ABOUT THE COLLEGE

DBT Star College

NIRF Rank 26

India Today Rank: Science 7; Commerce 13; Humanities 15

Daulat Ram College is a premier educational institution in Delhi founded by an educationist Late Shri Daulat Ram Gupta in 1960. It is a prestigious women's college engaged in imparting liberal education to women. A large constituent college of the University of Delhi, the college, originally started as Pramila College at 22, Tilak Marg with thirteen members of teaching and two non-teaching staff and about 350 students. In 1964, the college shifted to its present premises in Delhi University north campus and was renamed as Daulat Ram College. The institution has since, grown into a full-fledged extended college of University of Delhi. The college has evolved into a prestigious women's college with its own distinct culture and traditions. It imparts education towards degree at the bachelor's level in Arts, Commerce and Science and Master's level in arts.

The courses in science were introduced in 1968 which led to the construction of the science block and well-equipped science laboratories. The commerce and M.A. courses in many subjects, as well as new courses in B.A. (H) and B.A. (Pass) were added subsequently. Further expansion of the college took place with the introduction of B.Sc. (H) in Biochemistry, Chemistry and Mathematics, in addition to Nutrition and Health Education (NHE) and Office Management and Secretarial Practice (OMSP) and subjects in B.A. (Pass). The college building which was constructed in the 1960s was further expanded to cater to the growing needs of the students. A new block of tutorial rooms, a modern seminar hall, new class rooms and science laboratories for Physics, NHE and Biochemistry were added. Subsequently, computer lab open to all students with internet facility was also added. Currently the college has add-on courses in foreign languages. At present there are 19 departments with about 4200 students on rolls, about 180 teaching staff and 75 non-teaching staff. The college has a well-equipped computerized library, facility for gymnastics, table tennis, athletics and other games and holds leading position both in academics and sports. Recently a well-equipped conference hall with a capacity of 200 students was built.

The college provides hostel facilities with an intake capacity of 200 students. It caters mainly to outstation students. Due to limited number of seats, only meritorious students are selected for admission to the hostel.

The college is proud to have a well-equipped modern auditorium, Sadbhawna Bhawan, with capacity of about 1200 persons.

PRINCIPAL'S REPORT 2021 59th ANNUAL DAY

The academic year 2020–21 was unique in more than one sense. Firstly the college completed 60 years of its existence. It was also the year when the world witnessed the worst pandemic ever faced by mankind. As a result, the students and the teachers were suddenly forced to switch over from the physical mode of teaching-learning to the virtual mode. The education sector saw a revolutionary change when the government announced National Education Policy 2020 which intends to bring far reaching changes in the higher education system. The process of promotion of teachers and non-teaching staff, pending since 2007, was also resumed. The College also undertook sincere efforts to appoint non-teaching staff on vacant positions. Hence, I said that the academic year 2020-21 was a unique year in many ways.

The Covid-19 pandemic, which started in the month of March 2020, continues till date. Amidst the fear of second wave and in view of the guidelines issued by the Government of India, it is not possible to celebrate the annual day in the college. However, I would like to put on record the highlights of the achievements of the college during the year 2020-21. A detailed report of the various activities of the college is given in the subsequent pages of this annual report.

In the current academic year the admission process was completely online. Despite being in Covid pandemic situation, there was huge demand for seats in Daulat Ram College. Students from all over India applied for 18 different courses in the Humanities, Science and Commerce stream. In the session 2020-21 college has admitted 1492 students at undergraduate level and the admission cut-off ranged from 91 to 98.66 percent. 393 students were admitted in the post graduate programmes in seven different subjects. In addition, students had shown great interest in the Centre for Foreign Languages where we have certificate, diploma and advanced diploma courses in seven foreign languages viz Japanese, Korean, Chinese, German, Spanish, French and Italian. These add-on courses are also open to the students other than those of Daulat Ram College. More than 700 students are enrolled in the foreign language courses. Hence the total number of students enrolled for the academic year was over 5500. The increase in the number of students is attributed to the 10% increase on the account of reservation for economically weaker sections as mandated by Government of India. The task was dedicatedly executed by the admission committee headed by Dr Sarita Nanda and Dr Sujata Raju.

Although the year was full of challenges, the college teachers modified their teaching pedagogy and trained themselves to reach their students through online classes. College conducted online training sessions to enable teachers to learn and adapt to the latest in digital technology. Students were given dedicated email IDs to attend their online classes. They were trained to handle ICT tools through a series of webinars with online training sessions so that their online classes were seamless. After a week of training, the teaching learning activities took place through the online mode only. Thus, during the

pandemic, the role of teachers of Daulat Ram College was commendable. The entire process of admission, teaching, internal assessment, practical laboratories, examination and their evaluation and results went online. College teachers compiled and provided all the reading materials to their students. The visually challenged students were provided with recorded reading materials by NSS and faculty members. The university conducted Open Book Examinations and special webinars were conducted to teach them on how to attempt Open Book Examinations.

The students of the college have achieved great heights in both academic and extracurricular activities. Special mention may be made of those who became position holders in Delhi University. Minakshi Verma, Pooja Yadav and Neha Aggarwal of Mathematics (H) II Year secured First Position in the North Campus, Delhi University while Devanshi Thakur of Psychology (Hons) III Year also secured First Position in the North Campus of the University. Besides these, many other students also excelled in their academic performance and brought laurels to the college.

College selects All Round Best Student of the Year taking into account academic performance and involvement in co-curricular and extra-curricular activities. The All Round Best Student of the Year is awarded to Arjita Jhingran, student of Psychology department, third year.

College NCC has done tremendously well during the year. It is a matter of great pride to announce that 15 NCC cadets from the college participated in the PM Rally on the occasion of the Republic Day. Dr. Suparna Jain Thakur, Assistant Professor of Psychology department successfully completed Pre-commission NCC officer's training at OTA Gwalior and was commissioned the rank of Lieutenant on December 14, 2020. On completion of the course, she was awarded 'the Commandant's gold medal for standing first in the order of merit'. Further, she was awarded the 'Best ANO of the Course' trophy and 'the Sharma Cup' for standing first in academics during training.

The Placement Cell of the College, under the guidance of Dr. Kalpana Vaish, offered placement to students in different well-known Indian and global companies which includes Wipro, Deloitte, Byjus, Chegg India, Tresvista, Larsen & Toubro, Fincart, Teach for India, EY GDS, etc. A total of 68 students and 134 students received job offers and internships respectively. The highest CTC offered was 6.4 LPA.

The backbone of any institution is its non-teaching staff. I convey my special thanks to the administrative non-teaching staff without whose constant support we could not have conducted the examination process which included conduct of examinations, evaluation, result and distribution of degrees. The accounts section also continued to work for timely release of salaries, medical bills etc. Best employee award of the year is awarded to Mr. Apurv Singh and Mr. Amit Jamwal.

Since the pandemic is still in air and it is not possible to celebrate the 60th year of establishment of this college, the Annual Day celebration will be rescheduled in the next academic session.

Stay home, stay healthy and stay safe.

Academic Activities

Faculty Development Programme

July 21 - 23, 2020

The Department of Commerce, under the convenorship of Dr Sushma Arora, organised a 3-day e-FDP on *Empowering Teaching-Learning Process using Google Classroom and other ICT Tools: A Comprehensive Practical Approach* from July 21- 23, 2020. The sessions were conducted on the Google Meet platform from 11.00 AM to 1.00 PM each day, and witnessed enthusiastic participation from 130 DRC faculty members. The sessions on all 3 days were conducted by resource persons Dr Bhavya Ahuja Grover and Dr Nikhil Kumar Rajput, serving as Assistant Professors in the Department of Computer Science at Ramanujan College, University of Delhi.

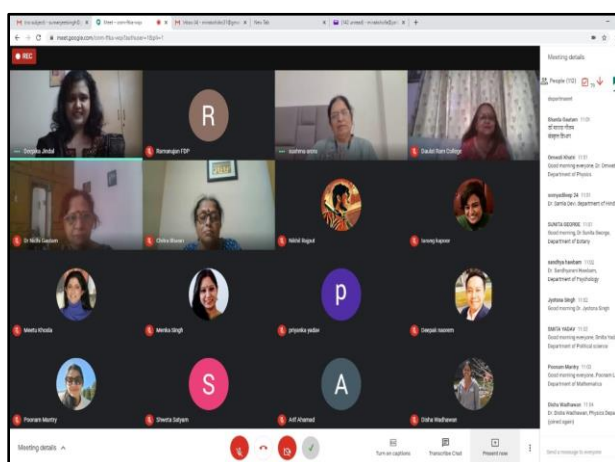

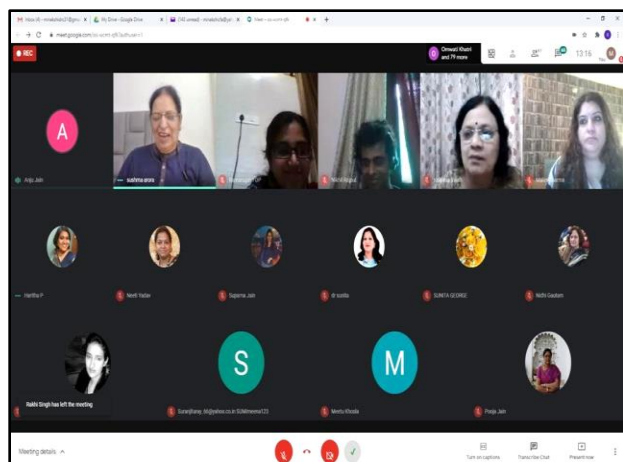

On Day 1, both resource persons meticulously guided the faculty members on ways to utilise the Google Classroom for effective online teaching. The faculty members were provided hands-on training on various aspects of Google Classroom, such as creating a classroom, ways for students to join a Classroom, and the various aspects involved in sharing course materials and assignments through Google Classroom. They also highlighted the useful features accessible in

Google Classroom that are created using a G-Suite account instead of a personal Gmail account. At the end of the session, the faculty members submitted a quiz and an assignment on the topics covered during the day.

On Day 2, Dr Bhavya Ahuja Grover explained additional features in Google Classroom, such as creating rubrics (developing and sharing the criteria on the basis of which assignments are to be evaluated), google comments (a feature that enables teachers to share feedback with students), copying a previously archived classroom and the method to generate a Google Meet link for live online classroom interaction with the students. At the end of the session, the faculty members submitted a quiz and an assignment on the topics covered during the day.

