumar, Mr Ramesh Nagar, Mr Satish Chauhan, Mr Mahender Pal, Mr Rambir Mann, Mr Niraj, Ms Geetanjali

Highlights: 7th All India Rank (India Today Ranking 2025) | Botanical Garden | Star STATUS by the Department of Biotechnology, Govt of India (2013)

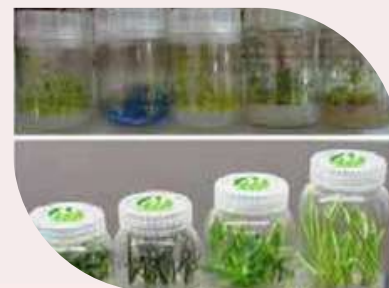

The Botany Department of Daulat Ram College established in 1968, is one of the leading Departments of the University in the field of teaching in plant sciences. All the faculty members are highly qualified, dedicated, and experienced and impart knowledge and biostatistics. The department has well-equipped classrooms, a lecture theatre, laboratories, a specimen-rich museum, a tissue culture facility and a bioinformatics lab. Skill Development Programmes (SDPs), Faculty Development Programmes (FDPs), workshops, seminars, and invited lectures by renowned scientists, are regularly organized to enhance the academic skills of the students.

The botanical garden is the heart of our department which helps students understand various aspects of taxonomy, medicinal plants, and adaptive features of the plant kingdom. Further, the department organizes various educational trips to research institutes, biodiversity parks and industries for the enrichment of the learners' subject knowledge.

Vasundhara, the Botanical Society organize various academic and extracurricular events throughout the year, including lectures by eminent speakers, workshops, seminars, and career counselling sessions. Four-year undergraduate courses of B.Sc. (Hons.) Botany and B.Sc. (Prog.) Life Science equips the students with in-depth knowledge about the subject and motivates them to face new challenges in the field of plant sciences.

Chemistry Department

Faculty: Dr. Archana Gupta , Prof. Priti Malhotra , Dr. Ritu Gupta , Prof. Darshan Singh, Dr. Hemandra Kumar, Dr. Avneet Kaur, Dr. Arti Jain , Dr. Divya Mathur, Dr. Anamika Debnath, Dr. Manoj Trivedi, Dr. Deepak Kumar, Dr. Preeti Chadha , Dr. Gauri Ahuja , Dr. Anuradha.

Lab Staff: Mr. Raj Kumar, Mrs. Sarla Pandey, Mr. Rajiv Kumar, Mr. Shashi Bhushan Attri , Mr. Bhuvneshwar, Mr. Anoop Singh , Mr. Dinesh Kumar, Mr. Anuj Kumar, Mr. Mishwan Shergill, Mr. Manish Kumar, Mr. Sachin Giri

Highlights: Star Status by the Department of Biotechnology, Government of India | Five Interdisciplinary Navdharma Projects in Nanotechnology, Organic Synthesis, and Environment Remediation | Major Project in collaboration with the Zoology department (CSIR-Aspire funded)

The Chemistry Department provides a holistic learning platform to students pursuing chemical sciences and chemistry-based applied sciences. The students are offered a plethora of opportunities to explore and learn about the fascinating world of atoms and molecules. It makes the students eligible to pursue post-graduation degrees in Chemistry, Analytical Chemistry, Polymer Sciences, Forensic Sciences, Material Sciences, Biotechnology, Bioinformatics, and Nanotechnology along with MBA, MCA, B.Ed. courses, Civil services and other administrative jobs.

The department has highly qualified, dedicated and experienced faculty imparting knowledge and skills to the students. Apart from curriculum learning, the students are constantly motivated towards research and innovations through various research projects, summer schools and internship programmes. The department has well-equipped laboratories for regular practical classes as well as research activities. National and International conferences are regularly organised by the Chemistry Society, "Chemphoria " to spread awareness of novel scientific developments and provide a platform to interact with renowned speakers and researchers for exchanging ideas and establishing collaborations.

Mathematics Department

Faculty: Dr. Seema Khurana, Dr. Poonam Lakhotia, Dr. Jyoti Sharma, Dr. Vikas Dhaka, Dr. Umesh Kumari, Dr. Shelly Verma, Dr. Astha Chauhan, Dr. Virendra Kumar, Ms. Sapna Kumari Meena

Highlights: Prizes(Academics) and Scholarships (for UG and PG): NBHM scholarship and part of INSPIRE Program.

Mathematics is the building block of Artificial Intelligence, as it makes machines learn, predict and make decisions like an intelligent being.

Founded in 1964, the Department of Mathematics is one of excellence. Initially offered as a Discipline subject under the B.A. Programme, the department expanded its academic offerings by introducing the B.Sc. (Honours) in Mathematics in 2006. Today, in alignment with the UGCF-2022 curriculum based on NEP 2020, the department offers B.Sc. (Honours) Mathematics to students from all streams. In addition to the Honours programme, the department provides Mathematics as a Discipline course in the B.A. Programme and as a Generic Elective (GE) for students enrolled in various other programmes. The department also contributes to the holistic development of students through Skill Enhancement Courses (SEC) and Value Addition Courses (VAC) under the UGCF framework. Analytical reasoning, problem-solving and computational skills are the focus of the curriculum using software such as Mathematica, R, LaTeX etc.

The Department Association, "Affine", organizes seminars and interactive sessions by distinguished Academicians, researchers and Alumni. An Annual inter-college fest "Shoonya", serves as a platform for students to showcase their talents through various academic events. In addition to it, the annual newsletter, MathPunch, brings forth the creative talents of students.

Mathematics provides students numerous career paths in Data Science, Artificial Intelligence, Machine Learning, Actuarial Science, Banking and Finance, Research and Academia, which are necessary to survive in this technology-driven world. During the academic session 2025-26, 16 students from the department were enrolled in the 4th year of UG curriculum & enthusiastically did research.

Nurturing a spirit of intellectual curiosity and critical thinking among students, while fostering a desire for innovation, is a prime endeavor of the Department of Mathematics.

Physics Department

Faculty: Prof. Savita Roy (Principal), Dr. Onkar Mangla, Dr. Renu, Dr. Omwati Rana, Dr. Nisha Bala, Dr. Manoj Giri, Dr. Shivani Agarwal, Dr. Manisha Meena, Dr. Neeru Sehdev

Lab Staff: Mr. Dinesh Kumar, Mr. Devinder Kumar Pal, Mr. Santosh Kumar, Mr. Vivek Kashyap, Ms. Premlata, Mr. Anil Kumar

Highlights: Published various research papers in Journals of International repute | Organized Skill Development Programme on 'Designing an Arduino-Powered Motion Detection System' with hands-on experience.

Physics is the most basic of all the natural sciences. It encompasses the study of the universe, from the largest galaxies to the smallest subatomic particles. The Physics Department of Daulat Ram College is 47 years old and has well-equipped laboratories and a well-stocked library.

The Department offers an Honours course in Physics. The course provides an in-depth knowledge of core physics topics and integrates them with mathematics and chemistry. The course is designed to develop analytical, quantitative, and problem-solving skills among students. A physicist can synthesize and analyse large quantities of data and present their analysis in an easily understandable form.

