Daulat Ram College

Daulat Ram College has established a niche for itself by becoming a pioneer institution that signifies academic excellence for women. Founded in 1960 by the late Shri Daulat Ram Gupta as 'Pramila College' (at Tilak Marg), the college was shifted to North Campus in the heart of University of Delhi and was renamed 'Daulat Ram College' in 1964.

Shri Daulat Ram Gupta, an educationist, conceived the college as an institution aiming to impart inclusive education to women. Starting with around 350 students and 13 teachers in 6 departments, the college has now evolved into a versatile and dynamic institution with more than 4000 students coming from across the world, around 188 teaching and 130 non-teaching staff and 19 departments offering a diverse range of courses. The institution envisages to provide value-based education focusing on holistic growth and development by enhancing higher learning in Science, Commerce, and Humanities. It also offers several courses at the Masters level in Humanities.

The college has been widely acclaimed for its academic achievements and co-curricular initiatives. As a premier institution, it was awarded 'Star Status' by the Department of Biotechnology (DBT), Government of India (GOI) for undertaking innovative practices in various science departments. It has received accreditation with a CGPA Score of 3.36 and has been awarded 'A+' Grade by the NAAC. It has been consistently securing 26th rank in the NIRF since 2020. As per India Today's ranking, our college ranks 7th in Science, 13th in Commerce and 15th in Humanities.

The college has a beautiful green campus with multiple facilities that support a viable, diversified and integrated culture for the development and growth of our cohort. With a distinguished faculty, our college remains at the forefront of delivering high quality education. The college has well equipped and technologically advanced laboratories such as Zebrafish Lab Facility, Drosophila Resource Centre, and Psychology Resource Centre, facilitating major research projects sponsored by ICSSR, ICPR, UGC, CSIR and DRDO. As a leading institution, it envisages ICT facilities and has well equipped computer labs, besides Wi-Fi enabled lecture theatres/classrooms with LCD projectors. The Innovation Projects and Star Innovation Projects funded by the University of Delhi and other cross-cultural research projects in collaboration with USA, Canada, France, Finland and Poland have contributed in significant ways to the institution's academic infrastructure. The Psychology Resource Centre provides various resources to students and staff through the Counselling Centre, Mental Health Centre, Positive Psychology Centre, Capacity Building Centre and Value Education Centre. The college has pioneered several Value Engagement Programmes for inculcating values pertaining to higher education, health and wellbeing.

The IQAC is an integral part of our pedagogy that sustains and enhances the quality of our academic pursuits. The 'academic calendar' pertaining to various events such as international and national conferences, seminars, symposiums, colloquiums and curricular development initiatives ensures active participation of students, providing an immersive and inspiring environment of holistic teaching, learning, and research. The state-of-the-art conference hall, specially designed for academic interaction and professional engagements is a venue for organising such events.

The Library, an integral part of academic pursuits, boasts of a renowned collection of more than one lakh volumes, journals, periodicals, books, newspapers, alongside a digital database. We also take pride in the rich Braille Section possessed by our library. With a commitment to build and enrich the spirit of achievement and excellence in academics, various Proficiency Prizes, Instituted Prizes, and Merit Scholarships are awarded annually to students. The in-house skill development programs with an interdisciplinary approach, aim to provide training to students promoting life skills, learning abilities and healthy development along with learning ICT tools. The Cyber Cell creates awareness to judiciously use and explore the challenges and opportunities offered by cyber space. The Placement Cell works with dedication and enthusiasm to provide top internship and recruitment opportunities to students.

Department associations and various societies and cells annually publish magazines and journals such as *Expressions* (the English department's annual publication), *Mansi* (Hindi department's hand-written magazine), *Shreshtha* (Women Development Cell's annual publication), *Psytrack* (Psychology department's magazine), *Math Punch* (Mathematics department's magazine), *Naissance* (Placement Cell's magazine), *Optima* (Economics department's magazine) and so on, with scholarly contributions from students as well as

teachers. In addition to these, the college publishes *Pramila*, its annual magazine, with three language components - English, Hindi and Sanskrit.

The Centre for Foreign Languages established in 2005 offers part time certificate/diploma/advance diploma courses in several languages such as French, German, Spanish, Italian, Chinese, Japanese and Korean to students across colleges. The courses are conducted in collaboration with the Department of Germanic and Romance Studies and the Department of South Asian Studies, University of Delhi. For details students can visit college website. In addition to this, add-on certificate courses in association with various institutions provide a platform to students to engage with multidisciplinary subjects for a comprehensive understanding on vital issues. Our college has collaborated with Government College, Chouhantan and Government Girls College, Magra Punjala, in Barmer and Jodhpur respectively, in Rajasthan under the Vidya Vistar Scheme, to facilitate sharing of academic resources which is imperative for the development of collective teaching and learning in higher education.

As a quintessence of inclusive education, our hostel, established in 1974, is a resource, dedicated to sharing and preserving integrated learning and growth of students across diverse cultures. The Sadbhavana Bhawan, a centre for sports, art and culture is one of the best auditoriums in the campus which hosts various events such as theatre, cultural performances, international integration programmes, conferences, annual day programmes, *Manjari* (the annual inter-college festival) and many more. An open-air amphitheatre, located at the centre of the college building, which after renovation came to be known as '*Rangshala*', encourages students to organise and participate in a wide variety of theatrical, musical and cultural events.

The multipurpose sports complex cum fitness centre offers facilities for various sports events and has produced several athletes and players at the state, regional and national levels. The college also organises Paralympics which have been instrumental in providing opportunities to specially-abled students to participate and compete at inter-college level. The infrastructure of the college is sensitised to the needs of specially abled students and staff. The Equal Opportunity Cell and Enabling Unit create a socially conducive environment that facilitates inclusive interpersonal and academic interactions. The Recycling Unit has paper recycling machines and lead shredder machines to make the college a zero-discharge campus. The Environment Club (Dhara) generates awareness regarding practices of keeping the college green and clean.

The college's societies under Extra Curricular Activities Committee such as Debating Society (*Debsoc*), Dramatics (*Memesis*), Fine Arts Society (*Spectra*), Film and Photography (*Magic Lantern and Sepia*), Music and Dance (Indian - *Alahyaa*, *Annhad*, and Western- *Encore*, *Zenith*), Quiz (*Tajagna*), Poetry (*Imagism*), and Fashion (*Debonair*) contribute in many ways to the continued endeavour in enhancing talent. To maintain the legacy of excellence, our dedicated teachers and students work hard to organise and participate in a plethora of curricular and extracurricular activities, with the Youth Parliament, MUNs and the College Play being the most distinct genres. The annual Daulat Ram Gupta Memorial Debate, a tribute to our legendary founder, plays a key role in stimulating and cultivating critical thinking among students across colleges.

The Gandhi Study Circle actively engages in comprehending and contemplating the different facets of the life of Mohandas Karamchand Gandhi to inculcate Gandhian values among the college fraternity. The Women Development Cell (Pragati) educates and empowers students by building awareness about gender-based discriminations and develops their understanding of women's rights. The Gender Champion Cell also plays a significant role in creating positive social norms to improve the well-being of women and achieving long-term and sustainable social change. To inspire young minds cultivate the values embedded in Indian heritage and culture, the SPIC MACAY programmes have remained a regular feature of Daulat Ram College since 1984. The institution has incorporated diverse cultural programmes and expanded the North East Cell, which initiates celebration of the rich cultural traditions of North East India. The Social Outreach Programmes form a significant part of NSS and NCC. The NSS involves students in various activities of social service and national development and the NCC works towards moulding students to become active citizens and future leaders.

The core ethos of the college is to inculcate knowledge by virtue of creative thinking and democratic values fostering academic freedom. Thus, the college aims at empowering students with a comprehensive understanding of their contributions to academic research and community outreach services.

Chairperson's Message

Daulat Ram College is a premier educational institution in Delhi founded by an educationist the late Shri Daulat Ram Gupta in 1960. It is a prestigious women's college engaged in imparting liberal education to women. The college, a large constituent college of the University of Delhi, originally started as "Pramila College" at 22, Tilak Marg with 13 members of teaching staff, 2 non-teaching staff and about 350 students. In 1964, the college shifted to its present premises in Delhi University campus and was renamed as Daulat Ram College. The institution has since grown into a full-fledged extended college of University of Delhi. The college has acquired a strong identity and has evolved into a prestigious women's college with its own distinct culture and traditions. It imparts education towards degrees at the Bachelor's level in Arts, Commerce and Science and Masters level in Arts.

The courses in science were introduced in 1968 which led to the construction of the science block and well-equipped science laboratories. The Commerce and M.A. courses in many subjects, as well as new courses in B.A. (Honours) and B.A. (Pass) were added subsequently. Further expansion of the college took place with the introduction of B.Sc. (Honours) in Biochemistry, Chemistry and Mathematics, and addition of Nutrition and Health Education (NHE) and Office Management and Secretarial Practice (OMSP) subjects in B.A. (Pass). OMSP was later replaced by Entrepreneurship and Small Business (ESB). The college building which was constructed in the 1960s was further expanded to cater to the growing needs of the students. A new block of tutorial rooms, a modern seminar hall, new class rooms and science laboratories for Physics, NHE and Biochemistry were added. Subsequently, a computer lab open to all students with an internet facility was added. Currently the college has add-on diploma and certificate courses in Foreign Languages, Data Analytics with 'R' and Legal Literacy, Awareness and Aid. At present there are 19 departments with about 4200 students on rolls, about 180 teaching staff and 75 non-teaching staff. The college has a well-equipped computerized library, facilities for gymnastics, table tennis, athletics and other games and holds leading positions both in academics and sports. Recently, a well-equipped conference hall with a capacity of 200 students has been built.