On Day 3, Dr Nikhil Kumar Rajput covered several applications that are useful in effective online teaching, specifically Google Docs, Google Sheets, WikiPages and Digital Signatures. He also guided the faculty members in using the menu options and add-ons in Google Docs and other G-Suite applications. At the end of the session, the faculty members submitted a quiz and an assignment on the topics covered during the day.

Skill Development Programmes (for Students)

To facilitate the digital transition, *In- House Skill Development Programs* were organised in two rounds across all departments under the aegis of the *IQAC* under the convenorship of Dr Pooja V. Anand. The SDPs aimed to train students on different ICT and digital platforms to empower students to attend the online classes with ease and confidence. It was an attempt to help students handle the new digital platforms in the absence of physical classes during the Pandemic.

e-SDP I - Enhancing Learning Through ICT Tools

Participating Students: II and III years

Date: August 17 -19, 2020

The programs were designed to provide hands-on exposure to the students regarding creation & submission of assignments and evaluation and other subject specific software.

Objectives:

- To enable and facilitate transition of students from physical modalities of learning to the virtual platforms of G -Suite like Classroom, Docs, Sheets, Microsoft teams etc.
- To enhance the scope of discipline specific online resources

- To familiarize students primarily with the online teaching-learning platforms such as Google Classroom and Google Meet.

e-SDP II – Enhancing Learning Through ICT Tools

Participating Students - I year

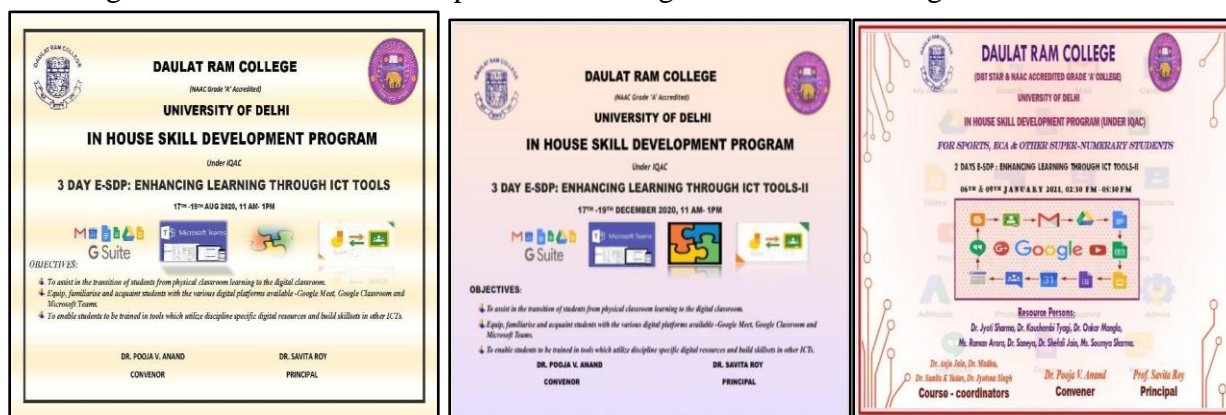

Date: December 17-19, 2020

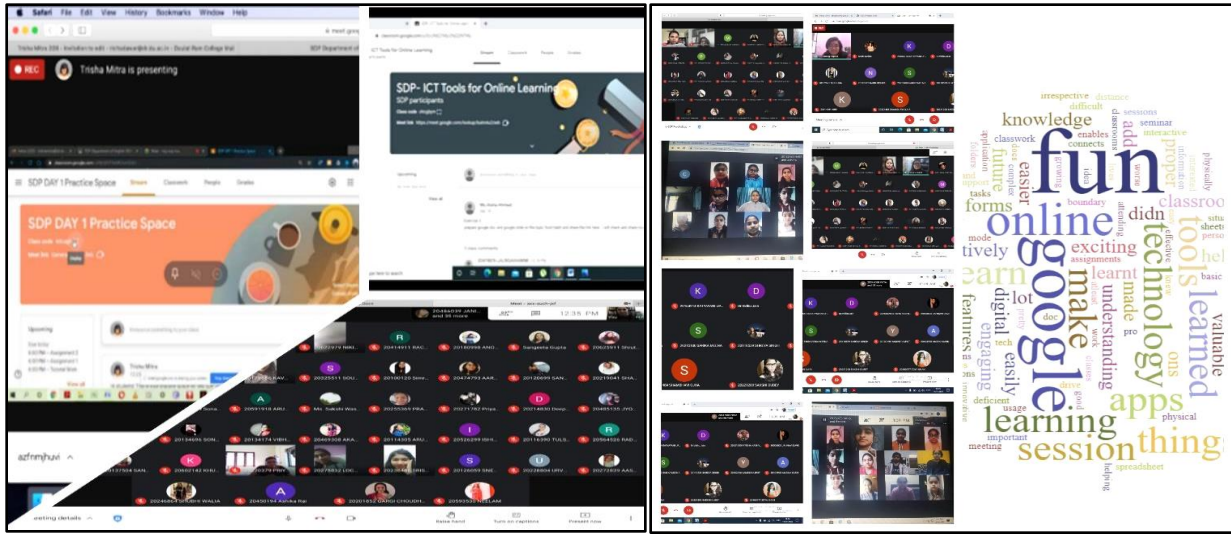

The second In-house E-SDP on *Enhancing Learning Through ICT Tools* was successfully organized by the various departments of the College from December 17 - 19, 2020 for the students of First year who joined the college. The main objective was to make freshers comfortable with online ICT tools that are required every day for better learning and for the effective communication between teachers and students. The programs were scheduled across three days to provide utmost exposure to the various technologies without being overwhelming in a phased manner learning with hands on exercises and familiarisation with discipline specific software and digital resources.

Learning Outcomes:

- Manifest through assessment and feedback forms which were shared by each department and compiled into two reports.
- The dominant feedback elicited was positive.
- The programs helped connect and orient the new students as well as second and third year students for whom this has been a huge transition.

The success of this initiative under the able guidance and foresight of our respected Principal, Dr Savita Roy reflects the resilience, grit and motivation of the college and shows that with unflinching determination and hope even the greatest of challenges can be overcome.

ACTIVITIES OF DEPARTMENTS/ASSOCIATIONS

B.A. Programme- *ELICIT*

Convenor: Dr Sonia Mehta

ELICIT (B. A. Programme Committee) comprises of different discipline combinations which provide a multidisciplinary platform and perspective to the students. 208 seats were duly filled across combinations in the admissions process. A series of Orientation Programmes were initiated under the various Discipline combinations. These Orientations were conducted online using G-Suite where students from various parts of the country and Faculty from various disciplines were connected through the digital platform.

The first Orientation program was the Two-Day E-Orientation Programme for GE Courses, held on August 18-19, 2020 for the students of Third year of B.A. (Prog) and B. Com. (Prog). The aim of this programme was to acquaint the students with the variety of Generic Elective papers which the college offers under CBCS. The students of IIIrd year were apprised of various General Electives being floated which enabled them to make an informed decision. On day one of the programme, B.A. (Prog) students were addressed by faculty from 11 departments, and on day two, B. Com. (Prog) students were addressed by faculty from 10 departments of the college. The presentations provided the students a clear knowledge of the scope, applications and requirements for each paper informing them of the myriad possibilities that the study of various subjects open up for them. At the end of presentations, students were encouraged to ask their queries in the online link provided for the purpose and their doubts were clarified promptly by the faculty members. The programme was attended by 315 students of the college.

Another E-Orientation Program for the newly admitted students of B.A. Program for all nine combinations was conducted on November 19, 2020 through G-Suite. All students joined using their College IDs. The first year students across the combination were warmly welcomed to Daulat Ram College. They were taken through the various salient aspects of Daulat Ram College, which is a NAAC 'A' accredited College situated in the North Campus of Delhi University. The vibrant college life, including both academics as well as extracurricular activities, was presented. The various forums of student engagement and activities like the NSS, NCC, Sports etc were mentioned as well as the rich student societies of Dance, Music, Quiz, Debate, Theatre etc.

The Course Structure of the B.A. Programme was presented along with the Discipline Core Papers, AECC and Language papers to be undertaken during Semester I. They were told about the marking scheme of the papers and Internal Assessment. A brief sampler of google classroom was also shown so that students could be assured about the smooth digital mode where classes are already being undertaken for seniors. The students were made aware of the *ELICIT*. Being conducted in small discipline specific groups, queries and concerns raised were also addressed. The sessions ended on a congratulatory note where students were encouraged to be timely and punctual in attending the digital mode.

Biochemistry

Association In-charge: Dr. Padmshree Mudgal

The Biochemistry Association's inaugural lecture was organised on November 25, 2020. We were very fortunate to have with us Dr Debojyoti Chakraborty and his team who have been pioneers in indigenously developing CRISPR based COVID-19 detection kit which is now popularly known as Feluda. Dr Chakraborty is a senior scientist at CSIR-IGIB, New Delhi. He has been the recipient of CSIR Young Scientist Award [2020], Merck Young Scientist Award

[2019] and Lady Tata Young Investigator Award [2019] in recent years. His team Member Dr Sneha Gulati has been an active member of his group in developing the covid19 detection kit. Dr Chakraborty first introduced the CRISPR methodology and its importance in today's time. Dr Sneha Gulati followed up by presenting the utilization of CRISPR methodology in developing the Feluda based diagnostic kit for COVID-19 detection. They are now developing the home-based kit for this infectious disease. Question and answer session followed the talk. About 100 people registered for the talk out of which 69% were students and 31% were faculty members of various colleges. Most of the participants suggested that the webinar was very informative and they would want to have more of such lectures on COVID-19.

The Biochemistry department annual festival BIOMANIA 2020-21 was held on February 13, 2021 over zoom meet. In our effort to sensitize the students towards important environmental and sustainability issues facing the world today, the Biochemistry department organized an intra college contest: "The Innovation Challenge: Create a better future" under the convenorship of Dr Padmshree Mudgal and Dr Leena Vig. Student teams were invited to submit write-ups proposing innovative ideas for solutions to different areas of sustainable development viz., Disease prevention & Health Care, Human potential Development, Resource Conservation, Business plan and Product development, Environment Protection, Waste utilization and

value addition. Five best teams were selected for presenting their ideas in front of invited judges. Shri Nimish Kapoor, Scientist-E, Vigyan Prasara and Mr. Ishteyaque Ahmad from Greenpeace organization were our esteemed judges for the student contest. Best three teams were awarded prizes. As a part of this program, we had an engrossing talk on sustainable agriculture by Mr. Ishteyaque Ahmad. The participating student teams showed keen interest and presented their innovative ideas with much appreciated confidence and enthusiasm. In addition to valuable feedback given to each student team by our judges, recommendations for further perusal of their interesting ideas were also shared. Further avenues and opportunities offered by Vigyan Prasara for spreading science to society were also shared which was exciting for students and faculty alike. There was a total of 44 participants in the Biomania contest. About 60 people attended the Biomania 2020-21 event out of which ten were faculty.

