EVENT REPORT (2023-24)

NAME OF THE EVENT: “Seminar on ‘Nocode Future & Beyond” by Ms. Aditi, Ms. Komal, and Ms. Tanya			
DATE	DEPARTMENT	COMMITTEE/SOCIETY	COORDINATOR’S NAME
21st February, 2024	N/A	Udyam- Entrepreneurship and Innovation: Start-up Cell	Chief Patron: Prof. Savita Roy, Principal Convener: Ms. Shikha Singh Co- Convener: Dr. Narendra Kumar
TIME	VENUE	NUMBER OF PARTICIPANTS	NATURE: Outdoor/Indoor; online/offline/hybrid
12:00pm to 1:00 pm	Room 104, Daulat Ram College	70	Offline
FINANCIAL SUPPORT/ ASSISTANCE (if any):			

BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	‘Seminar on ‘Nocode Future & Beyond’
-------------------------------	--------------------------------------

OBJECTIVES	The "Nocode Future & Beyond" seminar was held in collaboration with TryNocode, to ignite a spark of innovation and empowerment among aspiring entrepreneurs and others.
METHODOLOGY	Lecture followed by Q&A Session
INVITED SPEAKERS WITH AFFLIATION DETAILS (IF ANY)	Ms. Aditi, Lead Designer, Ms. Komal, Lead Developer and Ms. Tanya, Project Manager at TRYNOCODE
OUTCOMES	Breaking the coding barrier with No-code: The seminar shattered the illusion that building extensive apps and websites requires traditional coding skills like Java or C++. Instead, it showcased how No-code platforms empower individuals, regardless of technical expertise, to effortlessly create sophisticated digital solutions. By mastering No-code tools, individuals can unlock their creativity and bring their ideas to life without the need for extensive coding knowledge. No-code: A revolution, not just a trend: The seminar underscored that No-code is more than just a passing trend – it's a revolutionary force democratizing access to software development. By empowering individuals to create apps and websites without traditional coding skills, No-code is reshaping the entrepreneurial landscape, fostering creativity, innovation, and inclusivity across diverse fields. Interactive session: Beyond the seminar, a vibrant community of aspiring entrepreneurs and No-code enthusiasts emerged. The interactive Q&A sessions and networking opportunities sparked further exploration and collaboration, laying the groundwork for exciting future endeavors in the No-code field.

EVENT SUMMARY

The "Nocode Future & Beyond" seminar, held on 21st February 2024 at Daulat Ram College in collaboration with TryNocode, ignited a spark of innovation and empowerment among

aspiring entrepreneurs and others. Designed to demystify no-code technology and unlock its potential for individuals lacking technical expertise, the event attracted a diverse audience eager to explore the future of digital creation. Esteemed speakers, Ms. Aditi, Ms. Komal, and Ms. Tanya, each shed light on crucial aspects of no-code development, leaving attendees with a comprehensive understanding and renewed enthusiasm for venturing into the digital world.

Speaker Insights:

Ms. Aditi (Lead Designer): Captivated the audience with her exploration of the synergy between no-code and user-centric design. She emphasized the importance of intuitive interfaces and engaging user experiences, regardless of the development approach. She showcased stunning examples of no-code design, demonstrating its ability to create visually compelling and functionally sound applications.

Ms. Komal (Lead Developer): Delved into the technical aspects of no-code platforms, dispelling the myth that they lack complexity and functionality. Ms. Komal showcased the diverse capabilities of leading no-code solutions, highlighting their ability to build web applications, mobile apps, internal tools, and even complex workflows. Her live demonstrations provided practical insights and reassured attendees of the robust nature of no-code development.

Ms. Tanya (Project Manager): Offered a holistic perspective, guiding the audience through the entire no-code development process. From ideation and planning to deployment and maintenance, Ms. Tanya's presentation provided a roadmap for navigating the no-code ecosystem effectively. She emphasized the importance of project management principles in ensuring successful outcomes, regardless of the chosen development method.

The "Nocode Future & Beyond" seminar effectively demonstrated the significant potential of no-code technology. By providing practical knowledge and insights, the event inspired aspiring entrepreneurs to delve into digital innovation. It is evident that no-code is not merely a passing trend but a powerful tool that expands access to software development, enabling individuals to realize their ideas. Beyond the purely technical aspects, the seminar underscored the critical importance of human-centric design principles in ensuring successful no-code projects. By emphasizing user-centricity and effective project management, the event equipped attendees not only to build functional applications, but also to craft impactful solutions that resonate deeply with their target audiences.