The college holds a leading position both in academics as well as in co-curricular activities such as dramatics, music, debates and sports. Students can participate in various societies, including NSS, Sports and NCC. To help the students cope with the new environment of the college and many other contemporary issues and problems, the Psychology Department runs a Counselling Centre. The In-house Skill Development Programmes being offered by the college equip the students to deal with daily challenges and create an identity for themselves.

The highly qualified and experienced teaching faculty of the college is not just limited to classroom teaching but also in taking up various prestigious research projects from organizations like DRDO, ICSSR, UGC, University of Delhi, etc. where the students also get an opportunity to work. The college students' hostel capacity of nearly 204 students is one of the best maintained in the University of Delhi. The college boasts of a modern auditorium named Sadbhavana Bhawan, which is ideally suited for theatre activities with a large cast. All-in-all, the college provides a holistic experience to its students, by working on their intellectual, emotional and spiritual development. The progress of the college in the last 2 years has been meteoric.

Mr. Mukul Gupta, Chairperson

Principal's Message

Greetings from Daulat Ram College!

Welcome to all the first-year students who have taken admission in Daulat Ram College which is affiliated to University of Delhi since 1960. The college has taken a long and arduous journey in imparting holistic and liberal education to women from different strata of society. The college takes pride in being the seventh best Women's college in India as per the National Institutional Ranking Framework where we are currently ranked at the 28th position. The college has been accredited by NAAC, India Today and other ranking institutions as one of the top colleges in India. Also, it has bagged a Star College Status from Department of Biotechnology for its innovative initiatives in field of sciences.

The college is fully committed to implement the National Education Policy 2020 in its letter and spirit. The Under Graduate Curriculum Framework 2022 has provided space for creative thinking and research in critical areas of study. The college has 19 Under Graduate programmes in the areas of Science, Humanities and Commerce. All these programmes have courses which are categorized as Discipline Specific Electives (DSE), Disciplines Specific Courses (DSC), Generic Electives (GE), Ability Enhancement Courses (AEC), Skill Enhancement Courses (SEC) and Value Addition Courses (VAC). Along with this, the students get an opportunity to participate in internships/projects/apprenticeship/community outreach programmes. The present Under Graduate Curriculum Framework provides ample opportunity to the students to design their own courses of study for each year after admission depending upon their interest and choice.

This year, the college is offering approximately 1500 seats at the undergraduate and post graduate level. Additionally, there are more than 200 supernumerary seats for the students falling under different categories such as PwBD, Sports, ECA, Children of War Widows, Kashmiri Migrants and Sikkimese students of foreign nationality. The students are also welcome to join Centre for Foreign Languages and Legal Literacy, Awareness and Aid courses as their add-on courses in the college. Our college offers certificate, diploma and advanced diploma in two add-on courses which gives an edge to our students in the university.

We are a big institution consisting of 188 teaching faculty and 130 non-teaching staff. The faculty is actively engaged in research and publications. In addition to the regular teaching and evaluation, senior faculty members are also engaged in supervising PhD students. We have got an Internal Quality Assurance Cell (IQAC), which formulates the academic calendar and is responsible for monitoring academic quality. Several eminent scientists, speakers, judges and administrators often visit the college and interact with the students throughout the academic year.

With an aim to provide holistic education, in addition to the formal teaching within the university framework, the college also provides numerous extra-curricular activities and co-curricular activities for the students. Students can check the college website and join the vibrant societies and cells of their choice. The college also has NCC, NSS and NSO making it mandatory for the students to get themselves enrolled in one of them. Summer programmes such as In-House Skill Development

programmes, Life Skill programmes, Value Education programmes, Webinars and Seminars for students are regularly conducted. Each student is given an institutionalized ID to access various resources, study material and programs in hybrid mode. The performance of our students has been exemplary in university examinations. They have bagged Meritorious Awards. In addition, the college also gives more than 100 proficiency prizes, 51 instituted prizes, 36 merit scholarships and 8 instituted scholarships for its meritorious students each year. Our visually impaired and PwBD students get hundred percent scholarship from various agencies. The college also supports the Economically Weaker Sections through its Students Aid Fund.

The Placement Cell of the college is very active. Students across all the disciplines are encouraged to get themselves enrolled in the Placement Cell through their Department Coordinators. More than 45 companies came to the college for the placements and nearly 300 students have got placed or have done internships last year. Many students are offered internships in various government and semi-government organizations as well. Last year our students qualified the Indian Civil Services Examination, Judiciary, Bank and were also appointed in teaching profession. We take pride to have a very eminent Alumni base.

The College provides a very safe, positive and intellectual learning environment in the campus to its students. The entire campus is Wi-Fi enabled and under CCTV surveillance. The college is committed to zero waste discharge, tobacco free zone and ragging free campus. It boasts of a well-stocked computerized library with more than one lakh books and periodicals in addition to e-resources and a braille section. Apart from this, the Science Laboratories and their museums are also commendable. The Computer Laboratory, the State of Art Gymnasium, Conference Hall, Amphitheatre, a large Auditorium and a beautiful Hostel with a capacity of approximately 200 students are also laudable.

I hope Daulat Ram College will give you the space and facilities to accomplish your dreams.

With Best Wishes,
Prof. Savita Roy
Principal

Vice Principal's Message

Students, rest assured that Daulat Ram College, one of the renowned affiliated colleges of the University of Delhi, is the right place for you all. The college imparts holistic education to female students in education course work as well as in co-curricular and extracurricular activities. The college also gives a chance to acquire additional skills for students' further career progression by providing them the opportunity to participate in Skill Development Programs (SDPs) which are conducted by the college faculty, during summer and winter breaks. These SDPs can provide students training in various progressive fields like digital literacy, bioinformatics, music, cyber security and many more areas of interest. Students can enrol themselves in any of these courses which are conducted from time to time by various departments. They can also enrol in the National Service Scheme (NSS), for community services like blood donation, and in the National Cadet Corp (NCC) for advanced physical training like trekking, which will foster a sense of discipline, compassion and integrity.

The college has an active placement cell which conducts sessions/workshops regularly to help students in writing concise resumes, and appries them of off-campus internships and career opportunities. Students can also get on-campus placements in the final year through these opportunities. The college has taken a proactive role in keeping its environment neat and clean by recycling the college campus' waste. Students can participate in this venture and become aware of the environmental sustainability of the campus which is one of the sustainable goals of the United Nations.

In case students are interested in research, the college can help them to acquire necessary skill sets. The college has maintained several resource centres like Zebrafish Facility, Drosophila Facility, and Environment Lab where students can participate in Internships and also undertake small research projects. If students are facing any mental anxieties, they can approach the Psychology Resource Centre to get counselling about how to enhance their positive mental health. The college also has a well-equipped sports complex and a big sports ground where students can train themselves in Gym and other sports activities. Students will also have a chance to be the part of the Students' Union to inculcate leadership skills. They will have the chance to upgrade and showcase their talent and organize events which can help other students to do the same.

The Vidya Vistar Scheme facilitates the opportunity to be trained in skill sets which may be unique to colleges located away from NCR. The college has been running add-on courses in foreign languages since the last ten years. This provides education in seven foreign languages: Spanish, French, Italian, German, Chinese, Korean, and Japanese, which gives students an opportunity to learn a foreign language. Students can enrol in any one of the certificate courses in the first year itself. They can progress to Diploma and Advanced Diploma in the same language in the subsequent years. So they can earn an additional qualification during their undergraduate degree education period.

Students can enrol in any of the add-on courses like Legal Literacy, Awareness and Aid, and Data Analytics with 'R' along with their degree course. Thus, college life is going to give students a plethora of platforms where they can groom themselves for a successful life ahead. It is up to the students how much interest they can take, work with energy and passion to make the best use of campus life at Daulat Ram College. My best wishes are with you.

Note: Examination fees may vary depending upon practical component of General Elective (GE) Papers. The fee payable by Foreign Students will be Foreign Students' Registry in addition to the above fees.

Students from other Universities will have to pay Rs.50/- as enrolment fee in addition to the above charges in M.A. Courses.

For payment of Fees, students with physical disabilities should refer to the Delhi University Admission Brochure 2023-24.

* Caution Money is Refundable if claimed before the end of Financial Year in which the student leaves the college.

Caution Money will be refunded through RTGS/NEFT. Student should have her own account in any bank.

University/College reserves right to revise Fee and other charges any time during the year.

Payment of Fees

All fee receipts should be preserved for scrutiny and should be produced at the time of filling up the examination forms and refund of caution money. Notice regarding payment of College/Examination fee will be put up on the notice board.