B. Sc. Life Science - *Astitva*

Association-in-charge: Madhu, Sunita Yadav and Jyotsna Singh

Astitva started its activities for the academic year 2020-2021 with an online In-House Skill Development Workshop on Enhancing Learning through ICT Tools on August 19, 2020. Objective of this workshop was to make students aware about ICT tools. As in this pandemic period teaching was going to be in online mode only. We had 98 participants from B.Sc. life Science. Resource persons were teachers from Zoology and Chemistry departments. All the participants were given participation certificates on successful completion of the workshop.

Life Science Association held its Union Election on September 5, 2020.

President: Ms. Riya Parashar (Third year)

Vice President: Ms. Vanshika Arora (Second year)

General Secretary: Ms. Saloni Yadav (Second year)

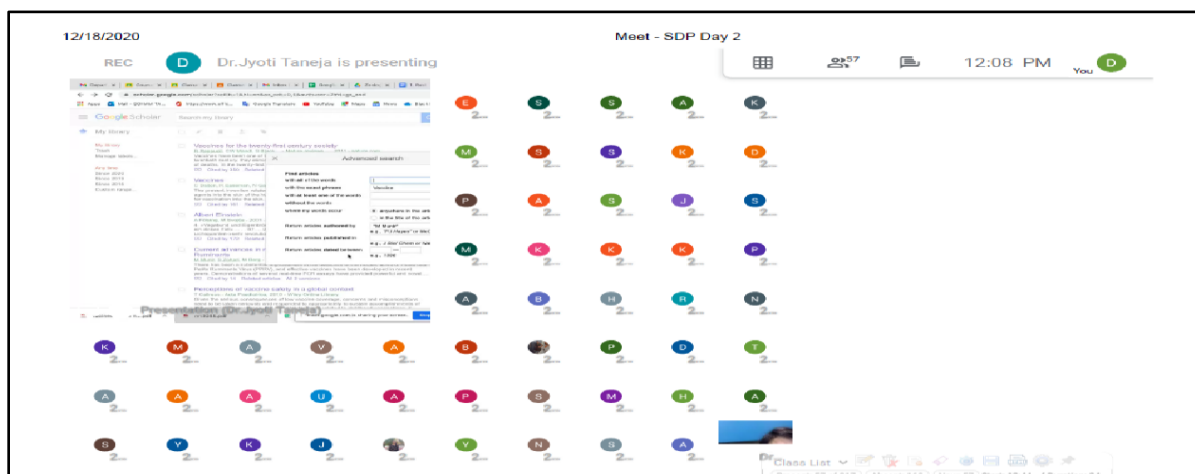

On November 18, 2020, an online Orientation Programme was organised to welcome first year students of B.Sc. Life Science through Google Meet. They were welcomed by teachers of Zoology, Botany and Chemistry Department and by all their seniors. Teachers introduced their departments and the President of Association made them aware about the different societies and activities of the college.

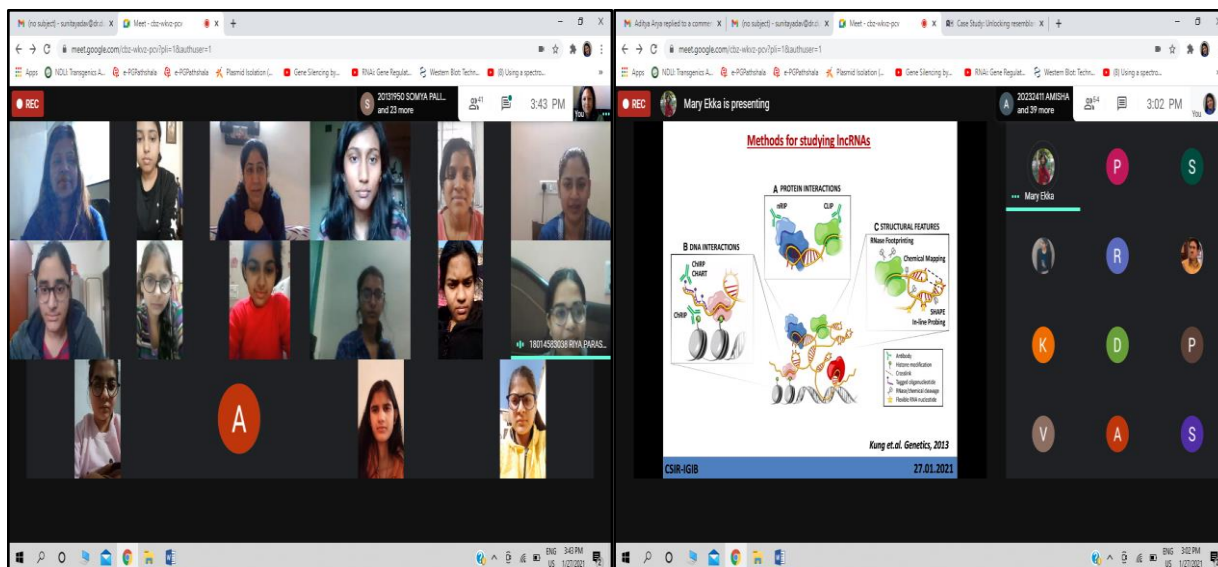

The departmental election to elect the first year representatives was held on January 11, 2021.

Treasurer: Ms. Shramana Guchhait

For the first year students, another three-day online In-House Skill Development Workshop on Enhancing E-Learning Through ICT Tools was organized from December 17, 2020 to December 19, 2020. Teachers from Zoology and Chemistry departments acted as Resource persons. First year students showed lots of enthusiasm in learning these tools. 56 students participated; their endeavour was appreciated by giving participation certificates.

The inaugural lecture for this academic session was organised on January 27, 2021. On this occasion, Dr Marry K. Ekka, scientist at CSIR-IGIB was invited to give a lecture on “The Wonderful World of Non-coding RNAs”. She is a young scientist and eminent speaker. She talked about the different kinds of non-coding RNA and their significance. Her session was quite interactive and would have definitely added some knowledge to the young minds. This lecture being organized on Google meet was attended by more than 90 students.

A quiz competition on Indian Constitution was held on January 31, 2021 on Quizizz App.

Commerce - *Commercia*

Association-in-charge B. Com(H): Meeta Mathur

Association-in-charge B. Com (P): Sushma Arora

The department celebrated its annual festival every year, with a vision to provide insight to young and dynamic commerce enthusiasts about the corporate world. It celebrated its annual fest COMVISION'2020, with the theme 'Trade in Vogue: Innovation and Evolution' on March 2, 2020 with zeal and enthusiasm with exciting events and intercollege competitions. The event was inaugurated by the Chief Guest for the day, Dr Rakesh Mohan Joshi (Professor and Chairperson of Indian Institute of Foreign Trade) along with Guest of Honour, Ms. Bharti Taneja and Dr Savita Roy, Principal. The dignitaries enlightened the students about the trends in Trade day and shared their experience about the business world.

The new academic session 2020-21 commenced with the e-Election of the B.Com Student Union on September 22, 2020.

President: Anuradha Jaiswal (Third year)

Vice president: Awnija Dwivedi (Second year)

Treasurer: Kajal Kardong (Third year)

General Secretary: Shreyanshi Jaiswal (Second year)

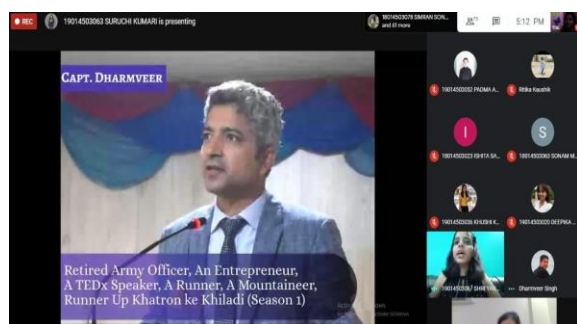

Cultural Secretary: Anupreet (First year)

On October 24, 2020, *Commercia* organized the first session of *Commisodes* featuring Capt. Dharamveer Singh as Guest Speaker. The speaker also told students very valuable life lessons. One of them was “*it is important to know what you want to do, but it is more important to know what you don't want to do in life.*”

The second Episode of *Commisodes* was held on November 11, 2020 with the Guest Speaker, Sri Harsa. He explained the entire working of share markets from BSE to Brokerage, from NIFTY to SENSEX. Department of Commerce, organized an orientation programme for the newly admitted B. Com and B. Com (Hons) students at Google Meet, virtual platform on November 18, 2020. A brief description of the department, Faculties, Alumni, Course offered by Department, Time-Table, Internal Assessment was given through presentation. The students were acquainted with the opportunities they will be receiving after joining the Commerce Association and various Cells.

‘Campus to Corporate’, was conducted on November 21, 2020 with the motive to introduce students to the placement procedure and making them familiar with the decorum of interviews. Three promising alumni of the Commerce Department, Nidhi Mehta, Sana Dahiya, Sakshi Bhalla were invited as Guest Speakers. Nidhi Mehta addressed the pattern of CAT examination and career growth in IIM, whereas Sana Dahiya used the platform to guide students to focus on soft skills, non-verbal communication skills and team work. Sakshi Bhalla focused on how to present oneself in the interviews.

The Association started its new year by organizing an interdepartmental E- LOGO Designing Competition which witnessed an overwhelming number of participants (38 entries).