A physics student develops a sense of wonder about how things work, a valuable skill that can be applied in various careers.

Highlights: DBT Star Status: Recognized nationally for excellence in undergraduate science education | Research Grant Success: Home to variety of Navdhara projects involving student-faculty collaboration, alongside two prestigious CSIR-ASPIRE projects | Global Alumni Network: Our alumni are highly successful worldwide, holding positions in various Central and CSIR laboratories, the Indian Administrative Services (IAS), US Federal Services, and leading research teams across international universities | Academic Excellence: Students consistently secure top University ranks and prestigious scholarships, bringing laurels to the college in both academic and extra-curricular arenas. Programs for students during summer and winter breaks with hands-on training.

Established in 1968, the Department of Zoology at Daulat Ram College is a premier hub for biological sciences, recognized with the prestigious Star Status by the Department of Biotechnology (DBT), Government of India. The department offers rigorous undergraduate programmes including B.Sc. (Hons.) Zoology and B.Sc. Life Science.

The fundamental objective of the department is to foster a learning environment that is active, constructive, goal-oriented, investigative, and meaningful, preparing students for exemplary academic and professional careers.

Infrastructure & Special Facilities

The department boasts state-of-the-art infrastructure designed to bridge theoretical knowledge with practical expertise:

- Advanced Laboratories: Spacious, air-conditioned laboratories equipped with LCD projectors.
- Drosophila Resource Centre: A specialized facility where students gain hands-on experience in the basics of Drosophila genetics and research.
- Zoology Museum: A state-of-the-art museum housing a diverse collection of specimens for visual and interactive learning.
- Dedicated Resource Hubs: A departmental library holding an excellent collection of books, independent Reading Rooms, and a dedicated Computer Lab with high-speed internet facilities.

National Service Scheme (NSS) & Swacchta Committee

"What if success was measured by the lives we touch?" Guided by its motto, "Not Me, But You," National Service Scheme (NSS), Daulat Ram College, empowers students to become compassionate leaders and responsible citizens through community service. During 2025–26, volunteers organised environmental campaigns, health and awareness drives, literacy initiatives, donation campaigns, self-defence workshops, and community outreach programmes, transforming empathy into action and inspiring meaningful social change.

The Swachhta Committee

"What if cleanliness became a collective responsibility rather than an individual duty?" The Swachhta Committee, Daulat Ram College, champions this vision by fostering a culture of cleanliness, sustainability, and environmental stewardship. Through campus cleanliness drives, waste segregation, recycling initiatives, composting, and awareness programmes, the Committee inspires students to adopt responsible and eco-conscious practices. Every initiative reflects its commitment to maintaining a cleaner, greener, and more sustainable campus while nurturing socially and environmentally responsible citizens.

National Cadet Corps (NCC)

The National Cadets Corps (NCC) at Daulat Ram College offers stimulating and disciplined adventure to its cadets. We strongly adhere to the motto, "Unity and Discipline". We are a company of 160 cadets. The cadets actively participate in various national camps and competitions, such as the Combined Annual Training Camp (CATC), Advanced Learning Camp (ALC), Thal Sainik Camp (TSC), and Ek Bharat Shreshtha Bharat (EBSB). Cadets also have the opportunity to participate in trekking camps, such as Kanchan Surya Darjeeling, Baghan Sikkim Trek, and Ajmer Trek. In addition to camps, Cadets often receive once-in-a-lifetime opportunities, such as participating in Everest and pre-Everest expeditions.

NCC cadets have made us proud by serving the nation through various awareness drives, donation drives, and seminars aimed at generating awareness on topics such as tree plantation, Swachh Bharat, and road safety. The cadets also participate in online and offline webinars and conferences related to defence and SSB preparation at the same time. We also organise an annual NCC Co-curricular Event– "Buland", which incorporates inter-college competitions. It provides our cadets with an opportunity for healthy competition and allows them to showcase their talents and skills.

Our cadets always strive to become the best version of themselves and continually work to motivate others around them to be an asset, not only in the workplace or family, but also for the country and the world.

National Sports Organisation (NSO)

The National Sports Organisation (NSO), under the Department of Physical Education, Daulat Ram College, University of Delhi, continued to promote sports participation, physical fitness, and holistic development during the academic session 2025–26. Around 900 students participated in various sports and fitness activities under the guidance of experienced coaches.

The Sports Board organized the Fresher's Sports Meet 2025–26 on 15 October 2025, with nearly 300 students competing in athletics and indoor events, including track and field, Table Tennis, and Chess. Winners were awarded medals and certificates.

College athletes achieved remarkable success at the University, State, National, and international levels. Khushi won the Shooting Ball World Cup Championship representing India, while Manu secured third place at the 38th National Games representing Delhi. Students also represented the University of Delhi in Kabaddi and Fencing and performed commendably in Inter-College, State, National, and Khelo India competitions.

To encourage healthy living, the Department organized Cyclothon DRC on 17 January 2026 with the theme "Less Screen Time, More Activity Time." Regular NSO classes and morning coaching sessions in Athletics, Kabaddi, Volleyball, Kho-Kho, Fencing, and Gym/Fitness Training focused on improving students' fitness, skills, and competitive performance.

An expert lecture on "Sports Nutrition, Injury Prevention and Rehabilitation" was conducted on 14 February 2026 by Dr. Suneel Gupta (BPT, MPT Neuro, MIAP), providing valuable insights into sports nutrition, injury prevention, and rehabilitation.

The Department remains committed to fostering sporting excellence while promoting health, discipline, teamwork, and the overall development of students.

A comfortable and well-equipped space for faculty members to relax, collaborate and work efficiently.

RECYCLING UNIT

A dedicated unit for waste segregation and recycling, promoting a cleaner and greener campus.

BOTANICAL GARDEN

A beautiful garden with a wide variety of plants and flowers, fostering nature appreciation and environmental awareness.

GLASS HOUSE

A well-maintained glass house nurturing a diverse collection of plants and promoting sustainable learning.

Library

The college library holds over 1 lakh books on various subjects and interests of its users. The advanced-level software, namely KOHA (Library automation and management system), is used for library management and creating a digital platform for library users. D-space software is also available and is responsible for designing a digital repository, "KOSH". The library offers a range of services to its users, e.g., remote access to library collections and services, an open-access database, access to the Braille Library, Online Public Access Catalogue (Web-OPAC), library statistics, and new arrivals. The library owns its webpage, which contains all the required and significant information and resources useful for library users. Recently, a new software, "KIBO", has been subscribed to audiotize the text into more than 100 languages, including Indian languages. KIBO is designed to serve visually impaired students by providing them with reading materials in audio format, as well as in their desired languages. A new initiative, "Shri Ramalaya" has been initiated by the library to bring the entire literature related to Bhagwan Shri Ram at one place for the interested scholars.

Librarian: Mr. Pawan Tripathi

Daulat Ram College Hostel

The Scholars' Nest

Established in 1974, the Daulat Ram College Hostel is a premier residential facility located within the college campus. It provides accommodation for approximately 200 undergraduate students and serves as a true home away from home, offering a safe, inclusive, and conducive environment for academic and personal growth.