Identity Card

Every student is issued an identity card by the College. It is mandatory for students to carry it every day. In case of any kind of indiscipline, the I-card will be confiscated. In case of loss of I-card the students are advised to intimate the college office immediately. Duplicate I-card will be issued on payment of Rs. 500/- Any change of address or phone no. should also be notified by the student.

Discipline

Students will be governed as per Ordinance XV-B of the University Calendar.

Concession/Waiver of Fees for Persons with Disabilities (PwBD)

Candidates with physical disabilities pursuing various programmes of study in the Faculties, Departments, Centres, and Institutions/Colleges of the University shall be exempted from payment of fees, including examination fees and other University fees, except Admission fees, subscription towards Delhi University Students' Union and Identity Card fees (As per amendment to Ordinance X(4) of the University).

- a) PwBD Candidates who meet the cut-off for the unreserved category and will take admission in the unreserved category (UR) will pay the fee relevant for PwBD Candidate.
- b) As per the Executive Council Resolution No. 50 dated 03.11.2012, students with physical disabilities residing in different Hostels/Halls of the University are exempted from payment of all hostel fees and charges except refundable caution fees and the mess fees. Persons with Physical Disabilities who are students shall pay 50% of the Mess fees and the remaining 50% of their Mess Fees will be met by the University of Delhi. Similar norms are adopted by our college in respect of PwBD students residing in the hostel.
- c) PwBD students who are getting fellowships/financial assistance shall be exempted from payment of fees/charges/mess fees subject to the following conditions. All admitted SC/ST, OBC, EWS, PwBD students in colleges who are eligible for fellowships should submit their scholarship forms to the requisite office by February for timely processing.

Value of Fellowship	Exemption of Fees Waiver etc.
Upto 3,000 per month	Fees waiver + 50% Mess Subsidy
3001 to 8000 per month	Fees waiver but no Mess Subsidy
8001 and above per month	No fees waiver and no Hostel Subsidy

Undergraduate Curriculum Framework-2022 (UGCF-2022)

Keeping in mind the underlying principles of National Education Policy 2020, the Undergraduate Curriculum Framework-2022 (UGCF-2022) of the University of Delhi has been structured to provide opportunities to students across disciplines to pursue research, innovation, apprenticeship, social outreach, entrepreneurship and many similar areas of knowledge and creativity.

Every discipline offers three categories of courses of study, viz. Discipline Specific Core courses (DSCs), Discipline Specific Electives (DSEs) and Generic Electives (GEs) with multiple exit options as per NEP 2020.

Discipline Specific Core is a mandatory course of study to be pursued by a student. For award of single discipline specific Honours degree DSCs shall be the core courses of that discipline. To pursue an Honours degree programme in a 'Field of Multidisciplinary Courses of Study' the DSCs shall comprise of core credit courses of more than one discipline. In the fourth year of such honours degree programme students will study only one discipline and hence the DSC courses in the VII and VIII semesters shall be of one discipline and not a combination of these three disciplines. Please refer to the framework given as Illustration –I in Table-6 of UGCF 2022 Based on NEP 2020.

Generic Electives shall be a pool of courses which is meant to provide multidisciplinary or interdisciplinary education to students. GEs shall consist of a pool of courses offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose. In case a student opts for DSEs beyond her discipline specific course(s) of study, such DSEs shall be treated as GEs for that student.

Ability Enhancement course (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC) are a pool of courses offered by all the Departments in groups of odd and even semesters from which students can choose. A student who desires to make Academic Project/Entrepreneurship as Minor has to pick the appropriate combination of courses of GE, SEC, VAC, & Internship/Apprenticeship/Project/ Community (IAPC) which shall be offered in the form of various modules as specified in the scheme of studies.

A student pursuing four-year undergraduate programme in a specific discipline (Core course) shall be awarded an appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if he/she secures in that Discipline at least 50% of the total credits i.e., at least 88 credits in that Discipline out of the total of 176 credits. He/she shall study 20 DSCs and at least 2 DSEs in eight semesters. A student may be awarded Minor in a discipline, on completion of VIII Semester, if he/she earns minimum 28 credits from seven GE courses in that discipline. For example, if a student pursuing B.A. (Honours) History chooses seven GE courses of Political Science out of a total of ten GE courses and writes dissertation, she shall be awarded on successful completion of VIII Semester, Major in History and Minor in Political Science.

A student pursuing four-year undergraduate programme in more than one discipline as Core Course (for example B.A. Social Sciences/ Humanities, B.Sc. Life Sciences, B.Sc. Physical Sciences, B.Sc. Mathematical Sciences, B.Com. and such other programmes) shall be awarded appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if he/she secures in that Discipline 80 credits out of a total of 176 credits. He/she shall study 6 DSCs and at least 3 DSEs in that discipline in the first six semesters and 2 DSCs, 6 DSEs and write dissertation in that discipline in the VII and VIII semesters. A student may be awarded Minor in a discipline, on completion of VIII Semester, if he/she earns minimum 28 credits from six DSCs and one DSE of that discipline. For example, a student pursuing four-year B.A. (Honours) Social Sciences/Humanities with Major in History (after securing at least 80 credits in History), may be awarded Minor in Hindi if she earns 28 credits from six DSCs and one DSE of Hindi (up to VI semester), on successful completion of VIII Semester.

VIII	D SC - (4)	Choose three DSE(3x4) courses OR Choose two D SE-(2x4) one GE (4) course OR Choose one DSE (4) and two GE (2x4) courses (total = 12)		Course (AEC)	Course (SEC)	ship/Project (2)	Dissertation on Major (4+2) OR Dissertation on Minor (4+2) OR Academic project/ Entrepreneurship (4+2)	22 credits
Students on exit shall be awarded Bachelor of (in the Field of Multidisciplinary Study) (Honours or Honours with Academic Projects/Entrepreneurship) after securing the requisite 176 credits on completion of Semester VIII								Total = 176

@# The framework is based on the Common UGCF provided in Table-3 and is relevant for those programmes where more than one discipline is preferred as core courses, such as Bachelor in Life Sciences, Physical Sciences, and any other such multidisciplinary fields of study.

TABLE -7
Illustration - 2: Sample UGCF for Courses of Study with more than Core Discipline

Semester	Core (DSC)	Elective (DSE)	Generic Elective (GE)	Ability Enhancement (AEC)	Skill Enhancement (SEC)	IAPC	Value Addition course (VAC)	Total Credits
I	DSC - 1 (A/B)		Choose one from a pool of GE Languages Language -1* GE-1 (4)	Choose one from a pool of AEC courses (2)	Choose one from a pool of courses (2)		Choose one from a pool of courses (2)	
	Discipline - A1							
	Discipline- B1 (4)							
II	DSC -2 (A/B)		Choose one from a pool of GE Languages Language-2* GE -2 (4)	Choose one from a pool of AEC courses (2)	Choose one from a pool of courses (2)		Choose one from a pool of courses (2)	22 credits
	Discipline -A2							
	Discipline- B2 (4)							
<i>Students on exit shall be awarded Undergraduate Certificate (in the Field of Multidisciplinary Study) after securing the requisite 44 credits in Semesters I and II</i>								Total = 44
III	DSC-3 (A/B)		Choose one from pool of GE Languages, Language-3* GE - 3 (4)	Choose one from a pool of AEC courses (2)	Choose one SEC OR Internship/Apprenticeship/ Project/Community Outreach (IAPC) (2)		Choose one from a pool of courses (2)	22 credits
	Discipline - A3							
	Discipline - B3 (4)							
IV	DSC – 4 (A/B)		Choose one from pool of GE Languages, Language-4* GE - 4 (4)	Choose one from a pool of AEC courses (2)	Choose one SEC OR Internship/Apprenticeship/ Project/community outreach (2)		Choose one from a pool of courses (2)	22 Credits
	Discipline - A4							
	Discipline - B4 (4)							
<i>Students on exit shall be awarded Undergraduate Diploma (in the Field of Multidisciplinary Study) after securing the requisite 88 credits on completion of Semester IV</i>								Total = 88
V	DSC – 5 (A/B)	Choose one from a pool of courses DSE-1 (A/B) (4)	Choose one from a pool of courses GE-5 (4)		Choose one SEC OR Internship/Apprenticeship/ Project/Research/Community Outreach (2)			22 credits
	Discipline – A5							
	Discipline – B5 (4)							
VI	DSC – 6 (A/B)	Choose one from a pool of courses DSE-2 (A/B) (4)	Choose one from a pool of courses GE-6 (4)		Choose one SEC OR Internship/Apprenticeship/ Project/Research/Community Outreach (2)			22 credits
	Discipline – A6							
	Discipline – B6 (4)							
<i>Students on exit shall be awarded Bachelor of (in the Field of Multidisciplinary Study) after securing the requisite 132 credits on completion of Semester VI</i>								Total=132
VII	DSC-13 (4)	Choose three DSE (3x4) courses OR Choose two DSE- (2x4) and one GE course OR Choose one DSE (4) and two GE (2x4) courses (total = 12)					Dissertation on Major OR Dissertation on Minor OR Academic project/ Entrepreneurship (6)	22 credits
VIII	DSC -14 (4)	Choose three DSE (3x4) courses OR Choose two DSE- (2x4) and one GE course OR Choose one DSE (4) and two GE (2x4) courses (total = 12)					Dissertation on Major OR Dissertation on Minor OR Academic project/ Entrepreneurship (6)	22 credits
<i>Students on exit shall be awarded Bachelor of (in the Field of Multidisciplinary Study) (Honours or Honours with Academic Project/Entrepreneurship) after securing the requisite 176 credits on completion of Semester VIII</i>								Total= 176

* Languages 1, 2, 3 & 4 offered in semesters I, II, III & IV respectively are courses of two different Languages (one of which shall be an Indian Language) to be chosen from a pool of Languages offered as GE. A student shall study two courses of each language.