Economics- *ÉCLAT*

Association In-charge: Aisha Ahmed

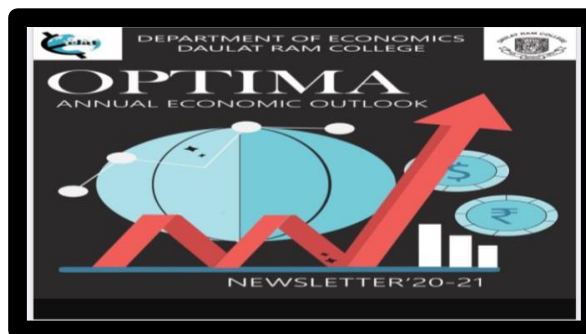

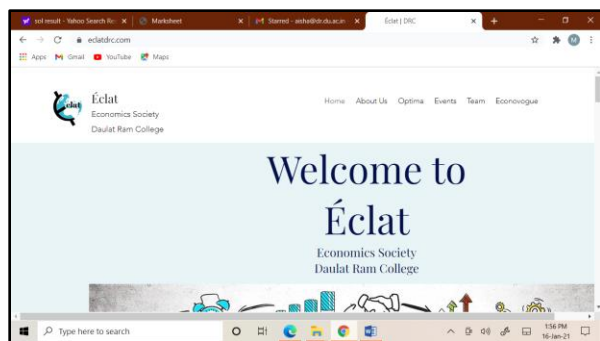

On October 1, 2020, *Éclat* initiated a National Article Writing competition open for academic writing enthusiasts all around the country. This being the first of such competitions organized by the newly formed student union, members spent weeks in the throes of meticulous planning and organization. Multiple entries were received from across the nation. After evaluation, the top three articles were announced as follows:

First position: Deshna Jain, Economics of Crime beyond law and order

Second position: Lavina Garodia, Economics and healthcare: The imminent shift of developmental priorities post covid 19.

Third position: Vasudha Upreti: Economic effects of stimulus package in MSMEs.

Éclat worked very hard on creating its own web page for wider Reach. Web Page launched on the eve of the annual youth conference *Mutasir* (October 26, 2020). It enumerates all the activities as well as upcoming events of the department. Students can register Online. You can reach out *Eclat's* webpage through <https://www.eclatdrc.com/>

The Optima newsletter, keeping to scholarly tradition, includes intellectual pieces of literature contributed by the students and faculty members alike. The Newsletter is aptly themed 'Economics and COVID-19' as its articles include those discussing effects of the pandemic on the economy, on the environment and various other socio-political issues.

Dr. Viral V. Acharya
 INDIAN ECONOMIST
 FORMER DEPUTY GOVERNOR
 RESERVE BANK OF INDIA

He also served as a member of the advisory council of the RBI Academy and was a member of the Academic Council of the National Institute of Securities Market, Securities and Exchange Board of India since 2014. He drew banking sector reforms, brought to system by his regulatory leakages and block escape routes used by unscrupulous corporates.

On October 26, 2020, *Éclat* threw open the virtual gates to its annual youth conference, *Mutasir*. Two eminent personalities Dr Krishnamurthy Subramanian, the Chief Economic Advisor of the Government of India and Dr Viral Acharya, the former Deputy Governor of The Reserve Bank of India were the speaker at the event.

Given the professional accomplishments of the guest speakers, the conference was set to promise rigorous intellectual discourse. The guests and faculty members launched the upgraded webpage of *Éclat*. The Editor-In-Chief of *Optima*, the annual economics magazine of *Éclat*, introduced this year's e-newsletter, aptly themed 'Economics and COVID-19'. In his talk, Dr Acharya furthered some ideas that he has elucidated in his book *Quest for Restoring Financial Stability in India*. Dr Krishnamurthy Subramanian gave an eye-opening and distinct perspective on the Government of India's economic reforms during COVID-19.

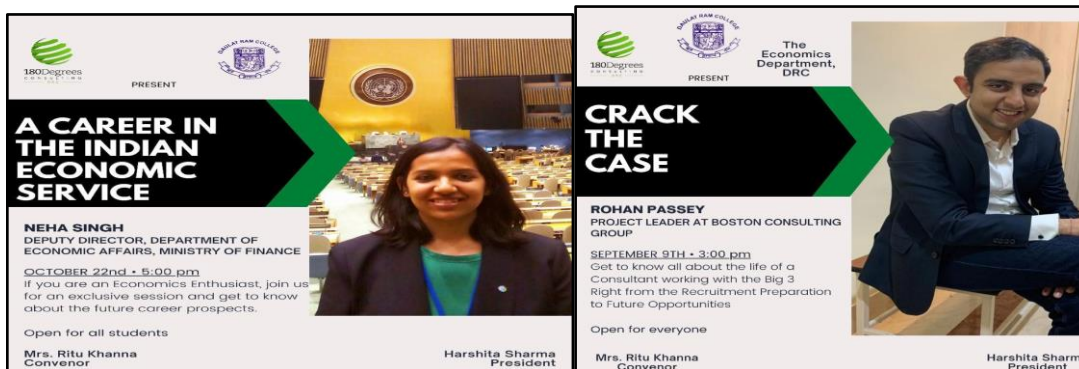

On January 20, 2021, *Éclat* organised its virtual Fresher's meet.

English - *Literati*

Association In-charge: Sangeeta Gupta

Co-Convenor: Shivali Sharma and Violina Borah

Braving unprecedented times and challenging conditions, the department adapted and persevered to provide our students with a rich and memorable academic year. Our bright and accommodating students transitioned almost flawlessly to the online format of academic engagement that was introduced in March 2020 and there has been no looking back since.

Literati, the English Literary Association, held its first virtual elections for the session 2020-21 on January 13, 2021.

President: Surbhi Pandey (Third year)

Vice-President: Mahek Dhankar (Second year)

Cultural Secretary: Himanshi (Second year)

Joint Secretary: Ms. Ishita and Nandini Rawat (First year)

Weeks before the lockdown, on January 29, 2020, our third year students along with some of the faculty members, visited the Shri Ram Centre for a production of “Doll’s House” and a reading of “Ghosts”, both plays by the Norwegian playwright Henrik Ibsen. The students also met the ambassador of Norway during this visit. A few third year students enjoyed a supervised visit to the India Habitat Centre on February 16, 2020, for a production of “*The Good Person of Szechwan*” by Pandies Theatre, based on Bertolt Brecht’s famous work.

Literati organized a series of webinars through the months of August and September 2020. On August 19, 2020, the department hosted a talk on “Reading Graphic Narrative. Comics and /as Literature” by Laxmi Menon, Assistant Professor, VTM NSS College, Kerala. It was an engaging session where she discussed comics as a hybrid form of literature, including symbols and index.

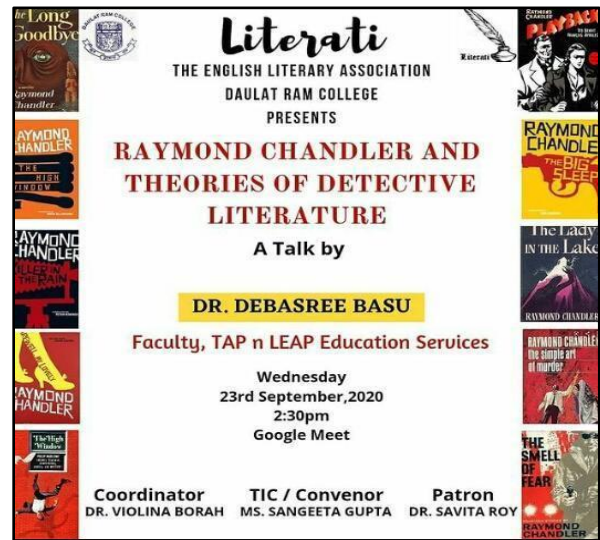

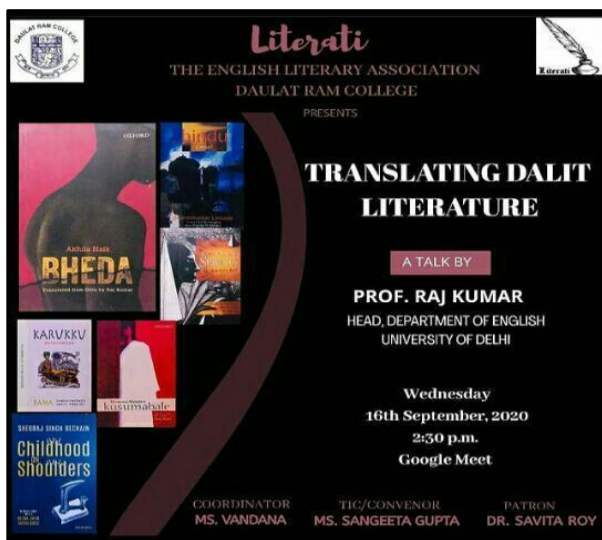

Dr Kaustav Bakshi delved into the themes of Shyam Selvadurai’s *Funny Boy* in the webinar “Funny Boy: Queer Without Being Labelled” , held on August 26, 2020. He explored topics of displacement and homoerotic spaces, along with the term 'Queer' and its history.

The talk on “Politics of Caste and the Affects of Graphic art on *Bhimayana*” was delivered by Dr Kalyan Kumar on September 2, 2020. The lecture focused on the impact of caste in contemporary society, the performative practices and ideas to invoke a sense of acceptance and renewal from our unaware entities.

In his talk on “The Jazz Age and The Question of Race” on September 9, 2020, Dr Ved Prakash gave a presentation on the Jazz Age and racial identities. He also shed light on topics like the subculture of violence, racism, mob injustice and Jim Crow laws.

In his talk on “Translating Dalit Literature” held on September 16, 2020, Professor Raj Kumar discussed the need to educate ourselves about issues related to translation. It was an enlightening session on Dalit literature and the nuances of translation.

On September 23, 2020, Dr Debasree Basu gave a talk on “Raymond Chandler and Theories of Detective Literature” where she discussed how Raymond Chandler started writing and how with time, he was greatly admired in the world of detective literature.

Dr Sami Ahmed Khan in his lecture titled “SF- 101: Surveying Indian Science Fiction” discussed and classified genre fiction and literary fiction, and at the same time highlighted the dangers of rigid categorizations and the need for fluidity in textual or theoretical analysis. The session was held on September 30, 2020, and was very informative, lively, and rightfully deconstructed myths surrounding Science Fiction.

Professor K.G. Suresh honoured us with his presence and delivered a lecture titled “Media: Challenges and Opportunities in Contemporary India” on October 7, 2020. With engaging ideas throughout the talk, Prof. Suresh made the audience reflect upon the media in its different dimensions. This session was very enlightening and enriching for our students.

Literati organized a talk on “Exploring Femininities and Masculinities in African American Literature” by Dr Debashree Sinha, Assistant Professor, Department of English at Amity University, on September 8, 2020. Dr Sinha discussed this topic while referring to Alice Walker’s *The Color Purple*. This diverse and engaging lecture series came to an end with this talk.