The hostel is equipped with modern amenities to ensure the comfort and well-being of its residents. These include well-furnished, spacious, air-conditioned rooms, a computer room with digital connectivity, a medical room with an attendant nurse, a visitors' room, a gymnasium, an indoor games area, and a dining hall. Additional facilities include a common kitchen, an in-house laundry service, access to the College Student Counselling Centre, and the WUS Health Centre.

To ensure the safety and security of residents, the hostel is equipped with CCTV surveillance and controlled entry to the premises. A dedicated team comprising housekeeping staff, gardeners, supervisors, and security personnel oversees the day-to-day operations and ensures the smooth functioning of all facilities. The hostel management also places great emphasis on providing hygienically prepared and nutritious meals, prioritizing the health and well-being of its residents.

The hostel encourages students to actively participate in extracurricular, cultural, and recreational activities, fostering holistic development, leadership, and a strong sense of community. These activities not only enrich students' college experience but also promote friendship, teamwork, and a spirit of belonging.

Surrounded by beautifully maintained lawns and gardens, the hostel offers a serene and refreshing environment. It also features a kitchen garden and a herbal garden, reflecting its commitment to sustainability and environmental awareness. Over the years, the hostel has been recognized as one of the best-maintained residential facilities among the hostels of the University of Delhi.

The hostel takes pride in its distinguished alumni, many of whom have excelled in diverse fields, including the judiciary, science, administration, academia, and other professions.

Overall, the Daulat Ram College Hostel plays a significant role in enriching students' college life by providing a nurturing, supportive, and vibrant residential environment that promotes academic excellence, personal development, and lifelong friendships.

The hostel will reopen for students in accordance with the University of Delhi Academic Calendar. For the latest updates and important information, students are advised to regularly visit the college website.

Warden : Dr. Vidhi Chaudhary

Note: Hostel admission process will commence from 28th July, 2026 onwards. Registration form link for the same will be available on the college website.

Research Facilities and Laboratories

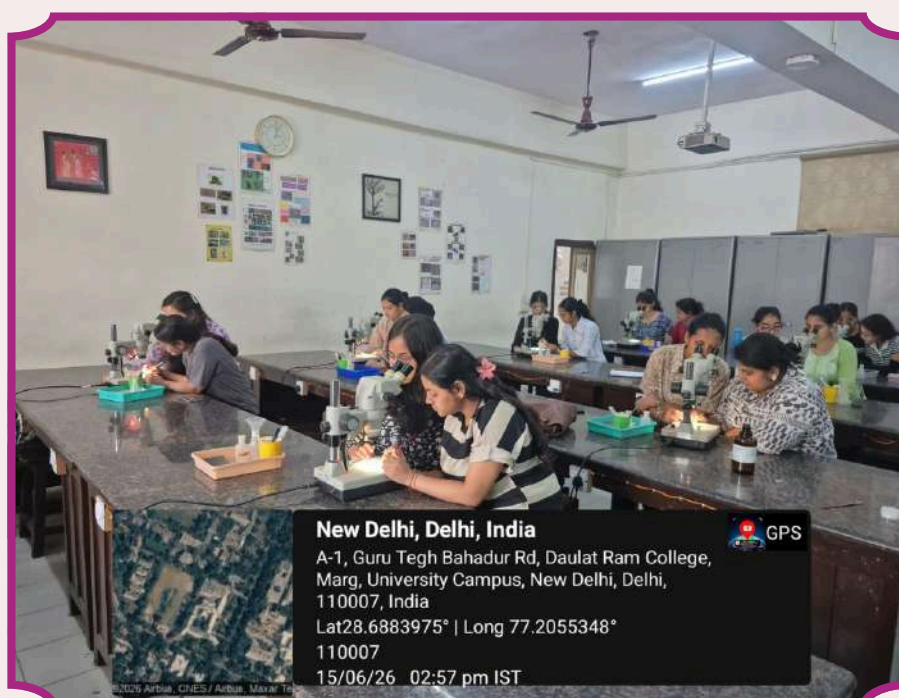

Drosophila Resource Centre, Zoology Department

Since its inception in 2013 the centre has been providing hands-on training to undergraduate students to introduce the students to this interesting insect- *Drosophila*. It is a favourite model organism and is used extensively to study genetics and developmental biology. Students also learn the nuisances of setting up and maintaining stocks in the lab and food preparation. The basic aim of this centre is to provide laboratory exposure to students interested in pursuing research.

The center also provides internships to graduate students who intend to have exposure to experimental laboratories.

Faculty Associated: Dr. Anju Jain, Dr. Madhu, Dr. Sonika Sharma

The Drosophila Resource Centre: Nurturing the Geneticists of Tomorrow Biochemistry Department

Established in 2012 under the aegis of the DBT Star College Project, the Drosophila Resource Centre at Biochemistry Department serves as a premier hub for genetics education. By utilizing *Drosophila melanogaster* as a primary model organism, the Centre bridges the gap between theoretical genetics and hands-on biological research. To date, the DRC has empowered over 500 undergraduate and postgraduate students across various disciplines, fostering a legacy of academic excellence and institutional collaboration.

The Centre has proven its role as a thought leader in pedagogy through two landmark publications:

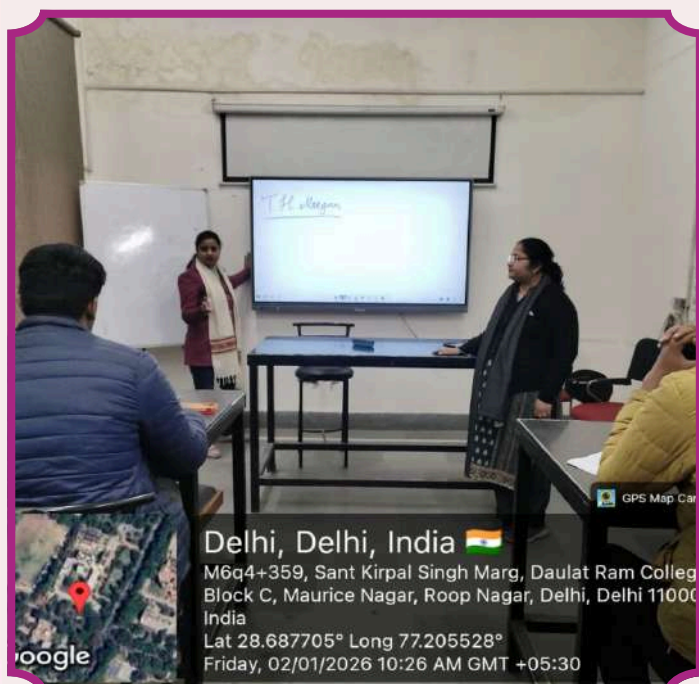

- 'Rediscovering Genetics' (2016): A foundational lab manual now integrated into the suggested readings for Delhi University, AIIMS, and GITAM.
- 'Drosophila and Zebrafish Model Organisms in Biological Research' (2024): A specialized manual designed for Skill Enhancement Courses (SEC), widely adopted by students pursuing the course.