DSC-1 to DSC-6 shall be core courses of either Discipline A or B.

If a student wishes to Major in Discipline A, then he/she should earn at least 80 credits from DSCs and DSEs of Discipline A. If the sum total of the DSCs and DSEs of Discipline A is less than 80 credits, then the credits earned in the dissertation written on a topic of Discipline A shall also be taken into consideration to complete the requisite 80 credits.

Combination-wise Major and Non-Major disciplines for B.A.(Prog)

- 1) Economics (Major) + Maths (Non-Major)
- 2) Political Science (Major) + History (Non-Major)
- 3) Philosophy (Major) + Psychology (Non-Major)
- 4) History (Major) + English (Non-Major)
- 5) Sanskrit (Major) + Music (Non-Major)
- 6) NHE (Major) + Music (Non-Major)
- 7) NHE (Major) + ESB (Non-Major)
- 8) Physical Education (Major) + Political Science (Non-Major)
- 9) Hindi (Major) + Physical Education (Non-Major)

Note: These Major and Non-Major subjects will be available in the 1st year due to infrastructure and faculty constraints. However, depending on the availability in the third semester, student may have option to interchange the disciplines.

Placement Cell

Vriddhi

Vriddhi, the Placement Cell of Daulat Ram College, constitutes a diligent and dedicated team of students and teachers who work to provide the best possible career opportunities to the deserving students. The cell works under the leadership of Dr. Kalpana Vaish (Convenor), Ms. Deepika Jindal (Co-Convenor), Ms. Richa Kaur (Co-Convenor) and Ms. Saachi Bhutani (Internship Coordinator), along with other teachers, Dr. Gira Singh, Dr. Avneet Kaur, Dr. Arti Jain, Ms Nivedita Sharma, and Dr. Radhika Gupta.

The Placement cell provides both on-campus and off-campus opportunities to the students for recruitment and internship drives. Every year various reputed companies visit the college such as Accenture, Wipro, Deloitte USI, DE Shaw, Larsen & Toubro, WTW, and many others. In the last session, 110+ students received job offer letters from prestigious companies. The highest package for the year 2022-23 was 21.5 LPA and the average package was 6.5 LPA.

The Placement Cell organizes its Annual Career and Internship Fair called *Incrementum*. Last year in *Incrementum 6.0*, a Speakers' Conclave was held on the theme, *Importance of Balance between Success and Happiness*. Over 40 companies/organizations participated in the fair and extended amazing recruitment & internship offers to the students.

Vriddhi organises seminars/webinars and workshops throughout the year on topics like CV Building, Placement Training, Financial Awareness, Career Building after Graduation, and Opportunities Abroad for the holistic development of the students to enhance their practical knowledge about the corporate world. For this, the Placement Cell has collaborated with reputed organizations like T.I.M.E, AECC Global, Discover Matrix, IMS Learning Resources, Reserve bank of India and Indian Army among others to give useful insights regarding career prospects.

Other initiatives taken by the Cell include **Saaransh 2.0 - The Placement Cracker**. It is a one-stop guide for ace interviews and covers everything from how to construct a video CV, sit for an interview, different industry job profiles and how to get into them. Another significant endeavour is **Career Crew** which provides career insights on different job profiles in the corporate world.

The Placement Cell offers positions of Junior Executives to the first-year students so that they can be a part of the team. The Orientation Programme for freshers will also be organised by the Placement Cell. For further details and notifications, follow us on:

Convener: Dr. Kalpana Vaish

Disaster Management Committee

Under section (30) (2) of the Disaster Management Act, the Disaster Management Committee was formed in Daulat Ram College to review the preparedness and measure the level required for responding effectively to any disaster or threatening disastrous situation.

Nodal Officer: Dr. Gurmeet Kaur

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of Daulat Ram College works with the vision and mission of upgrading and maintaining quality of the holistic development of students. It aims to improve the quality of teaching, co- curricular and extra-curricular activities of the college. To achieve this goal, it makes an academic calendar at the beginning of the academic session to schedule the academic teaching, examinations, and the various types of activities which students can plan to participate in, throughout the year.

These activities include the Skill Development Programmes (SDPs) which are designed to impart additional professional skills to the students. These are scheduled during the vacations so that students can comfortably attend them. Besides this, students also learn about various workshops, conferences, seminars, talks and panel discussions which are organized by the college during the academic year so that they can plan their participation in the events.

The IQAC (Academic Session 2023-24) comprises of the following members:

Prof. Savita Roy- Principal

Prof. Sarita Nanda- Vice Principal

Prof. Rajni Sahni- Coordinator

Dr. Kavita Sharma – Faculty Member

Prof. Padmshree Mudgal - Faculty Member

Prof. Meetu Khosla- Faculty Member

Dr. V. Sujata Raju - Faculty Member

Prof. Suranjita Ray- Faculty Member

Dr. Deepshikha Mahanta Bortamuly - Faculty Member

Dr. Manisha Jaiswal - Faculty Member

Prof. Shyama Rath - Member, Governing Body

Dr. Kavita Sharma -Member, Governing Body

Mr. Arun Kapoor - Member, Governing Body

Mr. Subhash Chand Gupta - Director, Mother's Pride

Mr. Himanshu Chadha - Director, Aaryanveda

Mr. Mohinder Kumar, Assistant Director, Ministry of Home Affairs, GOI (Parent of Ms. Harika, Student, Department of Mathematics)

Ms. Vijayta Rana – Sr. P.A. to Principal

Ms. Veena Ralli - Alumni (Lawyer) corporal

Prerona Moyee Gogoi - Student, Department of Psychology and NCC Cadet

Ms. Prerna Chopra – Student, Department of Biochemistry.

Various Societies and Cells

Extra-Curricular Activities (ECA)

Extra-Curricular Activities (ECA) include a wide-range of activities beyond the scope of regular curriculum. These activities require regular time commitment and dedication. Daulat Ram College always believes in emphasizing on extracurricular activities which are an integral part of our students' inclusive development. The ECA committee has dedicated faculty members who encourage students to cultivate their skills in wide arenas besides academics. It facilitates the opportunities to explore creative interests and ideas which enables students to build their intellectual, physical, ethical, social and coherent personalities. The committee had organized various events and activities throughout the year under the aegis of *Azadi ka Amrit Mahotsav*, an initiative by the Government of India to celebrate 75 years of independence in the academic year 2021-22.

Under the ECA Committee, the following societies have been constituted to provide a platform to the students to enhance their creative talents. Students are required to register in any one of the following societies.

1. Debating Society
2. Dramatics Society
3. Fine Arts Society
4. Film and Photography Society
5. Music and Dance Society
6. Quiz Society
7. Poetry Society
8. Fashion Society

Convener: Dr. Manish Kumar Chaudhary

Debating Society *Debsoc*

Debating Society (DEBSOC) is a vibrant platform with the aim to provide transformative learning experience to students in an atmosphere of reasoned argument and respectful discourse. They learn to express, evaluate and analyze issues/ideas and discuss solutions. They learn the tactics of organization and clarity, which helps them articulate their thoughts confidently and persuasively. The knowledge forum instills in its participants a sense of teamwork, which enhances their critical thinking, communication, public speaking, and decision-making skills thereby helping them with a

lifetime of leadership. The society organizes several issue-based programmes in each academic session along with Daulat Ram Memorial Debate, an annual event, with a running trophy since 1985.

In the academic session 2022-2023, DEBSOC began its work by electing its Union members. The DEBSOC conducted its auditions for second and third year students in the month of November 2022 and for the freshers on 14th and 15th November 2022. It received more than 200 registrations from various departments of the college and after several rounds of auditions, conventional debates and personal interviews, 30+ students were shortlisted to become the part of DEBSOC.

The DEBSOC organized the 8th edition of its Annual Fresher's Bilingual Conventional Debate - CONTROVERSUS on November 24th 2022. The motion argued and debated upon was, 'This house supports the narrative that all people are socially redeemable'. It received overwhelming response from students all over the country and DEBSOC had to restrict it to 20 teams for participation. Besides, it has been conducting regular sessions amongst its members on debating skills, various issues like Gender Justice, etc. The DEBSOC also organized the 40th edition of its Daulat Ram memorial conventional debate on 21st March 2023. It saw 50+ responses from colleges all over the country and saw the participation of 28 teams in the event. The members of society actively participated in various mock sessions, speaker sessions and case preparation sessions organized within society. They actively worked and secured various sponsorships such as Upschol career talk and also organized a Career fair and UPSC counselling programme by Unacademy. The members of DEBSOC have also actively participated in >120 tournaments and won accolades and prizes in >80 debates and events, including Parliamentary debates, and conventional debates organized by various colleges and institutions all over the country.