An Orientation Day for 1st year BA (H) English students was held on November 18, 2020, where our 1st year students were welcomed by the Teacher-in-Charge Ms. Sangeeta Gupta and introduced to the BA English Honours course. Then Dr Violina Borah, co-convenor of *Literati*, introduced them with the English Literary Society. All the teachers of the department introduced themselves and welcomed the newcomers. The Orientation ended with the students expressing how happy and reassured they felt after the session.

The In-House Skill Development Program (SDP) was organized for all the students of the department on August 17-19, 2020 (2nd and 3rd year students) and December 17-19, 2020 (1st year students) to familiarize the students with the online learning platforms and other ICT tools. The resource persons for the program were faculty members Ms. Trisha Mitra and Ms. Richa Dawar. The SDPs witnessed enthusiastic participation by students and overwhelmingly positive feedback.

The English Literary Association organised a talk on “Re-Visiting the *Iliad*: Mythical and Critical Reading of the Hero Figure” by Deeptanghsu Das, Assistant Professor, Department of English at the Dibrugarh University, on February 10, 2021. The talk focused on a re-reading of Homer’s *Iliad*.

A virtual Fresher’s Welcome was organized for the new batch of 2020-23 on February 11, 2021. The theme for the same was “Fictional Characters/Actors” which led to an amazing display of creativity and talent by the first year students.

The talk on “Historiophoty of Partition: Considering Films” by Prof. Nikhila H, Department of Film Studies at the English and Foreign Languages University, was held on February 17, 2021. The talk focused on movies revolving around the Partition of the Indian subcontinent. She talked about the violence of the Partition, especially violence encountered by women.

On February 24, 2021, the first part of the “Academic Reading and Writing” workshop was held, as part of the Study Circle activities, for first year students. The workshop was conducted by Ms. Sakshi Wason, Assistant Professor, Department of English. It was attended by 72 students. The second part of the workshop is planned for the upcoming month. The workshop aimed at introducing students to the conventions of academic reading and writing, the MLA referencing style, aspects of summarising and paraphrasing and gave students tips regarding how plagiarism can be avoided.

The aim of e-SDP was to familiarize the students with essential platforms for e-learning in ongoing COVID times. Students were trained in internet tools like, G-Suite and its features, like, google meet, google drive, google forms, google docs, google classroom and others. Also, the hand on training enhanced their accessibility of e-resources like, creative commons, e- courses, e-lectures, journal articles, e-books and others. The Student Development Program was an intra-college event attended by 109 students.

The Department under the aegis of IQAC, organized an International Webinar on “Relevance of Indian Philosophy to Contemporary Western Philosophy” by Dr J. L. Shaw, Victoria University of Wellington, New Zealand on September 30, 2020 via Google Meet platform. The Inaugural Address for the International Webinar was delivered by H.E. Mr. Muktesh K. Pardeshi, High Commissioner of India in New Zealand. The webinar was streamed live via YouTube. Dr Shaw analyzed a wide range of issues, which have been debated and discussed in western analytic philosophy over the years without any convincing resolution. In this webinar Dr J.L. Shaw put forth solutions to those problems by taking recourse to Navya-Nyaya school of Indian philosophy. He concluded the lecture with a discussion of Swami Vivekananda’s spiritual universalism. The International Webinar received an overwhelming response with the participation of more than 1000 faculty members, research scholars and students from across the world.

The Department under the aegis of IQAC, organized a National Webinar on “Quest for Happiness: Insights from Upanishads” by distinguished speaker Swami Atmashraddhananda ji, Secretary, Ramakrishna Mission, Kanpur on 5th October via Google Meet platform. In these stressful COVID times, ancient wisdom contained in Upanishads, made the listeners undertake a journey of inner happiness to realize the true nature of our being. Swamiji took an in-depth exploration of the quintessential question – ‘WHO AM I?’ and explained that happiness or bliss is man’s innate quality and that it is not accrued from outside one’s own self. The National

Webinar was inter-college event and was attended by more than 200 participants including faculty members, research scholars and students from many colleges of University of Delhi.

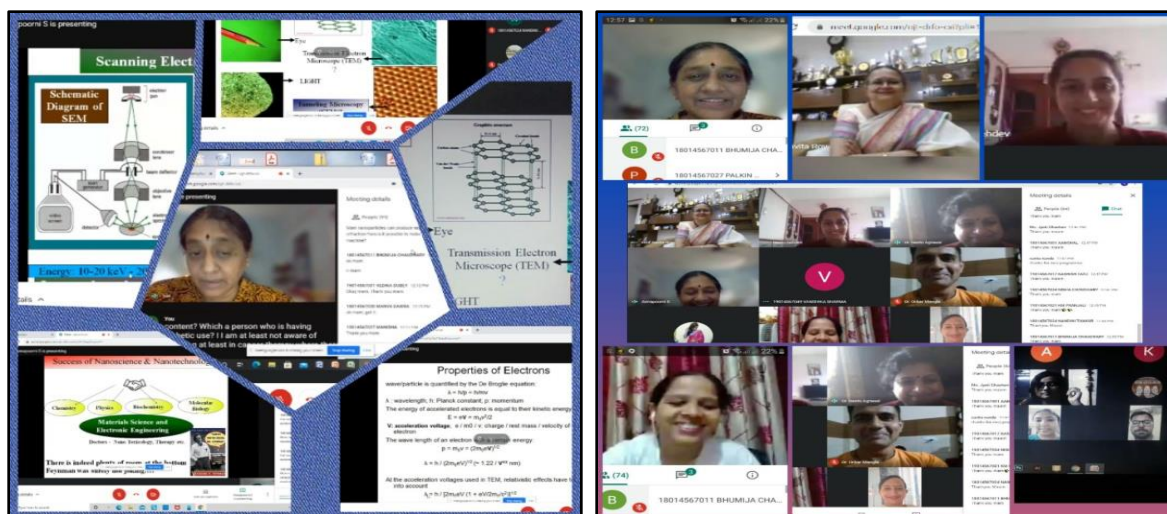

A “3-day e-SDP: Enhancing Learning through ICT Tools” was organized by Department of Philosophy under the aegis of IQAC, for 1st year students of BA (H) Philosophy and BA (Prog) Philosophy and Psychology combination from December 17-19, 2020. Events Organised

METAMORPHOSIS, the annual festival of the Association was held on February 11, 2020. The event started with an illuminating inaugural lecture by Prof. Satish Deshpande, Department of Sociology, University of Delhi. He discussed the theme of our event 'Idea of India 2020'.

I paint my own reality . The only thing I know is that I paint because I need to , and I paint whatever passed through my head without any other consideration. – Frida Kahlo. On the occasion the committee members organised a face painting under the concept of “Kati Patang Tera

Konsa Rang” with its theme circling around : ‘Idea of India 2020’. Participants from different colleges of the Delhi University were welcomed in groups of two each who showed their creativity using the face as their canvas. They depicted their own idea of how India should be like in the coming year 2020. All the colourful faces which were beyond recognition were an utter delight for the students and teachers alike.

Political Science Association In collaboration with Politics on Toast organized a bilingual debate competition "Turn coat" during its annual fest *METAMORPHOSIS*. The event witnessed 25 talented debaters. Out of the 25 slots 3 best speakers were chosen. All the participants had to present the arguments both in favour and against the motion by themselves to face off each other

"Poetry is when an emotion has found its thought and the thought has found words." - Robert

Frost. Next event of *METAMORPHOSIS* was slam poetry. Students were invited from different universities to participate in the competition penned as 'Qalaam-E-Kalam' where students showcased their idea of India: 2020 in the poetic form with use of metaphors and rhymes. It was a bilingual competition. The other attractions of the festival were Pen it Down and Talent Hunt.

Dramatics Society

Convenor: Moitree Bhattacharya

The Dramatics Society of Daulat Ram College aims to make a difference in the society through its Street play productions. It represents the college at various performing art platforms and seeks to connect with people and foster social awareness among them by conducting theatre workshops and street plays which are performed at various public locations. Every year it launches an annual street play which is performed in various colleges of Delhi University and at different locations in Delhi.

Keeping up with this spirit, the Society launched its annual street production, 2019-20, *Nothing Personal* at *Antaragni* in the cultural festival of IIT Kanpur. The play seeks to highlight the need to address hatred based on social identities of people and the compelling need to strive for coexistence in order to create a peaceful society. It received encouraging responses from the audience.

On February 28, 2020, the Society organised its annual theatre festival *Adakaari*, as part of *Manjari*. Like every year it was organized at the college Nescafe area where different colleges participated.

During this time, the Society also participated in several street play competitive events organised by Shyama Prasad Mukherjee College (March 6, 2020), *Udaan Utsav* in IGNCA (March 5, 2020), Swami Shraddhanand College (March 2, 2020), Motilal Nehru College (February 18, 2020) and Sri Aurobindo College (Morning) (February 11,2020). It also participated in an event at Vishwavidyalaya Metro Station as part of Women Safety and Women Awareness programme on the occasion of Delhi Police Raising Day February 19, 2020.

This year due to the pandemic, most of us were confined to our surroundings and it was indeed challenging for us, too, as performers who usually work in a non-virtual environment. We conducted our annual orientation programme on Google meet on December 30, 2020. It was attended by approximately 100 students, including the team members.

Eco Club - *Dhara*

Convenor - Raman Arora

Dhara, the environment club works towards Sustainable Environment by achieving inclusiveness of all. There are about 270 members in the Eco Club. Various events organized by *Dhara* are as below:

This year *Dhara* came up with *Pictella* event where members were asked to identify pictures related to the environment as presented by the organizing team. The event was organised in a team of 2 students each. 8 teams were there in all. There were overall two rounds. Some of the pictures depicted in it were of peppermint plant, coral reef, jaguar, food web, firefly, flamingo, koala.

Dhara organised various online inter college competitions on the theme – BIODIVERSITY on the occasion of World Environment Day, June 2020. Various Inter College competitions were held like poster making competition (22 participants), *Your Quote –Your Pride* competition (10 participants), collage-making competition (29 participants), *Mandala* Competition (16 participants).

Dhara celebrated National Nutrition Week from September 1-7, 2020 by creating awareness posters and displaying them on *Dhara* official handles – Facebook as well as Instagram. Posters were related to topics like stay hydrated, practice mindful eating and rainbow diet. In addition to this, Salad Making Competition was also organised where students of the College were asked to prepare salads on any one of the categories – fruit salad or vegetable salad.