The center acts as a vital resource node, providing essential fly stocks and technical expertise to a network of institutions, including colleges of DU, MDU, Manav Rachna University, and Sanatan Dharm (P.G.) College. Core Competencies imparted are media preparation and culture maintenance, male female differentiation and mutant identification, performing genetic crosses to analyze inheritance patterns, behavioral studies.

Recent Milestones include Russian delegation visit and Drosophila developmental biology workshop conducted for Shaheed Rajguru College IV year students. Community outreach work include visit of students from Alipur village under Ekal foundation and three-Day outreach programme on 'Role of model organisms in research' for students of Sardar Patel Vidhyalaya.

Under the National Education Policy (NEP), a new skill enhancement course on Drosophila and Zebrafish as model organisms in biological studies has been introduced, drawing strong enrollment from students across various streams. To support this initiative, a grant of ₹10 Lakhs was sanctioned in 2024 to establish a dedicated Skill Development Center at Daulat Ram College. The success of the Centre is reflected in the high placement rate of its alumni in prestigious global genetics programs. By adapting to new educational frameworks like the National Education Policy (NEP), the center continues to be a cornerstone of innovation in life sciences. The Centre remains committed to expanding its footprint through collaborative research.

Incharge and Coordinator: Dr. Neeru Dhamija
Centre Co-coordinator: Dr. Anita Goel

Zebrafish Lab Facility

The Zebrafish Lab facility was set up in October 2015, jointly by the Biochemistry department and Zoology department in collaboration with CSIR-IGIB, Mathura Road, Delhi, and Sansriti Foundation Delhi. The facility has been funded by Star Innovation projects DU, Star College project DBT, Govt. of India, and Innovation projects DU. It was developed with the aim of providing an alternative in vivo non-invasive model system for science education, teaching and research. The state-of-the-art temperature and photo-period controlled facility houses an automated re-circulatory fish habitat system, stereo-microscopes, inverted microscope with digital display screen (Evos) and fluorescent microscope (Nikon). Apart from ongoing research projects, the facility provides training in zebrafish model system to faculty and students. Till date ~ 150 faculty members and ~1500 students from various science streams from different Delhi University Colleges have participated in various workshops and training programs conducted by the zebrafish lab facility. Summer internship/ training programs, skill development programs are available to under-graduate and postgraduate students to get hands-on training and research experience. Zebrafish lab facility also serves as a resource center to provide zebrafish and embryos to other colleges/ departments and research institutes to support teaching and lab practicals.

Faculty associated:

Dr. Padmashree Mudgal, Biochemistry Department (Incharge Zebrafish lab Facility, padmashree.m@gmail.com, pmudgal@dr.du.ac.in)

Dr. Chitra Bhasin, Zoology Department (Superannuated)

Dr. Radhika Gupta, Biochemistry Department

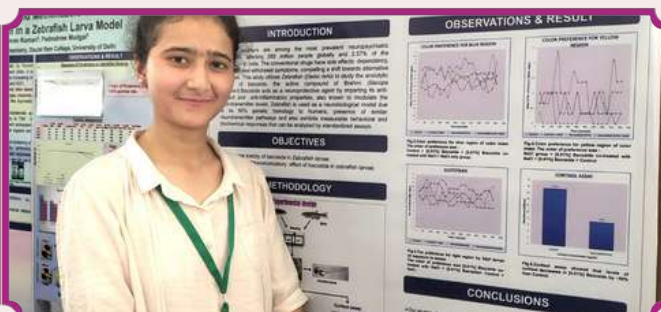

Dr. Anita Garg Mangla, Biochemistry Department

Collaborations: 1. Sansriti Foundation, Delhi; 2. Jamia Hamdard University, Delhi; 3. IIT Delhi; 4. IIT Roorkee; 5. Hindu College, DU.

Ph.D. Guidance:	1
MSc. Dissertation:	10
4th Year Desortion Projects completed (2025-26):	6
Interns (2025-26):	10
Papers Published:	10

Awards:

Award Certificate for Most Significant research outcomes for Innovation Project (2015- 16) DRC: 301: Zebrafish as a Biosensor for assessing Yamuna river water quality in Delhi NCT region.

Plant Tissue Culture Research Facilities

The Department of Botany has a well equipped Tissue Culture Lab maintained for more than two decades. The Tissue Culture Research Lab is mainly used for training the final year students to micropropagate species of elite trees and also for research projects based on micropropagation of rare and medicinally important plants. Teachers and trained Lab staff help to carry out experiments smoothly.

Culture Room with Horizontal Laminar- air-flow cabinet to raise in vitro Plant Tissue Cultures under sterile conditions, Room Thermometer, Hygrometer and Culture Rack Trolleys fitted with fluorescent lights and automatic timer.

Instrument cum Preparation Room with basic equipments like High Precision Digital Balance, pH meters, Orbital Shakers, Hot Plates, BOD, Ultra Centrifuge machines, Double Distillation Unit, Hot Air Oven, Vertical and Horizontal Autoclave, Refrigerator and Deep Freezer, Microtome, Simple, Compound,, Dissection and High Resolution Microscopes with In-built Camera, Inverted Binocular, Separate Wash Area for washing and rinsing of glasswares, Green House Facility with controlled conditions of light, humidity and temperature for establishment of in vitro grown plantlets in soil.

Neuropharmacology, Drug Delivery and Cancer Research Laboratory (NDCRL)

Neuropharmacology drug delivery and cancer research laboratory (NDCRL) at Daulat Ram College, University of Delhi, was established in 2018 to provide research training in cancer biology techniques including animal cell culture, C.elegans culture, cytotoxicity assay, histology, microscopy and molecular analyses. The laboratory provides hands-on research training to undergraduates, post graduates students through internships and dissertation. Currently three registered Ph.D scholars are working on pancreatic and colorectal cancer in this lab. NDCRL also trained students from various National and International Institutions, fostering scientific skills and promoting excellence in Biomedical science research.

CENTRES

Centre for Foreign Languages

International integration arising from the interchange of world news, products, ideas and culture helps in generating interdependence of economic and cultural activities. By offering courses in foreign languages the Centre at DRC aims to equip young women and men to be multilingual.

The college offers part time Certificate/ Diploma/Advance Diploma Courses in Foreign Languages to women and men who wish to develop their skills and fluency in both speaking and writing in a language of their choice. The College offers add-on courses in French, German, Spanish, Italian, Chinese, Japanese and Korean languages.

Advance Diploma Courses are offered only to those who have qualified the Diploma Course in the relevant language and Diploma Courses are open to those who have qualified the Certificate Course in the concerned language. Students who are seeking admissions in Advance Diploma in German/Spanish/French/Italian language and have passed the Certificate/Diploma Course from Institutions other than Delhi University/Gap year cases are required to clear the entrance test conducted by the Department of Germanic and Romance Studies, Delhi University.

All these Certificate, Diploma & Advance Diploma Courses are conducted in collaboration with the Department of Germanic and Romance Studies, Department of South Asian Studies, University of Delhi.

