Éclat – The Economics Association of Daulat Ram College organized the Daulat Ram College Model United Nations (DRCMUN), a two-day conference held on 13th and 14th March 2026 within the college campus. The conference was centered around the theme “Raj Dharma”,

focusing on the idea of duty, governance, and ethical leadership in contemporary times. It aimed to provide students with a platform to engage in meaningful discussions, enhance their public speaking skills, and experience diplomacy in action.

Day 1 (13th March, 2026)

The conference commenced with an opening ceremony, where the Chief Guest, Manoranjan Sharma addressed the audience and shared insightful perspectives on current global and political trends. The address set an engaging and thoughtful tone for the sessions ahead.

Following the ceremony, delegates were directed to their respective committees—UNGA, AIPPM, and International Press (Photography). Each committee was guided by an experienced Executive Board, which ensured that discussions remained structured, informative, and engaging.

The sessions began with moderated caucuses, where delegates formally presented their views, followed by unmoderated caucuses that allowed more open interaction, negotiation, and collaboration among participants. In AIPPM, the proceedings were particularly dynamic, with both public and private sessions that added a realistic dimension to political discussions and decision-making.

Simultaneously, the International Press (Photography) team actively documented the event. The photographers were assigned creative themes such as emotions, framing, monochrome, and storytelling through visuals, capturing the essence of the conference from different perspectives.

The day also included arrangements for high tea and lunch, ensuring that delegates remained comfortable and energized throughout the sessions. The first day concluded on a productive and engaging note, with active participation from all committees.

Day 2 (14th March, 2026)

The second day began with renewed energy as delegates resumed discussions on ongoing agendas and global issues. The debates reflected greater clarity, confidence, and depth, as participants built upon the discussions from the previous day.

Committees focused on forming alliances, resolving disagreements, and moving towards constructive outcomes. The Executive Boards played a crucial role in guiding the flow of debate and maintaining the academic rigor of the conference.

The International Press team continued their coverage, capturing key moments, candid interactions, and impactful scenes that highlighted the spirit of the event.

The conference concluded with a closing ceremony, where delegates who demonstrated exceptional performance were recognized and awarded certificates and cash prizes.

Key Outcomes:

The conference successfully created a platform for intellectual exchange and collaborative learning. Participants enhanced their public speaking, critical thinking, and negotiation skills. It also provided practical exposure to diplomacy, policy-making, and teamwork. Overall, DRCMUN proved to be an enriching and memorable experience for all involved.