Dhara celebrated Wildlife Week online via displaying awareness posters each day from October 2- 8, 2020 at its official handles. Everyday an *Animal of the day* poster was displayed. Some of the endangered species covered during the week were Black Panther, South Asian River Dolphin etc.

Taking into account COVID 19 pandemic, *Dhara* decided to organize various webinars related to mental health. To celebrate World Mental Health Day 2020, an online webinar was conducted on the topic *Interpersonal Relations: From Rejection and failure towards Acceptance* led by the speaker Dr. Preeti Kapur, Associate Professor (Retd.), Daulat Ram College, University of Delhi. Another online webinar was conducted by the same speaker on October 31, 2020 on the topic *Understanding the use of Mental Health Care Apps*. Participants from various colleges participated in these webinars.

With the main aim of upcycling, *Dhara* organised a one-day online workshop on *Upcycled Newspaper Coasters*. The said event was organised on October 14, 2020. Ms. Bandana Agarwal, Multi-disciplinary Artist, resource person of the workshop explained the participants need for upcycling. She explained that old waste newspapers can be converted into a new form of utility by art of making newspaper tubes, accumulating them in different patterns and painting them to give a new look..

Dhara on the occasion of Diwali 2020 came up with two inter college online competitions – Diya Décor Competition and Doodle making Competition on the theme Green Diwali. Apart from this, *Dhara* initiated an Anti Cracker awareness poster where it persuaded people not to buy crackers.

Entrepreneurship Cell

Convener: Chetna Malik

The Entrepreneurship Cell of the college is convened by the Economics Department. At this hour of uncertainty, the cell put forward its best efforts to engage in virtual events and activities and organized the following webinars:

On June 28, 2020, a webinar was organized on *Impact Of Covid-19 on Startups And Global Economy* with Mr. Nitesh Kaushik, Entrepreneurship Development and Placement Specialist at UNDP, India. Mr. Kaushik provided the students with real-world insights and an understanding of the mechanism beyond the books.

Another successful webinar was executed on July 20, 2020 with Ms. Devika Narain, a globally renowned entrepreneurial wedding planner and designer. She has designed some of the most opulent weddings including that of Virat Kohli and Anushka Sharma.

An International webinar on *Government Policies And Challenges To Entrepreneurship* was organized on September 2, 2020. The panelists were Mr. Rajendra Deshpande, Certified Business Value Development Consultant, USA, Dr. Sanjiv Layek, Executive Secretary at World Association for Small and Medium Enterprises (WASME) and Ms. Sakshi Sharma, Director of Soho Honey and an esteemed alumnus of the Economics department of DRC. The webinar saw some great government policies being underlined by all three panelists.

The cell interviewed a variety of entrepreneurs this year ranging from alumni of the college to a Padma Shree Nominee. A fashion designer (former assistant of famous fashion designer Ritu Kumar) was also interviewed to showcase the inspiring stories of entrepreneurs.

E cell celebrated *The Global Entrepreneurship Month* in November, 2020, whereby it posted various entrepreneurial related substantial facts and information and talked about social entrepreneurship, about the companies who recklessly faced the COVID situation, and gave valuable facts about the startups in various industries like investment banking and EdTech.

E cell's Design and Technology team introduced its own Instagram filter by the name *Impressario - Don't leave your impression, Leave your mark*. It is a filter that shows if an individual was to become an entrepreneur which product they'll launch. It received a massive response and reach among students because of this filter and uniqueness of the products in the filter.

An orientation session was held on December 4 for the students to know more about the cell through a convivial video and have a chance to interact with the seniors and get some advice for their future.

On January 6, 2021, the E cell held an online competition *What If* which saw participation from colleges all over India. The competition challenged students' minds by asking them to think creatively and bring to use their knowledge of binge watching. Participants had to create a business idea with the given set of series and movie characters and justify their role in the business..

The E cell organized a workshop with Mr. Priyank Ahuja on the topic *How to make a Business Plan* on January 22, 2021. Mr. Priyank is an alumnus of ISB Hyderabad currently associated

with Accenture as Product Manager and Consultant with more than thirteen years of experience in the field of IT, Retail, E-Commerce and Education. The objective of the workshop was to give our students an insight into the world of business strategy development and educate them on various aspects of running a profitable business.

Finance & Investment Cell

Convener: Mansi Kanojia (Commerce Department)

Co-Convener: Sumeet Goyal (Economics Department)

The Finance and Investment cell of the college is co-convened by both the commerce and economics departments. FIC organized a 'Research Paper Writing Competition' on September 22, 2020 on the topic *COVID-19: A strategic opportunity for sustainable development*. The competition was open for undergraduates and the students who had appeared for the AISSCE

2020. The goal of the competition was to encourage critical thinking, strengthen research ability, and refine the participant's analytical approach and time management skills. Ms. Aradhya Panwar of Hindu College bagged the first position, Spandan Garg of Daulat Ram College and Harshita Jain of Shri Ram College of Commerce grabbed the second position. A certificate of participation was given to the participants.

The FIC organized a webinar on *Career Options Available in the Financial Market Domain* in collaboration with BSE Institute, Delhi on October 17, 2020. Sanjeev talked in depth about the equity markets discussing the basic trading terms and the trading process supported by practical examples.

The FIC collaborated with Dynamic Financial Market Institute to serve and assist the students to acquire some key learnings and skills during the pandemic. It is a Delhi based training center whereby the modern generation stock market trainers and financial advisors equip the candidates with tools and techniques useful for financial planning in today's financial and economic scenario. DFM Institute offered a course on *Mutual Funds Analysis* and internship program to students which commenced on 1st July 2020. With 4 hours of theoretical learning and 30 hours project work which was segregated into 15 small projects of 2 hours each, the students were able to understand and equip themselves with immense knowledge and practical understanding of the dynamic stock market.

The FIC organised *STRATINNOVA- An Online Case Study X Bplan Competition* in two rounds. There were around 390 registered participants. The first round conducted on October 25, 2020 was a case study competition on an Ed-Tech company that judged the participants' analytical, logical, reasoning, research and decision- making skills as they had to provide solutions to the company's problems. The second round, held on October 28, was based on preparing a presentation on the first round case study problem and construct a Bplan. The participants presented their business plans to the honorable judges via google meet. There were three judges: Aditya Arora (CEO of FAAD NETWORK PVT. LTD.), Aman Sadique (Analyst) and Praney Thapa (Sr. Manager in Unacademy). FIC had partnered with CASE CONNECT CLUB as KNOWLEDGE PARTNER and DARE2COMPLETE as ONLINE HOSTING PARTNER. The judges announced the results of *STRATINNOVA* and two teams were declared as winner and runner up.

The FIC conducted its recruitment drive from September 18 - 20, 2020 and inducted 9 new members in the finance team.

In the last week of January 2021 GSC organised an inter-college competition for freshers on the theme: Gandhi - As I Visualise. They were asked to express their views on Gandhi through any medium like poems, acts, painting (manual or digital), articles, etc. To commemorate Martyrs'

Day an online programme was organised by GSC on January 30, 2021. The programme began with the bhajans followed by a beautiful play prepared by students titled *Bapu ka Antim Din*. An inter-college Debate competition was also organised on the topic *In today's chaotic democratic set-up Gandhi's principle of non-violence has become irrelevant*.

Music & Dance Society

Convener: Sneha Lata

The Music & Dance Society provides a platform to students to showcase and enhance their talent of various forms of music and dance such as classical, western and folk. It provides opportunities to students to prepare and perform in different events and competitions at various colleges and institutions. This year has been an unpredictable one yet music remained same; peaceful and serene.

Alahyaa, the Indian Music Society of DRC took the pandemic as a challenge and braved the odds.

Office -Bearers

President: Vartika Srivastava, B. A. (H) Maths (Second year)

Vice-President: Gayatri Rana, B. A. (H) Philosophy (Second year)

PR Head: Nandini Rajput, B.A. Programme (Second year)

Alahyaa is one of the Best Indian Music Societies of the Delhi University circuit. We have blended beautiful song *iktara* with a much-celebrated *bandish* in *Raag Yaman*, *Aeri ali*, refining them into one piece.

On the occasion of Gandhi Jayanti, on October 2, *Alahyaa* sang and recorded a beautiful rendition of the very famous song *Ekla Cholo Re*, for an NGO.

Alahyaa also collaborated with the band The Tarana, on the occasion of Republic Day, 2021. *Vande Mataram* the national song of the country was presented with various harmonies.

Meager Means yet Courageous Dreams!!

The motto of NSS is *Not me but You* which expresses the essence of democratic living, respect for the people and selfless service. The aim of NSS is to promote national integration, sense of social responsibility and help the students to develop overall personality. The NSS unit of our college is very active in social welfare activities. The unit believes that the unselfish effort to bring cheer to others will be the beginning of a happier life for ourselves. Our volunteers work to ensure that anyone who is needy gets help to enhance their standard of living and lead a life of dignity. The unit feels honoured and privileged for having constant support of our respected Principal Madam, Dr. Savita Roy and former Convenor, Mrs. Sarita Jain.

The outbreak of coronavirus disease (COVID-19) brought an unprecedented crisis on humanity. We took some initiatives to ensure that we are prepared well to face the challenge and threat posed by the growing pandemic.

The NSS unit of our college worked to reduce unfathomable implications of this coronavirus which brings mental, physical, social and economic problems. We tried to work upon how

people feel at this time, what are their needs and what they are worried about and organised the following activities:

Homemade Mask making Activity: 206 volunteers actively took part in this activity and each of these prepared 5 masks which turn into a total contribution of 1030 masks. These were donated to the needy and the police officers who would further distribute it to the needy people or health workers.

Awareness Campaigns: Making people aware of government initiatives like Aarogya Setu App, appreciating the corona warriors, taking a pledge to Stay home & stay safe and also making people see the positive side of the situation through an exclusive post for Advantages of lockdown, NSS DRC has put in all the efforts to spread genuine information in this time of crisis.

INCREMENTUM 3.0
 The Placement Cell, Daulat Ram College successfully organized one of the biggest annual Internship and Career Fairs in the University of Delhi- Incrementum 3.0 on February 12, 2020 in its campus. Over 75 companies such as Jaro

Education, Asahi India Glass, Decathlon, VQMS , Bajaj Capital , AIESEC, Planet Spark, Karvy, Sharekhan, Sankalp NGO, E&H Foundation and various other reputed companies participated in the fair that provided around 40 diversified profiles to the students in the field of marketing , finance, content and lots more offering stipends upto 20k and CTC of over 12 LPA. More than 1500 students from all over Delhi participated in it.