Skill Development Centre in Ornamental Fish Culture

The Aquaculture Laboratory maintains 25 ornamental fish varieties, supporting species-specific husbandry and selective breeding programs. We develop and test balanced feed formulations tailored for lifecycle stages and breeding performance. Facilities include controlled aquaria, water-quality monitoring, and juvenile rearing systems employing modern aquaculture techniques (biofiltration, recirculation, and enrichment). Research focuses on reproductive biology, diet optimization, and disease prevention to enhance survival, coloration, and market quality. The lab provides training, student projects, and outreach to promote sustainable ornamental. It is the skill development centre for ornamental fish culture.

Convenor - Dr. Jyotsna Singh

Skill Development Centre in Drosophila and Zebrafish Model Organism

The Daulat Ram College Skill Development Center in Drosophila and Zebrafish Model Organisms was established in 2023 with a seed grant of ₹10 lakhs from the Skill Enhancement Courses (SEC) Committee, University of Delhi.

Vision and Mission of the Centre:

- Create skill trained pool of students who are future ready to embark on a career path in biomedical research labs, and Pharma and Biotechnology Industry.
- Skill trained in animal husbandry, breeding, handling and application of Drosophila, and zebrafish model organisms as research models.
- Provide research Internship opportunities to students to gain research experience and upgrade skill sets in research methodologies and Data analysis and presentation.
- Develop commercially viable tool kits for Bio-materials and technology transfer.
- To develop and maintain stocks and mutant strains of animal model systems.
- Center would serve as a Central resource center providing technical support, bio-materials, and tool kits to other colleges and institutes to perform advance experiments in Cell Biology, Developmental Biology, Neurobiology, Genetics, Toxicology, Molecular Biology, and Drug Discovery.

Achievements

- Successfully conducting the SEC course under UGCF 2020 since 2023 in every semester.
- Skill trained over 1,000 students from Daulat Ram College and several institutions, including MH, SVC, DBC, SRCASW, NIET (Pharmacy College), Noida, and Manav Rachna International Institute of Research and Studies, in Drosophila and Zebrafish model systems.
- Published the Practical Lab Manual for the SEC Course: Drosophila and Zebrafish Model Organism in Biological Studies (2024), authored by Prof. Padmshree Mudgal, Dr. Neeru Dhamija and Dr. Anita Goel, providing a valuable teaching and learning resource.
- Participated in the University of Delhi Skill, Startup and Entrepreneurship Expo (4–6 October 2024) and received the Potential for Excellence Award.

Faculty and Staff Associated with the Centre

Prof. Padmshree Mudgal (Convenor), Dr. Neeru Dhamija, Dr. Radhika Gupta, Dr. Anita Goel, Dr. Anita Garg Mangla, Mr. Vikas, Mr. Lait, Mr. Chaman, and Mr. Ashish.

Skill Development Centre on Hydroponics and Aeroponics

The Skill Development Centre on Hydroponics & Aeroponics, established by the Department of Botany, provides students with hands-on training in modern soilless cultivation technologies, promoting sustainable agriculture, innovation, and experiential learning. Equipped with Nutrient Film Technique (NFT) systems, vertical grow towers, and grow bags, the Centre offers practical exposure to crop production, nutrient management, growing media, and specialised instrumentation.

The Centre supports the Skill Enhancement Course (SEC) on Hydroponic & Aeroponic Farming, fostering interdisciplinary learning and skill development. Students cultivate crops such as lettuce, tomato, basil, beetroot, zucchini, rocket (arugula), coriander, and parsley using advanced hydroponic systems. Through its focus on sustainability, technology and skill-based education, the Centre equips students with future-ready skills for modern agricultural practices.

Faculty Coordinator: Dr. Vidhi Chaudhary, Assistant Professor, Department of Botany

Medical Diagnostics Skill Development Center

The Medical Diagnostics Skill Development Centre was established in 2025 with a SEED grant from the Skill Enhancement Courses (SEC) Committee, University of Delhi. The Centre aims to develop an industry-ready workforce for careers in Medical and Clinical Diagnostic Laboratories, Biomedical Research Laboratories, and the Pharmaceutical and Biotechnology sectors.

The Centre provides skill-based training in laboratory safety, biosafety, sample collection, processing, preservation, record keeping, and biomedical waste management. Students receive hands-on training in haematological investigations, including RBC count, ESR, PCV, total and differential leukocyte count, absolute eosinophil count, clotting time, and blood group determination. The programme also covers biochemical investigations of disease biomarkers in serum, sputum, and urine samples, along with modern immunodiagnostic techniques such as Rapid Antigen Assays and RT-PCR.

Since its inception, the Centre has been successfully offering the Skill Enhancement Course (SEC) in Medical and Clinical Diagnostics under UGCF-2020, equipping students with technical competencies, practical laboratory skills, and industry exposure for careers in healthcare, research, and biotechnology.

Faculty Associated: Prof. Padmashree Mudgal, Dr. Neeraj Dohare

Technical Staff: Ashish, Chaman, Lalit, Ravi, Vikas.

Centre for Philosophical Counselling, Values and Well-Being

The Centre for Philosophical Counselling, Values and Well-being (CPCVW) was inaugurated on 27 February 2023 by the Department of Philosophy. It is recognised as the first centre of its kind in a college under the University of Delhi and the second in India. Established with the vision of promoting philosophical counselling as an applied and practical discipline, the Centre seeks to foster values, self-reflection, emotional well-being, and holistic personal growth. Philosophical Counselling, also understood as therapeutic counselling as praxis, is an emerging field that offers reflective and value-oriented approaches to addressing contemporary human concerns and enhancing well-being.

Since its inception, the Centre has organised several academic and well-being initiatives, including an Introductory Workshop on Philosophical Counselling (2024), sessions under the Colloquium Series on philosophical and ethical themes (2024), a Research Methodology Workshop (2025), and a One-Day Workshop on "Divine Healing with the Power of Meditation" (2025), promoting reflective inquiry, value-based learning, and holistic well-being.

The Centre proposes to conduct a recruitment drive for the Student Union in the new academic session, tentatively scheduled for August 2026.

Prof. Sonia Mehta

Department of Philosophy

Centre for Legal Literacy, Awareness and Aid

The Centre for Legal Literacy, Awareness and Aid (LLAA), the first-of-its-kind Centre under the University of Delhi, was established to promote legal literacy, constitutional awareness, and access to basic legal knowledge. Located on the first floor of Sadbhavna Bhawan, the Centre engages students and the wider community through workshops, seminars, awareness campaigns, and outreach programmes, fostering informed civic participation.

To promote accessible justice, the Legal Services Clinic was inaugurated on 20 February 2024 along with the installation of the Delhi State Legal Services Authority (DSLISA) Information Board, reflecting DSLISA's motto, "Sewa, Samadhan, Samarpan." The Clinic offers legal guidance, information on government welfare schemes, and free legal aid (Muft Kanooni Sahayta) every Wednesday from 2:00 PM to 4:00 PM for students, teaching and non-teaching staff, and their family members. On 12 November 2025, the Centre launched its flagship series, Voices in Law: A Comprehensive Legal Session Series, with an interactive podcast featuring Hon'ble Dr Justice Swarana Kanta Sharma, Judge, Delhi High Court and distinguished alumna of the College. The event also marked the unveiling of the Centre's official logo, symbolising its motto, "Striving Inclusivity: Unfolding the Blindfold."