Convener: Dr Anita Garg Mangla

Dramatics Society

Memesis

Theatre is not just a form of entertainment; it's a platform through which we can discover a world of limitless possibilities, a world where characters come to life right before our eyes. Whether it's acting, directing, or designing sets and costumes, theatre provides endless opportunities for artists to hone their skills.

Memesis - The Dramatics Society of Daulat Ram College strives to keep the essence of theatre alive by passing down the art of street and stage theatre. The *Neele Kurte* has been our discrete identity

which has left its footprints on almost every nukkad of Delhi-NCR. *Memesis* is a home within our college as it's a tight-knit community with like-minded people who aim to achieve creative excellence and growth.

The society also organizes its Annual Theatre Festival- *Adakari*, wherein the selected teams perform on the college campus. The event has been created in the spirit of keeping the true message of *Nukkad Natak* alive so that the messages created for the people reach the people that they are intended for.

Link of YouTube page- <https://youtube.com/channel/UCqPmlb7fd5QdhGOgMRYrjHA>

Convener: Dr. Shivali Aggarwal

Theatre is an art form that creates a sphere where one can witness the real world and the unreal world at the same time. A world where we can reconnect with our souls. A world that is full of introspection and exploration.

Fine Arts Society

Spectra

The Fine Arts Society ‘Spectra’, provides a platform to the students to showcase their creativity and talent through annual exhibitions and various inter and intra college competitions conducted on different occasions throughout the year. It also gives an opportunity to actively learn various art forms through interactive workshops like poster making, handmade traditional jewellery, dress designing, mandala making, calligraphy etc. conducted by art experts.

The society also aims to enrich the knowledge of its members/participants regarding the various art movements of the past and present and discussions about famous artists and their work, so as to gain a more comprehensive understanding of the art world.

Despite the challenges posed by the pandemic, Spectra had very successfully organized its art fest ‘Metanoia’21” which involved intercollege competitions and virtual art exhibitions where students across various universities actively participated along with other online workshops.

Convener: Dr. Violina Borah

Film and Photography

Magic Lantern and Sepia

The Film and Photography Society of Daulat Ram College, Magic Lantern and Sepia, provides a forum for students from all disciplines to actively connect with these two great, expressive media. This is a vibrant society which brings together the finest of cinema and photography.

Students are familiarised with the language of cinema and photography by engaging them in various workshops, activities and seminars. The society assists students in understanding critical and aesthetic values so that they may engage in meaningful debates and discussions about Visual Arts. Students interested in audio-visual media and journalism will gain the most from this society along with film and photography lovers.

Magic Lantern, the film society, introduces the students to critically acclaimed films, thereby enabling them to appreciate and analyse films. It was the precursor of the motion picture projector used as a means of visual storytelling. In its earliest form it used transparent glass slides with paintings to project images onto a screen and the name conveys the wonder and magic that were and are inherent in moving visual images. Over the years, Magic Lantern has conducted various events like- – film screenings, speaker sessions, masterclass on cinematography, script writing and many more.

Sepia, as the name suggests, conveys the sense of history and nostalgia inherent in capturing a moment through still photography. It organizes interactive workshops, regular assignments and feedback sessions, and discussions with experts in the field to facilitate a better understanding of the craft and develop an eye for details.

Convener: Dr. Manish Chaudhary

Music and Dance Society

The Music and Dance Society provides a platform to the students to showcase and enhance their talent in various forms of music and dance. It provides opportunities to the students to prepare and perform at different events and competitions in various colleges and institutions.

The society is divided into four sub societies-

Indian Dance Society

Annhad

Daulat Ram College is not only known for its academic excellence but also for its dance society – Annhad. Undoubtedly, the dance society of our college has made its mark across the dance fraternity and its lovers. It is a wonderful breed which brings together dancers from Indian classical, folks, and Bollywood, providing them with a platform to liberate their learnings and skills. The society imbibes the passion for dance in the students and helps them in maintaining a youthful exuberance. The dance society always brings forth the hidden talent towards this wonderful art form in every living soul. The name Annhad itself signifies that for every individual who is a part of dance society, there are no limits and no boundaries, and she is a pioneer and a determined individual.

Every year, the society conducts its Annual Fest called Raas. It comprises of Yogya-the solo classical dance competition, Darpan- the Indian face off dance competition and Ullas - Indian group folk dance competition. A variety of dancers from various colleges participate in the fest in large numbers.

Indian Music Society

Alahyaa

Music is the language of the spirit, and this spirit has completed a decade in Daulat Ram College. Alahyaa, the music society of our college finds its prominence across all the colleges of University of Delhi. Alahyaa was started in 2012. It is a spectacular blend of accomplished vocalists and instrumentalists who started the journey to take this society to new heights. The music society has the potential to break all the barriers and include students having passion for music. The society aims at achieving ultimate perfection and leave an everlasting influence of the college. Our journey of winning the hearts of music lovers and everyone else has just begun and we assure to throng their lives with tranquillity.

Convenor: Dr. Sunita Durangal

Western Music Society

Encore

Encore is primarily a cappella group consisting of a bevy of talented women sharing their penchant for music. This society explores the vast domain of western music, ranging from classical music to the latest pop and rap songs. If you are an instrumentalist, a group singer, or a soloist, this is the place to be. Encore, albeit relatively new, is an uprising name within the Western Music circuit of University of Delhi. In the year 2021-22, Encore created its annual composition consisting of 3 songs – “Kaval Sviri”, a Bulgarian folklore, “Power” by Kanye West, and “All for us” by Zendaya ft Labrinth and participated in 4 competitions, placing in 2 of them. This was the first time performing offline after 2 years of the COVID-19 pandemic, and now there is no looking back. Encore will continue to soar!

Western Dance Society

Zenith

As its meaning says “the time at which something is most powerful or successful”, Zenith is a group of dynamic Urban Dance style performers drawing inspiration from Hip-Hop and Street Dance styles. Every year the team prepares for its annual production under the training of a professional choreographer, perfecting its moves, steps and style. With its unending zeal, power packed performances, Zenith, has become a well-known western dance society in University of Delhi Dance Circuit.

Apart from furthering your passion for dance, journey with Zenith will help you develop life skills ranging from team building, creative thinking, resilience, empathy, effective communication to name a few. During the college annual festival Manjari, the society has consistently witnessed an overwhelming participation from various colleges across the university year after year, so much so that, it is one of the most sought-after events for the students. Zenith works incessantly to bring laurels to the college through its performances in various competitions held at IITs and across colleges of University of Delhi. The society aspires to achieve new heights in the times to come.

Convener: Dr. Pratibha Kumari

Quiz Society

Tajagna

Tajagna -The Brilliance of Shaping Diamonds.

Tajagna, arising from the Sanskrit word for **Brilliance** is the Quiz Society of Daulat Ram College. The main objective of the society is to empower students with knowledge, over and above the academic pursuits of the college so that they may emerge as multifaceted individuals, aware and sensitive to the happenings around them.

The year 2022 -23 saw the Society grow in number by twofold and perform its activities seamlessly even in the digital realm. A structured society with a President, Vice-President and Treasurer as Union members, the students have organised themselves into distinct Management, Quiz Master, Research, Digital, Marketing as well as Social Media Wings, each of which are headed by a team of two. The activities through the past year have been student driven, such as the Social Media weekly factoids, or Quizzes run on Gmeet/Zoom portals live, at the society/college as well as inter-college levels. Confidence and personality development through *presenting, creating and running* these quizzes have been the forte for the Tajagna team which compiles, curates and presents them.

Convener: Dr. Deepak Naorem

Poetry Society

Imagism

Imagism - the Poetry Society of Daulat Ram College is one of the fastest-growing societies across campus. While connecting poets and writing enthusiasts through our frequent events and sessions, we try to spread the idea of magic that every poetry beholds." We do not write poetry, poetry writes us " - with this vibrant idea, Imagism allows a holistic development in all its poets and even provides them with constant stimulus to exercise their potential.

Imagism stands for the inclusion and celebration of our uniqueness and diversity. Holding onto the idea that art needs no uniform medium, this society welcomes works in Hindi, English and other regional languages. It has a long way to go, experimenting with poetic forms and activities. Like life, this society faced a fair share of uncertainties during the time of COVID but withstood the same with absolute dedication and admiration for keeping up with poetry.

Alongside poetry sessions and skill-enhancing workshops in hybrid mode, we also invite prominent poets to share their experiences and treasures of learning. We thrive to inspire and we welcome the students from all over India to join our events. Our annual event Raag-e-Sukhan displays the joy of creativity in all forms, that transcends the conventionalism of an 'average poem' and serves the audience with something new to ponder upon.

Convener: Dr. Sunita Gupta

Fashion Society

Debonair

Debonair, the Fashion Society of Daulat Ram College has been performing fashion shows for social causes for a decade now. Debonair performs shows in and outside Delhi in different colleges and universities every year. Members of the society have never failed to bring laurels and have achieved a lot of popularity in recent years. Every year, debonair selects around 14-15 members as their models who perform on the stage. Apart from this, 3 to 4 creative members are selected who manage everything backstage, including makeup and all the necessary work. We design our costumes and get them custom stitched by our designers.