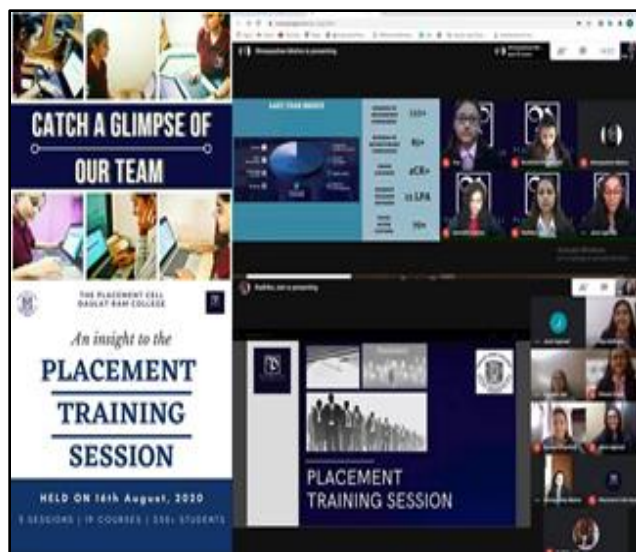

The Placement Cell has been setting new benchmarks every year.

Starting from June 2020, the cell organised various webinars all year round, to meet the requirements of every student belonging to different years of study and fields. Vedica Scholar's, T.I.M.E, Chahal Academy and more such prestigious institutes were invited for quality webinars on discussing stock market, content writing, CV building to more professional based talks such as cracking consulting job interviews, acing UPSC CSE and keeping the mental health proper.

The cell moved on to collaborating with various reputed companies such as GreatLearning to provide the students with weighted online courses on various up and coming fields; and PrepJunction to provide students with a platform to refine their interview and Group Discussion skills for the coming recruitment drives.

Apart from building a stronger network and establishing good relations with top tier companies, the cell also organised workshops like CV Building session, helping students make an impressive impact on the recruiters; Placement Training session, to brief them about the procedures of online recruitments and the most important session, Orientation 2020-21, for the budding professionals looking for a society that polishes their skills and makes them placement ready.

All in all, the cell seamlessly worked out all kinks to provide students with better and brighter opportunities, with more exposure and growth, despite the challenge of it all being online.

Poetry Society - *Imagism*

Convenor - Neera Jalchhatri

Imagism, the poetry society, celebrated Independence Day by organizing a slam poetry session, *Azaad हूँ mai* on the *Importance of Independence as Women*. The members touched on the topic very fearlessly by breaking all the shackles of limiting beliefs. The Best English Poet was awarded to Pronita Tripathi and the Best Hindi Poet was awarded to Pragati, who presented the topic in a unique way, tackling the issues that women face in today's world.

On the occasion of Independence day, Imagism cumulated a video on the theme: *The freedom I want today*. The video comprised 11 native speakers from different regions expressing what kind of emancipation they needed today. The video was intended to promote multilingualism and propagate a sense of nationalism among the members and beyond.

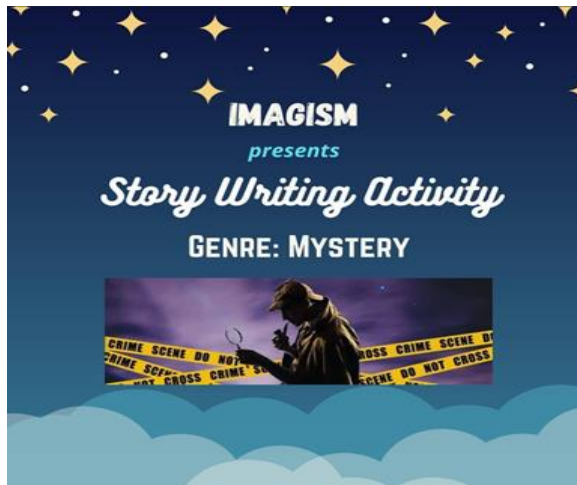

The society organised the second Slam poetry session on the theme *Pratibimba* or reflection and was open to individual interpretation. The topic was uniquely interpreted by each participant, due to which it became very intriguing. The entries of the best performers - Soumya Nair (English) and Yukta Bansal (Hindi) - were posted on social media handles.

Imagism organized *Roobaroo* on October 3, 2020 where everybody maintained social distancing but not emotional distancing. It aimed at creating a safe and beautiful space for its young members to open up and know each other better.

Imagism organized a slam poetry competition on January 23, 2021. The competition was limited to only the society members and it was a bilingual contest. The competition was conducted in two rounds and was a fusion of talent and creativity.

Imagism conducted an online “Picture Poetry competition” on September 1, 2021 where participants were encouraged to express themselves through Imagism, a stylistic unity of verbal and visuals - the fusion of both modernism of 21st Century and 18th Century traditional discourse of rhymes and metres. The winner of the competition in the English category was Anika Loiwal while Chakori Agarwal won in the Hindi category.

In order to push our amazing writers out of their writers’ block and other poetic dilemmas, the society organised WORD PROMPT competition on three different occasions which provided opportunity to our members to share their poetic pieces with the entire community. The pieces of each winner were promoted on the official social media handles of the society. The first such activity was conducted on September 8, 2020 and the prompt was 'NEFELIBATA'. Jaya and Priya emerged as the winners in Hindi and English categories respectively. The next prompt activity

was conducted on September 24. The winners for this competition were Tina and Kashvi. The last prompt activity was conducted on the theme 'New beginnings'. The winners for the same were Neha and Ragini.

Imagism organised its orientation programme for freshers of 2020-21. Debanjali Das, the General Secretary of society and the President, Suramyaa Tewari warmly welcomed the freshers to commence a completely new journey, encouraging them to never stop writing and hone their skills even further. Furthermore, a glimpse into the society was portrayed through a PowerPoint presentation that had recordings of previous years and events and some unforgettable memories.

Imagism organised an online poetry competition named *Waqif* which was an open platform for expression through poetry writing. The best three poetries for *Waqif* were those by Mehak Bajaj, Sunidhi Gupta and Asmat Ayush respectively.

Team Imagism organized a Creative Writing Webinar on November 22, 2020. The webinar was of immense success. Rishika Khanna, the speaker, an undergraduate from the College of Vocational Studies, Delhi University and founder of Pocket Full of Words, an internationally certified, well-acclaimed content writer and blogger. In the session, Ms. Khanna extensively elaborated on the field of content writing and blogging.

Recycling Unit

Convenor - Sarita Nanda

College aims to become a Zero-Discharge campus. Thus it has set up a recycling unit on campus which houses a paper recycling machines and leave shredder machine. This machines help to make recycled paper and leave shredder machine helps to make manure. The functioning of recycling unit is improving day by day with manufacture of tons of manure which is used in house or sold outside, preparation ceramic pots with medicinal/antipollution plants, making of white and brown recycled paper, use of these papers for painting. Ceramic pots and paintings are being used as gifts for our guests in the college. Students can do their internship here and can earn NSS hours by participating in its functioning.

Ever since its inception in 2016 this unit has been used to process shredded leaves into manure, recycle paper and cartons, provide potted plants for gifting and also provide folders, paintings, and carry bags made from recycled paper. Students and Community workshops are held

regularly. Two workers are getting employment in this unit. It is also providing study material for 2 Ph.D students who are enrolled with us. We have also added a soil testing machine to maintain the quality of the manure made.

Women’s Development Cell - *Pragati*

Convenor - Anita Garg Mangla

Pragati - the Women’s Development Cell takes pride in striving each day to strike meaningful conversations and contribute to the cause of gender-based equality and feminism. We believe in helping women break the chains of self-doubt and discrimination and consequently, empower them and in the process, enhance the self-esteem and rational thinking. To drive these wheels of change, we regularly curate activities centred at both empowering the weakened and educating the masses. These include seminars, workshops, lectures, debates, essay writing and poster making contests, field trips, film making, film screenings, street plays, graffiti, pledge walks etc.

WDC began the academic session 2020-21 with a meaningful conversation on mental health by organising an Instagram Live Session with Ms. Sugandha Kaushik, a Counselling Psychologist on *Mental Health* on May 30, 2020. The event was a huge success with a 700+ viewership.

On June 1, 2020, a conversation on Sexual Health took place via an Instagram Live Session with Ms. Niyati Sharma, Founder of *Pratisandhi*, a not-for-profit organisation working to achieve an ease of accessibility to medically-accurate and stigma-free sex education.

An offbeat, yet strikingly important in the era of ever increasing social media creativity, a conversation based on *Unconventional Careers* took place with Ms. Bhawna Mehta, an upcoming Lifestyle Blogger on June 3, 2020 with a 300+ viewership.

On June 12, 2020 WDC organised a webinar on *Menstrual Hygiene* in collaboration with Global Hunt Foundation on Zoom platform. It organised a webinar with Sanjeevani Foundation - *Life Beyond Cancer* via Zoom platform on September 2, 2020.

The event witnessed a viewership of more than 3000 people from all over the country via Google Meet and YouTube.

INTERNATIONAL WEBINAR SERIES

Day 3

Speaker: Dr. Vaishali Chaudhuri

WDC's blog (www.wdcdrcblog.wixsite.com), birthed in August 2020, now has over 30 blogs covering topics under three main categories - *Analysis* which stems from the the result of a careful examination of an issue, phenomena, or current affair through a gendered lens, *Know-*

How which aims to look at and deconstruct the various phenomena of gender we see and experience around ourselves, as young women, and by extension also delve into the know-what, know-why, or know-who of the same and *Know-Who* which aims to acquaint the readers with the flag-bearers of feminism and some lesser-known women who are nothing less than an inspiration to everyone out there. The blog has published articles on a wide range of topics from Gender-Socialisation Theory, Intersectional Feminism to the Life of Amrita Pritam. Alongside, our official social media handles kept our audience updated with a huge variety of infographics and graphic-based series discussing various phenomena and current affairs relevant to the Feminist movement.