In the new academic session, the Centre proposes to conduct a recruitment drive for its Student Union, tentatively scheduled for August 2026.

Psychology Resource Centre

The Psychology Resource Centre (PRC) addresses the psycho-social needs of the students, teachers and non-teaching staff. It enables them to be aware of and effectively manage everyday life issues and stresses which include self-growth and development, handling stress and emotions, relationship issues, academic pressures, constant worry and anxiety. With changing times, human life has become increasingly stressful making it imperative for us to be aware and develop a psychological understanding of themselves and their surroundings. This is achieved by PRC through counseling services, Faculty Development Programs, functions and events that address the mental health and well-being of all stakeholders. The PRC includes: Mental Health Center, Value Engagement Center, Center for Wellbeing and Flourishing and Capacity Building Centre . The PRC provides ample opportunities for students to actively participate in designing research projects, collect data, learn analytical skills to interpret the findings and present them in conferences and research publications. Mental health awareness programs, seminars, workshops are conducted for the students, active engagement with community and personality building and value engagement courses for personal growth and development.

Convenor: Prof. Meetu Khosla

Centre for Happiness

The Centre for Happiness, Daulat Ram College, established in the year 2024, is committed to fostering emotional growth, resilience, mental well-being, and holistic development among students. As a part of this vision during the academic year 2025- 26, the centre organized various workshops on Dance Movement Therapy, Neuroscience of Happiness, Self-Compassion, and Introduction to EEG to promote experiential learning and well-being. The Centre also initiated the Mind Lab, a dedicated interdisciplinary research space exploring the science of happiness and the emerging field of positive psychology, while recruiting student interns to support its research and outreach initiatives.

Coordinator: Dr. Sandhyarani Hawbani

Centre for Indian Knowledge System (IKS)

The Centre of Indian knowledge System (IKS) at Daulat Ram College, established under Ministry of Education, is dedicating to reviving interest in India's glorious legacy of art, architecture, text, sculptures, science and technology. By organizing diverse events, the Centre strives to inspire students to explore and appreciate the richness of Indian tradition.

Key highlights from 2025-2026 include:

- A seminar on "Bharat ke Nirman me Mahila, Yuva aur Vanvasi Samaj ki Bhoomika" on 07 August 2025.
- A Lecture and Poster Making Competition on "Akhand Bharat" warning of the partition horror resolution for an Akhand Bharat: The historical responsibility of Hindu Society on 18 August 2025.
- National Level competitive exam held under BoudhIKS for popularizing IKS among undergraduate and Post graduate students on 31.01.2026

DAULAT RAM COLLEGE
(University of Delhi)

Vidya Bharati Uchcha Shiksha Sansthan (VBUS)

has taken the initiative to conduct an All-India Examination under Bharat BoudhIKS for popularizing IKS among Undergraduate and Postgraduate students across the country. Delhi University is partnering with Bharat BoudhIKS towards the promoting IKS.

Date & Time
Saturday, 31 January 2026, 10:AM

Last Date of Registration: 10th January 2026

Registration Fee: ₹100 per candidate (through college)
Medium: English and Hindi
Duration: 1 Hours (80 Marks MCQs & 20 Marks Descriptive)

Student Awards & Recognition:
1st Prize: ₹1,00,000 2nd Prize: ₹50,000 x 2
3rd Prize: ₹25,000 x 4 Consolation: ₹1,500 x 200
Participation & Merit Certificates (with All India Rank)
We look forward to your active participation in the noble initiative.

NOTE: Books are available in library on Indian knowledge system

School of Open Learning, Department of Distance and Continuing Education

Central Address: School of Open Learning, 5 Cavalry Lines, University of Delhi, Delhi-110007.

The University of Delhi established the Department of Distance and Continuing Education (DDCE), Faculty of Open Learning and Open Learning Development Centre (OLDCE) under the aegis of the Campus of Open Learning/School of Open Learning, University of Delhi in 2022. The DDCE is a consortium of departments/fields of study, such as the Department of Commerce, Department of Economics, Department of Education, Department of English, Department of Environmental Science, Department of History, Department of Hindi, Department of Political Science, Department of Punjabi, Department of Sanskrit and Department of Urdu, Department of Business and Financial Studies, Department of Library and Information Science, Department of Computer Science and Department of Psychology.

Daulat Ram College works as a Regional Centre and offers B.A. Program and B.Com, (Hons.) courses for students who seek to study through Open Learning. Every year the college hosts more than 800 students with more than 40 faculty members to ensure that education is inclusive and available to all under the Right to Education.

SOL website: <https://sol.du.ac.in>

Add-On Courses in Foreign Languages

Daulat Ram College Centre for Foreign Languages offers part time Certificate/ Diploma/Advance Diploma Courses in the following Foreign Languages to those who wish to develop their skills and fluency in both speaking and writing these languages.

1. French
2. German
3. Spanish
4. Italian
5. Chinese
6. Japanese
7. Korean

Advanced Diploma Courses are offered only to those who have qualified the Diploma Course in the relevant language and Diploma Courses are open to those who have qualified the Certificate Course in the concerned language. Students who are seeking admissions in Advance Diploma in German/Spanish/French/Italian language and have passed the Certificate/Diploma Course from Institutions other than Delhi University/Gap year cases are required to clear the entrance test conducted by the Department of Germanic and Romance Studies, Delhi University.

All these Certificate, Diploma & Advance Diploma Courses are conducted in collaboration with the Department of Germanic and Romance Studies, Department of South Asian Studies, University of Delhi.

The college will follow the University calendar in all matters related to academics. The annual examination is held as per the schedule announced by the University of Delhi and the students are required to fulfil all criteria laid down by the respective department.

There are 50 seats in the college. A minimum of 20 students will be deemed to constitute a section to start a course. The college reserves the right to withdraw a course if a sufficient number of students have not applied for it.

In-House Skill Development Programs 2026-27

Daulat Ram College has been a pioneer institution in initiating Skill Development Programs (SDP) for nearly a decade, with the vision of equipping students with practical, vocational, and technical competencies beyond the classroom. The program is designed to foster innovative thinking through multidisciplinary learning, encourage experiential engagement, and provide opportunities for skill upgradation that enhance students' personal and professional growth.

The Skill Development Program 2025-26 was centered on the theme "Building Skills for Sustainable Community Development and Enhancing Employability." The theme reflects the college's commitment to nurturing socially responsible and professionally competent graduates who can contribute meaningfully to community welfare and sustainable development while preparing themselves for diverse career opportunities.

SOCIETIES AND CELLS

Debating Society-DEBSOC

Debating Society of Daulat Ram College has always been a platform for intellectual growth, critical thinking and confident expression. Throughout the year, the society has actively worked to promote healthy discussions, logical reasoning and awareness among students. The major highlights of this society is the Daulat Ram Memorial Debate that provides students a prominent platform to demonstrate their oratory, analytical and critical thinking skills.

Convenor: Dr. Neha Niharika

Instagram: <https://www.instagram.com/debsoc.drc?igsh=MXVwd2o4Zmw3azl4aw==>

Dramatics Society- MEMESIS

Theatre is not just a form of entertainment; it is a platform through which we can discover a world of limitless possibilities, a world where characters come to life right before our eyes, whether it's acting, directing, or designing sets and costumes, theatre provides endless opportunities for artists to hone their skills.