Convenor: Prof. Priti Malhotra

Eco Club

Dhara

Nature holds the key to our aesthetic, intellectual, cognitive and even spiritual satisfaction. DHARA, the Eco Club of Daulat Ram College envisions to evoke an understanding of the various environmental issues among the students so that they become **Green Brigade of budding environmentalists**. The idea is that the young minds should inculcate the habit of conservation and preservation of environment.

The Eco-club organises various green events like Eco-friendly Drives, Green Competitions, workshops, conferences and Youth Panel Discussions on Sustainable Development. Team Dhara takes every action to improvise the immediate measures under Reduce, Reuse and Recycle Programme. Our **ECO-CHAMPIONS** through their small and effective ventures spread the awareness of sustainable development. It inculcates positive attitude in students to participate in different action-based programmes for saving our environment. Dhara always encourages students' participation for fellowships related to environment, Olympiads, internship programmes initiated by

various companies as a part of creating environment consciousness. It has been leading the students for various missions like “Save Yamuna” and “No Plastic Pollution”. Besides this, Team Dhara has joined hands with the recycling unit for the project REJOY RECYCLE initiated in 2020, with the objective of creating WASTE TO WEALTH. The mission of Dhara is to work towards growing institutional focus on achieving positive sustainability impacts.

Convenor: Dr. Anju Jain

Gandhi Study Circle

Gandhi Study Circle actively engages in comprehending the different facets of the life of Mahatma Gandhi. The society provides a platform for the students to express manifold opinions on the importance and practicality of Gandhian philosophy. A few of our recent initiatives include the Gandhi Lecture Series which so far has been

delivered by some of the distinguished academicians like Prof. Dinesh Singh, Prof. Ashok Acharya, and Arvind Mohan. The society also organizes visits to Gandhi Bhavan, Gandhi Smriti and Darshan Samiti, and Gandhi Museum to enrich students’ learning. Several inter-college quiz competitions, essay writing, poetry competition centered on Gandhian thought are organized.

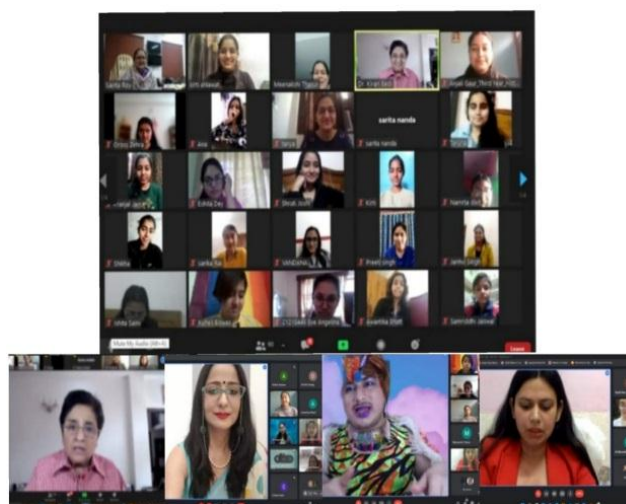

Convener: Ms. Menka Singh

Gender Champion Cell

Pahal

The gender socialization of both boys and girls begins early, and it is important to initiate an intervention at a young age to shape attitudes and transform behaviours. Schools and colleges play a major role in this regard, because students spend large amounts of time engaged with peers in such settings. Pahal-The Gender Champion Cell (GCC) aims to encourage, empower, educate and inspire young minds to work towards gender equality. Creating positive social norms in educational institutions that value girls and their rights are important to improve the well-being of girls and achieve long-term and sustainable social change. The broad mandate of GCC is to provide an integrated and interdisciplinary approach to the understanding of the social and cultural constructions of gender that shape the experiences

GLIMPSES OF OUR PAST EVENTS

of women and men in society. We at Daulat Ram College through the GCC engage in activities in the form of focused group discussions, debates, poster competitions, organising film fest on gender equity in order to make the young girls gender sensitive and create positive social norms that value the girls and their rights.

Convener: Dr. Meenakshi Thakur

Women Development Cell

Pragati

Pragati, the Women's Development Cell of Daulat Ram College is a students' and teachers' collective with a passion for gender equality and feminism. We firmly believe in making women empowered in terms of self-esteem, personality and character, and provide a platform for students to explore and develop themselves as aware, and independent individuals. Pragati aims to generate awareness and educate students on women rights, status, health and empowerment through conferences, seminars, workshops, lectures, debates, essay writing and poster making contests, field trips, film making, film screenings, street plays, graffiti, pledge walks etc. The Women's Development Cell of our college, publishes its multidisciplinary bilingual annual magazine 'Shreshtha' with an ISBN number in which the faculty and students of all departments of the college contribute research articles, prose, poetry and artworks, related to women's issues.

Convener: Dr. Neetu Gupta

North East Cell

Purvasha

The North East Cell of Daulat Ram College was established in 2014 under the direction of Ministry of Human Development (MHRD) and University of Delhi with an effort to bridge the gap between the people of North East and other parts of the country. Every year the Cell organizes various events such as seminar, conference, panel discussions, fest etc with an aim to enhance their academic skills as well as co-curricular experiences and help them explore more opportunities. The students from various North East Cells of other colleges of University of Delhi are encouraged to organise and participate in events together. The aim of this Cell is to provide the students of North East with a platform specific to understanding the issues they face. Our students actively participate in events that are organised by the Government of India like Ishan Manthan and the North East Festival as participants, performers and volunteers.

Dr. Violina Borah

Nodal Officer

Enabling Unit

The Enabling Unit of Daulat Ram College is committed to providing assistance to differently abled students and staff members to enable them to actively participate in the academic, intellectual, social and cultural life of the college, University and beyond.

The Enabling Unit organises workshops, talks, training programmes, cultural activities and competitions in the college. The unit also provides additive devices like Angel to visually impaired students and writers during examinations to ensure that there are no barriers which are generally present.

During the Covid-19 pandemic, the unit organised virtual meetings for its members and has resumed its various activities at present.

The Enabling Unit of our college is strongly determined to promote and safeguard the interests of the differently abled students and staff members in the college.

Convener: Ms. Manjula Rath

SPIC MACAY

SPIC MACAY is a society for the promotion of Indian classical music and culture amongst youth. It is a voluntary non-profit movement founded in 1977 by dedicated students to conserve and promote Indian culture and introduce the rich cultural tapestry to the youth of this country. It is a movement with chapters in over 300 towns all over the world. SPIC MACAY was established by Dr. Kiran Seth in 1977 at IIT Delhi.

SPIC MACAY Chapter of Daulat Ram College has been working with the same vision and carrying the initiatives of the main chapter forward. It has organised a

lot of mega and mini-events focussing on classical Dance, Indian Architecture, supporting the artist initiative etc. The SPIC MACAY unit of our college organised a Kathak session with Renowned Classical Dancer and Ustad Bismillah Khan Yuva Purushkar by Sangeet Natak Akademi recipient, Ms Gauri Diwakar, before the pandemic.

During the lockdown, many events of the society such as Prarambh, Mini Cultural Fest were organised to keep the spirit of Indian culture alive. Recently under the flagship of the union, SPIC MACAY Chapter organised a live session on "Support the Artist Initiative" and gathered many deep insights about the same. The event was graced by the presence of Mr Sabyasachi Dey and Ms Suman Doonga from the media department of SPIC MACAY.

Convener: Dr. Jyoti Taneja

राजभाषा प्रकोष्ठ

राजभाषा प्रकोष्ठ की संकल्पना के पीछे भारतीय संविधान के अनुच्छेद 343 (1) के अंतर्गत देवनागरी लिपि में हिंदी को संघ की राजभाषा घोषित किये जाने का महत्व और उसकी उपादेयता अन्तर्निहित है। राजभाषा प्रकोष्ठ यह सुनिश्चित करता है कि महाविद्यालय के अकादमिक एवं प्रशासनिक गतिविधियों में राजभाषा अधिनियम के संकल्पों का कार्यान्वयन हो रहा है। दौलत राम कॉलेज प्राथमिक रूप से राजभाषा हिंदी को संरक्षित एवं प्रोत्साहित कर रहा है। प्रत्येक अकादमिक एवं प्रशासनिक क्रियाकलाप में राजभाषा हिंदी को वरीयता देना हमारी भाषाई प्रतिबद्धता है। राजभाषा प्रकोष्ठ वर्ष 2023 से नवीन प्रयोगों द्वारा राजभाषा की मुलभूत संकल्पनाओं को मूर्त करने के लिए प्रयासरत है। अप्रैल 2023 में गठित राजभाषा प्रकोष्ठ का औचित्य अकादमिक एवं प्रशासनिक कार्यों में राजभाषा हिंदी का अधिक से अधिक प्रयोग करना है। इसके लिए राजभाषा प्रकोष्ठ द्वारा दो राष्ट्रीय कार्यशाला का आयोजन किया गया है। राजभाषा प्रकोष्ठ भविष्य की कार्य योजनाओं पर भी सक्रिय और कार्यरत है, जिससे संस्थागत स्तर पर हिन्दी के प्रयोग को प्रोत्साहन दिया जा सके।

डॉ. मनीष कुमार चौधरी (संयोजक)

डॉ. शीतल कुमारी (सह - संयोजक)

Cyber Cell

Prepare and Prevent is better than Repair and Repent - With this motto, the Cyber Cell of Daulat Ram College, founded by Dr. Sushma Arora in 2017, works with the objectives of creating awareness regarding judicious use of cyberspace, to explore the challenges and opportunities offered by this space, to discuss the problems of and seek solutions to related experiences of the ever-evolving cyber world while also working towards a vigilance of prevailing cybercrimes in India. To this effect, the cell organizes various seminars and talks by eminent cyber-security analysts and experts for the benefit of students and staff of the college. It conducts workshops related to the newest developments in the Cyber World, Cyber Security, Ethical Hacking, Identifying Fake News,

and cyber-related issues. It also celebrates *Cyber Security Awareness month* every year. *ENCRYPT*, the annual event by the Cyber Cell, hosts Speakers' Summits along with many interactive activities with an aim to spread the message of being Cyber Smart. *CYBERNETICS*, the annual newsletter of the Cyber Cell is a forum for the students to express, discuss and debate the various issues of the cyber world.