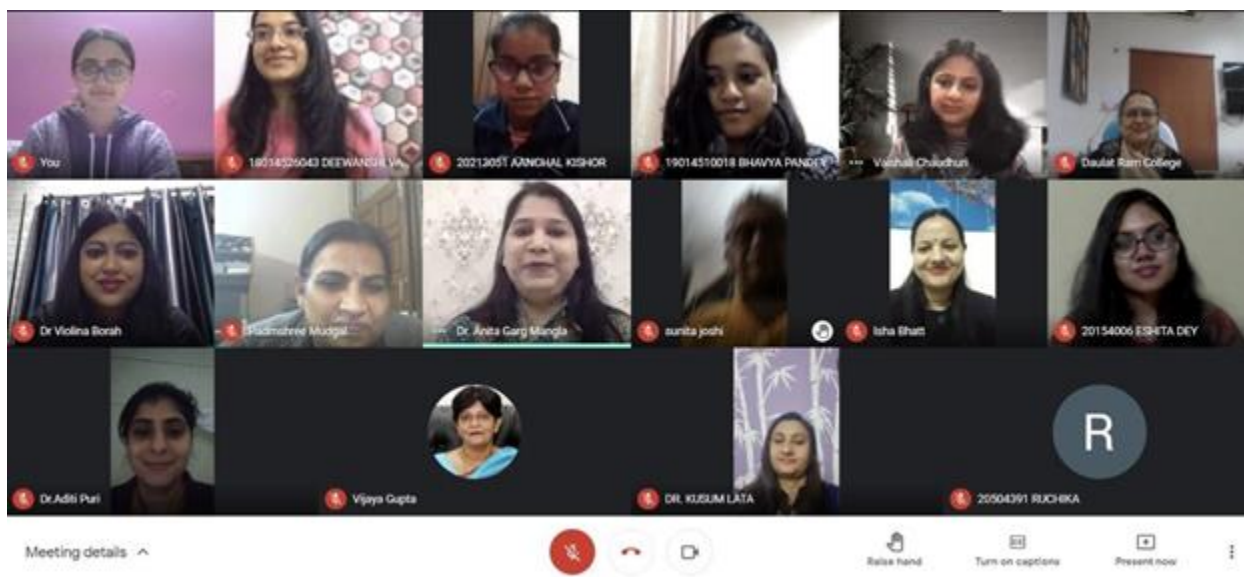

The team looks forward to the 2021 issue of our annual bilingual magazine - *Shreshtha* on the occasion of International Women's Day.

MANJARI 2020

Annual Cultural Festival

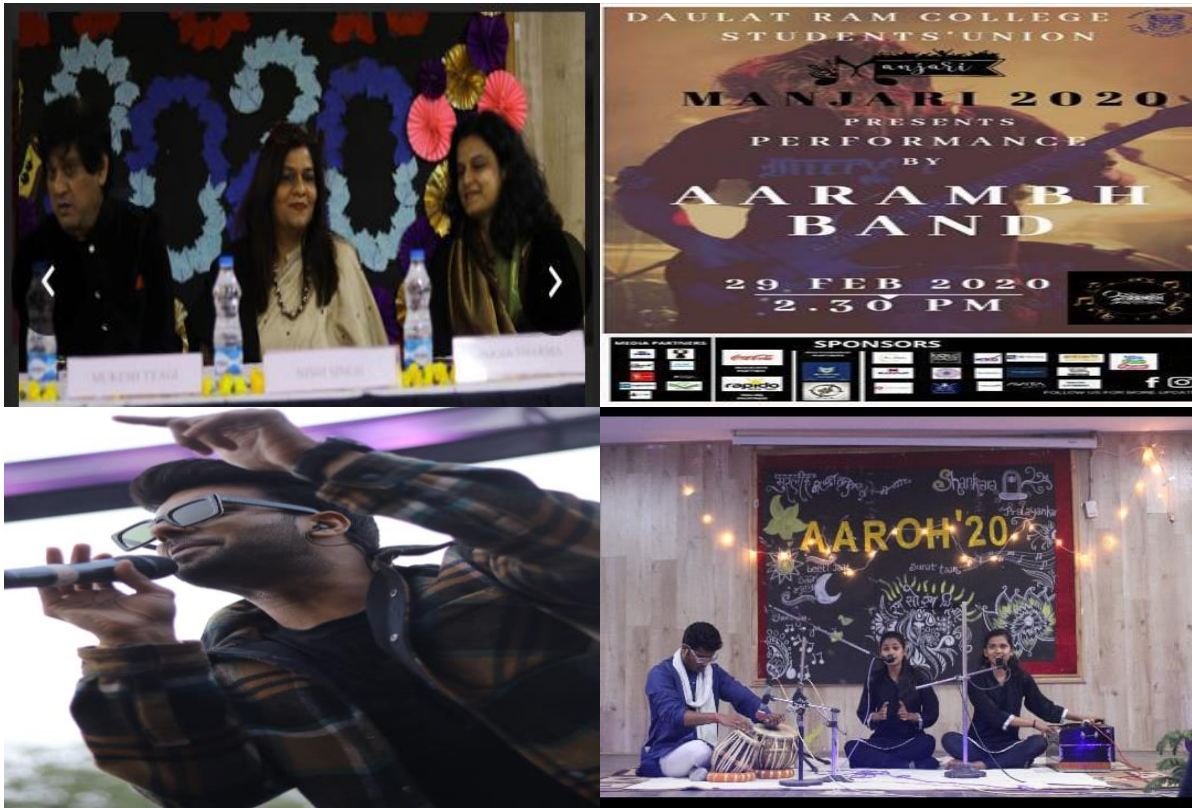

Manjari, The Annual College Festival of Daulat Ram College was organized by the Students' Advisory Board along with the Students Union. The two-day extravaganza held on February 28 and 29, 2020 touched the lives of all who were involved and visited the fest. The grand endeavour was turned into reality, under the guidance of Student's Advisory Board, assisted by the staff and the volunteers with a thunderous line-up of cultural events and competitions topped with engaging activities, Manjari 20 was crowd pleasing to every circle of students. The event Manjari 2020, the cultural festival was inaugurated by Mr. Mukesh Tyagi, (Actor, Singer and Spokesperson) and Ms. Nishi Singh (Painter, Singer, Social worker).

The inaugural ceremony of the Annual Festival was graced by Mukesh Tyagi, a popular Bollywood actor known for his work in Page 3(2005), Hate story (2012), Corporate (2004), Traffic Signal (2007), Fashion (2008) and Saheb Biwi Aur Gangster. Along with him we also had the opportunity to have amongst us, Ms. Nishi Singh an actress working in television shows and serials. She has done cameo roles in some Bollywood movies as well. The main attraction of the festival was Mankirt Aulakh, Punjabi singer, actor and producer who was the main performer of the Star Night. He is known for his songs Badnaam , Kamli and Gangland. The crowd was captivated by his amazing performance.

The events that were organized in the festival by the different cultural societies of DRC are as follows:

- Talent hunt
- Quiz competition
- Stalls with games
- Dance competition
- Fashion show
- Open mic
- Street Play (nukkad natak)
- Face painting competition
- Rap battle
- Treasure hunt
- Wall painting
- Band night
- DJ night
- Star night

The event witnessed a footfall of approximately 15000, along other inter college competitions/events. It thrives to contribute immensely in maintaining and creating a memorable college life.

ZEBRAFISH LABORATORY FACILITY

(Under IQAC)

The zebrafish lab facility in Daulat Ram College was set up in October 2015, jointly by Biochemistry and Zoology Departments in collaboration with CSIR-IGIB, Mathura Road, Delhi, and Sansriti Foundation Delhi. The facility has been funded by Star Innovation projects DU, Star College project DBT, Govt. of India, and Innovation projects DU. It was developed with the aim of providing an alternative *in vivo* non –invasive model system for science education, teaching and research.

Students of Biochemistry (Hons), Zoology (Hons) and Life Sciences join the lab as interns and work on research projects during their free time and holidays. This opportunity provides students with experiences wherein they can explore and discover the nature and process of scientific research using the zebrafish model system. Small internship programs are also conducted for school students.

Zebrafish lab facility organized the following training programs/ internships/ webinars:

- Dr. Padmshree Mudgal provided Mentorship for Innovation Project of Hindu College with PIs: Dr. Devanshi Magoo and Dr. Soma M. Ghorai, titled “Green approaches for the synthesis of functionalized spirobarbiturates and evaluation of their biological and theoretical studies”. From 1st January 2020. 10 students of BSc. (Hons) from Hindu College worked as interns in Zebrafish facility.
- Webinar talk on ‘Zebrafish Model System’ was presented by Dr. Padmshree Mudgal, organized by Department of Biochemistry, Shivaji College, University of Delhi (under the aegis of DBT sponsored Star College Scheme) on Zoom Meeting <https://us02web.zoom.us/j/83281224416?pwd=dVhscVZGUWFQaXhlZjhNVGZieXlZZz09> on May 8, 2020
- Guest Lecture at 3.15 pm on ‘Zebrafish Model System’ was presented by Dr. Padmshree Mudgal, for BTech Biotechnology students of Amity Institute of Biotechnology, at <https://web.microsoftstream.com/video/41645c4e-f15a-4326-b33f-29e924559315> on 22 Oct,20.
- Small research projects undertaken by faculty and students in Zebrafish lab facility have resulted in 3 poster presentations at International Conference on “Frontiers in Biochemistry and Biotechnology: Strategies to Combat Human Diseases” organized by Shivaji College, Univ. of Delhi, February 12-13, 2020.

Zebrafish lab facility also serves as a resource center to provide zebrafish and embryos to other colleges/ departments and research institutes to support teaching and lab practicals.

The Resource persons for the internship and training programs were Dr. Padmshree Mudgal (Department of Biochemistry, DRC) Co-ordinator, Dr. Chitra Bhasin (Department of Zoology, DRC), Dr. Adita Joshi (Sansriti Foundation), Dr. Radhika Gupta (Department of Biochemistry, DRC)

DROSOPHILA RESOURCE CENTRE

(Under IQAC)

Drosophila Resource Centre was set up in the Department of Biochemistry almost 10 years ago. The centre is funded by DBT Star College Project. It aims to teach the basic principles of genetics using *Drosophila* as a model system. Almost 250 students have been trained since its inception. Students of different life science streams such as Botany, Biochemistry, Life Sciences and Zoology from DU and Punjab University have been trained at the centre. A lab manual on 'Rediscovering Genetics' has been published in 2016 that covers the range of experiments performed by the students at the centre. The students have been immensely benefited by this training which is reflected in their selection and perusal of higher education in genetics from prestigious places. The centre also provides stocks and support to many colleges of Delhi University and AIIMS.

In the 2020-21 session, due to COVID-19 pandemic, online practicals were carried out for the students using recorded videos and images.