Memesis- The Dramatics Society of Daulat Ram College strives to keep the essence of theatre alive by passing down the art of street and stage theatre. The neela kurta has been our discreet identity, leaving its footprints on almost every nukkad of Delhi-NCR. Memesis is a home within our college as it's a tight-knit community with like-minded people who aim to achieve creative excellence and growth.

The society also organizes its Annual Theatre Festival, Adakari, wherein selected teams perform on the college campus. The event has been created in the spirit of keeping the true message of Nukkad Natak alive, so that the message created for the people reaches the people it is intended for.

Fine Arts Society–SPECTRA

The Fine Arts Society, SPECTRA, of Daulat Ram College is a creative platform that promotes artistic expression, collaboration, and innovation through diverse visual arts activities. The society organizes art walks, exhibitions, competitions, workshops, creative stalls, mural projects, and awareness initiatives, engaging students in meaningful artistic experiences. It has collaborated with institutions such as Delhi University, NSUT 'Canvas', IGDTUW, MCD, Delhi Police Crime Branch (Anti-Narcotics Task Branch), UDAAN, and various national and international platforms, providing students opportunities for creativity, teamwork, and cultural engagement.

Convenor: Dr Violina Borah

Instagram: https://www.instagram.com/spectra_drc?igsh=MTJsOThyN3I2bTVkcg==

Film and Photography Society– MAGIC LANTERN & SEPIA

Magic Lantern & Sepia, the Film and Photography Society at Daulat Ram College, is dedicated to visual storytelling, cinematic expression and the art of seeing. Rooted in creativity and collaboration, the society nurtures budding filmmakers and photographers by providing a platform to explore narratives, experiment with perspectives, and hone technical and artistic skills. Over the past year, numerous events have been organized, each offering opportunities to refine creative skills, collaborate with like-minded individuals, and gain recognition within the DU circuit and beyond. The year has been marked by growth, learning, and artistic exploration.

Convenor: Dr. Piyush Kant

Instagram: <https://www.instagram.com/fps.drc?igsh=MTBicWhjdjcOMjEwZg==>

Indian Dance Society- ANNHAD

The Indian Dance Society of Daulat Ram College, University of Delhi, established in 2014, is one of the renowned societies not only in the Delhi University circuit but also in other Universities. ANNHAD has constantly yearned to promote Indian culture through the art of dance. Society never compromises on the quality of performances and provides all necessary facilities to encourage the students.

A choreographer is appointed annually to train students in various dance forms. Society provides ample time and opportunities to students. Students of Annhad have been representing the college on multiple platforms and have brought laurels for the college.

Convenor: Dr. Meenam Bhatia

Instagram: https://www.instagram.com/annhad_drc/

Indian Music Society- ALAHYAA

Alahyaa is the celebrated music society of DRC, dedicated to promoting Indian classical and contemporary music. Our members have made the college proud by winning at prestigious competitions like IIT Delhi and IIT Kanpur. 'Aaroh' is the annual fest of Alahyaa, which provides a platform for students from various DU colleges to compete and showcase their talent. Join Alahyaa if you want to be part of a vibrant musical journey and contribute to our rich legacy!

Convenor: Prof Seema Rani

Instagram: <https://www.instagram.com/alahyaa.drc/>

Western Music Society- ENCORE

Encore, the Western Music Society of Daulat Ram College, University of Delhi remains committed to fostering musical excellence, encouraging student engagement, and representing the college across inter-collegiate platforms. With a focus on western vocal and instrumental music, Encore provided students with opportunities for performance, competition, collaboration, and structured skill development throughout the year. Activities were planned and executed through phased engagement, beginning with flagship event organisation, followed by competitive participation, orientation, auditions, induction programmes, and performances. Regular coordination meetings, practice sessions, and preparatory workshops ensured continuity and consistency in the society's functioning.

Convenor: Dr.Neha Niharika

Instagram: https://www.instagram.com/encoredrc?igsh=bjBtMDR5bGRsZDhz&utm_source=qr

Western Dance Society- ZENITH

Zenith, the Western Dance Society, Daulat Ram College, University of Delhi was established in 2016 with a vision to create a platform for students passionate about western dance forms. Since its inception, the society has grown exponentially, carving a distinct identity for itself in competitive dance circuit of Daulat Ram College. Drawing inspiration from hip-hop and street dance styles, Zenith is known for its dynamic, high-energy performances that leaves audiences spellbound. The society provided a nurturing environment where budding dancers can explore their potential, refine their skills and showcase their talent across diverse platforms.

Convenor: Dr.Neha Niharika

Instagram: https://www.instagram.com/zenith_drc?igsh=enVpODgzOHF1ajJ3

Quiz Society-TAJAGNA

Tajagna, the Quiz Society of Daulat Ram College, is dedicated to fostering intellectual curiosity, critical thinking, and a vibrant culture of quizzing. The society regularly organizes inter-college and inter-university quizzes in both online and offline modes, providing students with opportunities to showcase their knowledge and analytical skills. Its flagship annual event, HELM (History, Entertainment, Literature and Mythology), attracts enthusiastic participation from institutions across Delhi. Tajagna also organizes UPSC guidance seminars featuring experts and civil servants to mentor aspirants with mock quizzes. More than a quiz society, Tajagna is a community of inquisitive minds committed to nurturing curiosity, excellence, and a lifelong passion for learning.

Fashion Society-DEBONAIR

Debonair, the Fashion Society of Daulat Ram College is a vibrant community of fashion enthusiasts, designers and creatives. Our society aims in fostering creativity, innovation and self-expression through fashion. Society organizes workshops, fashion shows and events to showcase talent and build industry connections. Under the Theme "A Tale of Strength and Survival", it showcased elegance, empowerment and earned accolades across the Delhi University. It bagged 1st position in solo competitions like Aura of Style, Jhalak, Mise-en-scene, and titles including Ms. Très Chic. Group triumphs include 1st positions in Aetheria, Panache, and Noor-e-Couture and 2nd positions in A'la Mode, Style Synergy, and Rouge.

Eco Club- DHARA

DHARA – Eco club is a team of young environmental enthusiasts committed to transforming the campus into a thriving ecosystem by integrating nature-friendly practices into academic life. Dhara engaged students through e- waste collection drives, discussions on youth-led climate action, workshops on paper recycling, resource conservation and community outreach initiatives. A highlight of the year was the Mission LiFE Workshop Series, aligned with the MoEFCC's vision of responsible living. Dhara also participated in Bharat Sustainable Campus Mission 2026, earning Platinum Award for its environmental initiatives and campus practices. Driven by a shared sense of purpose, members continue seeking ways in which small, mindful choices can create a more sustainable campus life.

Live Green, Live Smart!