Convener: Ms. Saneya

Entrepreneurship and Innovation: Start-Up Cell

Entrepreneurship is a mindset and an attitude to create value for others and it must be inculcated in students as early as possible. Entrepreneurship and Innovation: Start-Up Cell has the ambition of making the above a second nature of its members so that they keep capitalizing on opportunities which keep presenting themselves periodically to all of us.

While availability of capital, labour and land present a constraint to any business, for new enterprises, the biggest constraint, in our opinion, is the lack of creativity and initiative. Fortunately, they are the exact things which can be nurtured in young students by providing them the right atmosphere. We intend to become that nursery with the right soil and climate.

Convenor: Ms. Shikha Singh

Students' Union

The Students' Union of Daulat Ram College is a representative body that represents the concerns and interests of every student of the college. The union is constituted via elections that are conducted every year for various posts such as President, Vice President, Cultural Secretary, General Secretary, Joint Secretary, Treasurer and Proctor. The Students Advisory Board should be consulted regarding the election process and the eligibility of candidates for contesting elections. The students' union is expected to actively participate in organising various cultural events and activities in the college.

Two of its most popular events are ‘Freshers Miss DRC’ and *Manjari*, the inter-college annual festival.

The Students’ Union is open to the suggestions from students to improve its functioning. Students can also report their grievances to the union. It contributes immensely to make the campus life at the college more meaningful and memorable.

Convener: Dr. Snehlata

National Sports Organization

NSO

Physical Education is an integral part of the education system. It emphasizes the development of overall personality, fitness and health for all individuals.

The Department of Physical Education under the aegis of the National Sports Organisation (NSO) gives ample opportunities to all the students of the college for enhancing their fitness level and personality through training and wellness programmes.

It also encourages students for mass participation for doing physical activities on daily basis, eating a nutritional diet, and preparing themselves for a healthy future.

The department also organizes wellness, personality, gym, and fitness training programmes for the benefit of students. The department also provides sports facilities to all the students admitted to the college. They have morning/afternoon practice sessions in the sports complex. It helps outstanding sportswomen to excel in their respective sports disciplines and grooms them to participate at the university level, All India Inter-University, State, National & International levels. Students show their excellence in different sports like Table-Tennis, Kabaddi, Kho-Kho, Athletics, etc.

The NSO Convener Dr. Kavita Sharma encourages the students for mass participation in different physical activities. You can contact the department for your queries.

Convener: Dr. Kavita Sharma

National Service Schemes NSS

The National Service Scheme unit of Daulat Ram College focuses on involvement of students in various activities of social service and national development which aims to make a contribution to the overall socio-economic progress of the nation. It also provides opportunities to the students to understand the problems of the communities, to generate social consciousness and inculcate in them a sense of dignity of labour.

Our volunteers work to ensure that anyone who is in need gets help to enhance their standard of living and lead a life of dignity. The National Service Scheme unit abides by its ultimate aim of *Not me, but you* to provide hands on experience to students in delivering community service by organising Blood Donation Camps, International Yoga Day, Self-defence training, Not-for-profit Diwali mela, Senior Citizen Day, Aagaaz-the Social Annual fest, Cleanliness Drives, Awareness Drives to sensitise students about problems of divyang Students, Walkathons for Fit India, and many more.

Volunteers who diligently work throughout the year for the aim of social service and complete a total of 120, 200 or 300 hours in an academic session are awarded merit certificates. Over the course of its working, NSS DRC has launched three projects, *Project Itminaan*, *Project Avni* and *Project Paakhi*. *Project Itminaan*, with the tagline *bread for every breath*, is a hunger alleviation project under which we have fed more than 7500 strays all over India, till date. *Project Avni*, the sustainability initiative of the unit, aims to create awareness and take steps to fight against climate change and make the mother earth green and clean again. A number of plantation drives, cloth decomposition activities as well as webinars have been conducted in order to sensitise the volunteers about various hazards of climate change and encourage them towards making a change. Lastly, *Project Paakhi* i.e. the child welfare initiative of the unit, is its newest endeavour under which a number of stationary as well as sanitary kit donation and distribution Drive have been carried out.

The National Service Scheme Unit of Daulat Ram College will continue to work persistently with enthusiasm and zeal, and is committed towards fulfilling the ideals and pledges of its ultimate motto of social upliftment.

NSS Programme Officer: Dr. Sharda Gautam

National Cadet Corps NCC

The National Cadets Corps at Daulat Ram College (DRC) offers stimulated and disciplined adventure to its cadets. We strongly adhere to the motto 'Unity and Discipline'. Under the guidance of Lieutenant Dr. Suparna Jain Thakur, Associate NCC officer at our college and CTO Dr. Santosh Sain, the company of 160 cadets are achieving new heights. Every year, the cadets actively participate in various national camps and competitions, such as the Combined Annual Training Camp (CATC), Advanced Learning Camp (ALC), Thal Sainik Camp (TSC) and Ek Bharat Shreshth Bharat (EBSB), to name a few. Our Cadets have been regularly securing gold medals in CATC. With every passing year, the number of cadets getting selected for national camps are steadily increasing. Currently, 5 cadets from our college are attending pre -TSC, Thal Sainik camp which is one of the most prestigious NCC camp.

Cadets also get an opportunity to participate in trekking camps such as Kanchan Surya Darjeeling, Baghan Sikkim Trek and Ajmer Trek. We are proud that our cadets have received the ADG recommendation for their excellence at camps such as PM Rally. Few of our cadets have also received prestigious Director General Commendation card and DG Medallion. Our cadets have also made us proud by serving the nation by organising different awareness drives, donation drives and seminars to generate awareness on topics such as tree plantation, swachh bharat, road safety etc. The cadets at the same time also participate in online/offline webinars and conferences related to defence and SSB preparation. We provide them with all possible avenues to join defence services as a career.

We provide an abundant experience to our cadets by organising inter-college competitions and events under various international or national themes allocated by the Govt. of India to raise awareness about essential matters throughout the world. For eg. 'International year of the Millet 2023'. At DRC we also organise an annual NCC festival – 'Buland' which incorporates inter college competitions. It provides our cadets an opportunity for healthy competition and to display their talents and skills.

Our cadets always lead to become the best version of their personalities in their life and always work to motivate others around them to be an asset, not only for the workplace or family but for the country and the world.

Associate NCC Officer: Lt. Dr. Suparna Jain Thakur

C.T.O: Dr. Santosh Sain

DRCians Alumni Association

“The Success of any Institution can be Measured by the Contribution made by its Alumni”

The DRCians Alumni Association and Committee cordially invites you to connect with ‘DRCians Alumni Association Website’. It aims at fostering the feeling of Daulat Ram College’s fraternity amongst all by promoting and propagating the achievements of the college alumni and the Alma Mater through myriad means. This Alumni portal is a central point for both “Give” and “Take”. Your college has given you the formative years of life and its name will always be attached to yours, so now it is your

turn to give back to the college. Your word of mouth, networking of your ALMA MATER or even a small contribution would go a long way in taking your college to greater heights. Take, because this platform will connect you with your batchmates and classmates with whom you have shared your everyday lunch, laughed and cried, studied and worked. Seeing your juniors graduate year after year with the same enthusiasm and vigour, and getting in touch with your seniors, some of whom were role models in your life, is indeed enriching and fulfilling.

Proper and easy interaction of the alumnus with fellow alumni is ensured through the updated website directory which has all the information regarding the latter. The most impeccable feature the website conveys is the ‘Jobs Section’ in which the alumni can duly post the job vacancies or recruitments and others can apply for them in just a click.

I’m also pleased to inform that 17,069 alumni have registered themselves on the portal. Enjoy having VIRTUAL WALK through the link to the Alma Mater, web address-drcaa.org. It is also linked with the DRC website -dr.du.ac.in under the head association link.

Join hands in carrying forward DRC Culture, Values and Traditions.

TEDxDRC

TEDxDRC, launched and licensed in 2020-21, is an initiative that aims to ignite and magnify the wealth of knowledge of the youth, inciting them to unravel their true potential, explore beyond the possible and redefine definitions. To convert ideas into reality, we bring dignitaries from all walks of life who have demonstrated a phenomenal accomplishment in their lives to share their ideas and wisdom in a bid to create an environment of change.