Gandhi Study Circle

The Gandhi Study Circle of Daulat Ram College is associated with the life, thoughts, philosophy, and values of Mahatma Gandhi. It works to nurture, foster, and enhance Gandhian philosophy, thoughts, and values among students. Along with this, to explore the theoretical aspects, practical aspects, significance of Gandhi's philosophy and whether Gandhi's teachings are relevant in the present time or not, the Circle organizes discussions, lectures, seminars, and workshops based on Gandhi's philosophy. It also screens films centered on Gandhian values. Through these activities, it inspires and encourages students to shape their personality in the light of Gandhian values for the benefit and welfare of society. The objective of the Gandhi Study Circle of Daulat Ram College is to envelop the entire world in the light of Gandhian values and to advance humanity towards humaneness.

Convener: Dr. Jyoti Sharma

Gender Champion Cell- PAHAL

Gender acts as a central metric for how society perceives, recognises and hierarchises individuals and groups. Pahal: The Gender Champion Cell at Daulat Ram College contests pre-existing stereotypes and norms to broaden the conversation around gender and gender rights. Through sustained student and faculty engagement programming, Pahal aims to foster an inclusive, sensitive and equitable gender lens.

Convenor: Prof. Suranjita Ray

Cyber Cell

The Cyber Cell DRC is the premier resource for digital safety and cybersecurity initiatives at Daulat Ram College. Our team of dedicated student experts is committed to providing the college community with the knowledge, skills, and best practices necessary to navigate the online environment with confidence and expertise. Through a comprehensive range of interactive workshops, seminars, and awareness campaigns, we aim to promote a culture of cybersecurity awareness and empower individuals to take an active role in protecting themselves and the college community from cyber threats.

In this regard, the Cyber Cell of Daulat Ram College hosted a diverse range of events covering business, finance, cybersecurity, and technology, offering students valuable insights and career guidance.

Entrepreneurship and Innovation Startup Cell – UDAYAM

Udyam, Entrepreneurship and Innovation: Start-Up Cell (EISC) fosters entrepreneurial thinking, innovation, and leadership among students. Under the Ministry of Education's Innovation Council, it organizes seminars on emerging technologies such as Artificial Intelligence (AI), expert talks, sessions by student entrepreneurs, and visits to incubation centres. The cell also promotes experiential learning through live projects, start-up fairs, and hands-on entrepreneurial activities that help students understand market opportunities, product development, business planning, and start-up growth. Through Daulatnama, students have successfully designed, marketed, and sold products such as soaps, paintings, tote bags, and photo frames without incurring losses. EISC encourages idea generation, problem solving, and business modelling among students.

Enabling Unit

The Enabling Unit of Daulat Ram College, under the aegis of Equal Opportunities Cell, is committed to creating an inclusive, accessible, and supportive learning environment for students with disabilities. The Unit works to ensure that every student receives equal opportunities to participate in academic, cultural, and co-curricular activities without barriers. It collaborates with external organizations to organize skill development programmes, career guidance sessions, and accessibility initiatives. The Unit strives to enable the PWBD students both emotionally and professionally, by conducting workshops, talks, conferences, visits. The visits bring different digital tools and multiple areas of profession available for them in future. The students are made aware of their rights and duties as well. The college also provides a vast array of accessible books in brail and soft copies, which are custom made with the use of KIBO device. Through its dedicated efforts, the Enabling Unit contributes significantly to making the college a more accessible, equitable, and empowering space for all the PWD students.

Convenor: Dr. Pragati Burman

Women Development Cell: PRAGATI

Women's Development Cell (WDC) of Daulat Ram College is a dynamic UGC mandated body dedicated to promoting gender equality, women's rights, and the holistic empowerment of students. Pragati educates and uplift students through a wide range of initiatives including workshops, health and hygiene seminars, awareness drives, self-defense camps, competitions and creative projects like Ehsaas. By creating safe spaces for dialogue and learning, the cell encourages critical thinking, self-expression, and leadership among students, nurturing informed and socially aware women leaders of the future.

North East Cell: PURVASHA

The North- East Cell is more than just a cell—it is a vibrant community within the larger college family. It is a home away from home, a place where diversity is celebrated, friendships flourish, and every student feels valued. Established in 2014 under the directives of the Ministry of Human Resource Development (MHRD) and the University of Delhi, the cell is committed to fostering an inclusive, supportive, and culturally enriching environment for students from the North- Eastern states. Throughout the year, the cell organizes cultural programmes, sports events, and celebrations that showcase the rich heritage, traditions, and diversity of the North- East. The cell is dedicated to ensuring that every student feels welcomed, valued, and fully integrated into campus life while contributing to the multicultural ethos of Daulat Ram College.

The Young Scientists Society (YSS), Daulat Ram College, is a student-driven society that encourages scientific curiosity, learning, and innovation among students. It provides a platform for exploring new developments in science and technology through workshops, seminars, competitions, and interactive activities. YSS aims to inspire critical thinking, research aptitude, and a passion for discovery. As part of its efforts to promote scientific awareness, the society also organized an engaging scientific talk in March 2026 by Dr. Mayank Singh, who shared valuable insights into cancer research and advancements in medical science.

Daulat Ram College Students' Union & Student Advisory Board

The Students' Union is an integral part of college life, acting as a bridge between the student community and the college administration. It is a democratic body elected by the students, for the students, and works to represent their interests, needs, and concerns.

The union is constituted through elections conducted annually for various posts, including President, Vice President, Cultural Secretary, General Secretary, Joint Secretary, Treasurer, and Proctor. Under the supervision of the Student Advisory Board, the Union organizes a wide range of activities throughout the year, including blood donation camps, self-defense workshops, career guidance sessions, awareness campaigns, and social service initiatives. Three of its most popular events are "Freshers Miss DRC", Graduation Dinner and "Manjari, the inter-college annual festival," which involves huge participation from students across different colleges.

The Student's Union also plays a crucial role in addressing student grievances and working with faculty and administration to find practical solutions. It stands as a symbol of youth empowerment and contributes immensely to making the campus life at the college more vibrant, meaningful and memorable.

DRCians Alumnae Association

***"The Success of any Institution can be Measured
by the Contribution made by its Alumnae"***

"The success of any institution can be measured by the contribution made by its alumnae."

The DRCians Alumnae Association serves as a dynamic platform for strengthening lifelong engagement between Daulat Ram College and its alumnae community. Through sustained interaction, professional networking, and institutional collaboration, the Association seeks to foster a shared sense of identity and promote the achievements of both its alumnae and Alma Mater.

The DRCians Alumnae Association website functions as a central space for meaningful exchange and continued connection among generations of DRCians. It encourages alumnae participation through mentorship, networking, professional opportunities, and contributions towards institutional growth. An important feature of the portal is its dedicated Jobs Section, enabling alumnae to share career opportunities and support professional advancement within the community.

The Association currently has 12,236 registered alumnae, reflecting its expanding outreach and enduring institutional bond. The portal also facilitates interaction among batchmates, juniors, and seniors, strengthening the culture, values, and traditions of Daulat Ram College.

As part of its recent initiatives, the Association welcomed its distinguished alumna, Hon'ble Chief Minister of Delhi, Ms. Rekha Gupta, whose visit reaffirmed the enduring relationship between the institution and its graduates. The Association also launched the Global Alumnae Lecture Series: "Roots to Wings," creating a platform for intellectual exchange, global engagement, leadership dialogue, and contemporary discourse.

Join hands in carrying forward the culture, values, and legacy of Daulat Ram College.