TEDxDRC consists of a group of young, inquisitive, and skilful women under the main heads of - Union, Core Team and Volunteers. The Union encompasses the primary office bearers like the Organizers, General Secretaries and Treasurer. The Core Team consists of the respective heads of the various teams such as Management, Creative, Content etc. with their respective members. The volunteers are the branches of the team who increase the reach of society. TEDxDRC organizes International Virtual Edition of conference with stellar speakers and skilful performers. It conducts Instagram Live sessions to promote sharing of quality ideas, ideologies and stories by eminent personalities who with their session based on Q & A format aim to inspire the youth and bring a change.

For the recruitment for a new session, the society organizes the recruitment drive in which rounds like Group discussion, Sampling round and Interview Round take place. Here at TEDxDRC, we aspire to build long-term, non-transactional relationships with whoever is associated with us- be it a Speaker, a Performer, a Listener, or an Organizer. Follow us for further details, updates and to know more about us at the below link:

Department Profile

Department of Biochemistry

The Department of Biochemistry, established in the year 1988 offers a B.Sc. (Hons.) course in Biochemistry which is unique to only a few colleges in India. This unique course covers areas in basic Biochemistry such as biomolecules, proteins, enzymology and intermediary metabolism as well as advanced areas in Biology such as cell biology, physiology, hormone biochemistry, nutritional biochemistry, biochemistry of diseases, immunology, molecular biology, genetics and recombinant DNA technology. The department has well equipped laboratories wherein all modern biology experiments can be conducted. In addition, a Drosophila Resource Centre and Zebrafish lab facility have been established, where students can undertake short term training, and research internships. These advanced research facilities have been established under the Star College Project Funds granted as part of the Star Status awarded to the college science departments, by the Department of Biotechnology, GOI. Over the years, the department faculty has been awarded various projects from the Department of Science and Technology, DU Innovation Projects, Star Innovation projects and DRDO. Recently, the Bioinformatics lab has been added to the ever-growing Biochemistry Department.

Students are exposed to scientific research conducted in various prestigious institutes like IISER Pune, IISER Mohali, NBRC, NIN Hyderabad, CDFD, RCB, BHU, IGIB etc., by taking them on either educational trips or open days conducted by these institutes. Eminent scientists are invited to the department under a programme called 'Meet the Scientist' where students get a one-to-one chance to interact with the scientists. Students are even encouraged for off-campus internships at these scientific institutions in summer break. These activities, in addition to teaching, groom the students to be future scientists.

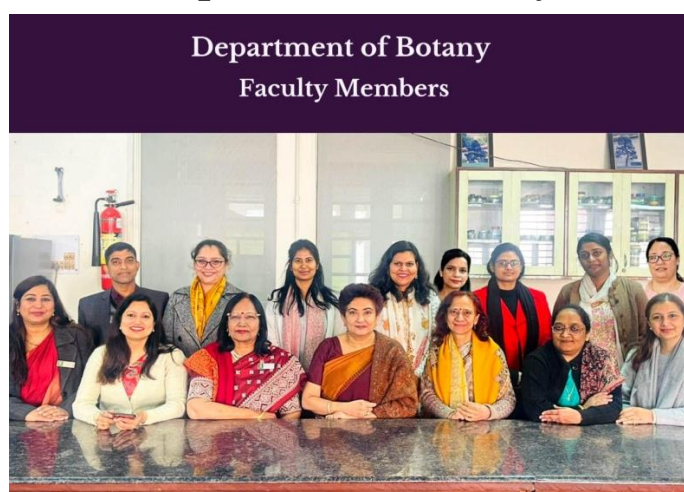

The department has the distinction of having over 90% first divisions as well as University positions every year. Our students have been the recipients of university gold medals for securing first position in University, KVPY fellowships, DRC silver jubilee merit scholarships, all-rounder award and proficiency prizes. Graduates from the department have been selected for integrated Ph.D. and M.Sc. programmes through entrance exams in Biochemistry, Biotechnology, Molecular Biology, Neurosciences, Genetics and other Life Science courses in leading scientific Institutions such as IISc (Bengaluru), TIFR-NCBS, IISERs, AIIMS, JNU, UDSC as well as Cambridge University and Universities in the US and Germany.

The department since its inception is also involved in conducting training workshops for school and college students as well as teachers. DST Inspire Science Camp was organized in which more than 150 school students from Delhi/NCR participated and were introduced to Biotechnology as a future prospect. The department is proud of its alumni who hold faculty/ scientific positions at prestigious US universities, JNU, DRDO, Delhi University Biochemistry Department, and many undergraduate Colleges.

The department has undertaken doctoral students conducting research on environmental biotechnology. We are also in the process of acquiring *C. elegans* as an animal model for research and teaching.

Prof. Sarita Nanda (Teacher-In-Charge)

Department of Botany

The Botany Department of Daulat Ram College was established in 1968 and is one of the leading Departments of the University of Delhi in the field of teaching plant sciences and life sciences. The department was awarded “**Star Status**” by the Department of Biotechnology, Govt. of India in 2013. All the faculty members are highly qualified, dedicated, and experienced who impart knowledge in the various fields of botany including evolutionary biology, physiology, tissue culture, genetics, embryology, anatomy, reproductive biology etc. The department has well equipped classrooms, lecture theatre, laboratories, specimen rich museum, tissue culture facility and bioinformatics lab. All teachers are actively involved in devising innovative means of teaching and research. Student Development Programme (SDPs), Faculty Development Programme (FDPs), workshops, seminars, invited lectures by renowned scientist etc., are regularly organised to enhance the academic skill of the students. Botanical garden is the heart of our department which helps students in understanding various aspects of taxonomy, medicinal plants, and adaptive features of the plant kingdom. A separate section in the garden has cacti, succulents and aquatic plants where fish and turtle can also be seen. Further, the department organizes various educational trips to research institutes, biodiversity parks and industries for the enrichment of the learners’ subject knowledge.

Along with academics, the students also get a chance to exhibit their creativity by participating in various inter-college competitions and extra-curricular activities organised by the botanical society “**Vasundhara**” during “Orchidz”, the annual botanical fest. *Lianas*, the botanical society magazine gives students a platform to learn and contribute interesting self-composed articles in the field of plant sciences. Four-year undergraduate courses of B.Sc. (Hons.) Botany and B.Sc. (Prog.) Life Science equip the students with an in-depth knowledge about the subject and also motivate them to face new challenges in the field of plant sciences. Under NEP based curriculum, various Skill

enhancement and Value addition courses are offered by the department like, Nursery and Gardening, Mushroom Cultivation Technology, Plant Tissue Culture Research, Organic farming and many more which are highly helpful in developing entrepreneurship skills among young minds.

Prof. Rekha Kathal (Teacher-In-Charge)

Department of Chemistry

Shaping future with new milestones in holistic learning through research and innovations...

The Department of Chemistry provides a holistic learning platform to students pursuing chemical sciences and chemistry based applied sciences. It carves a pathway for students to future proof themselves and significantly step up their ambitions in the vast field of chemistry which is one of the leading subjects in pure sciences. The students are offered a plethora of opportunities to explore and learn about the fascinating world of atoms and molecules. Chemistry is often referred to as the central science because it joins together physics and mathematics, biology and medicine, and, the earth and environmental sciences. The curriculum of four-year chemistry honours course has been designed to nurture out of the box thinking abilities in the students as there is a fine balance of various streams of chemistry such as Inorganic, Organic and Physical Chemistry, and the upcoming Material Chemistry. The integrated course follows a choice-based system of liberal sciences and opens doors to a wide range of careers such as those in teaching, industry and research fields after graduation. It makes the students eligible to pursue post-graduation degrees in Chemistry, Analytical Chemistry, Polymer sciences, Forensic Sciences, Material Sciences, Biotechnology, Bioinformatics, and Nanotechnology along with MBA, MCA, B.Ed. courses, Civil services and other administrative jobs.

The department has a highly qualified, dedicated and experienced faculty imparting knowledge and skills to the students. Apart from curriculum learning the students are constantly motivated towards research and innovations through various research projects, summer schools and internship programmes. The department has well-equipped laboratories for regular practical classes as well as research activities. The department has been awarded Star Status by DBT, Govt. of India and has successfully completed various innovation projects in the past.

National and International conferences are regularly organized to spread awareness of novel Scientific developments and provide a platform to interact with renowned speakers and researchers for exchanging ideas and establishing collaborations. Faculty development programmes are

organized for the benefit of faculty members to enrich their knowledge and diversify their skills. Skill development programmes for students during summer and winter breaks are organized by the department every year on topics such as personal care products, food chemistry, emerging diseases, instrumentation, clinical, analytical and computational chemistry. These programmes give extensive practical hands-on experience to our students. We have an active Chemistry Student Association, **Chemphoria** which organizes seminars, educational trips and inter- college departmental festival. Our department is committed to provide the students with a collegial, inclusive and intellectually stimulating environment where they can achieve their goals and thrive in their dreams.

Prof. Priti Malhotra (Teacher -In -Charge)

Department of Commerce

The Commerce Department has traditionally been highly acclaimed, appreciated and coveted because of its unique blend of intellectual brilliance, practical and realistic orientation. The department, which completed 50 years in 2019, introduced the B. Com course in 1969, B. Com (Honours) course in 1976 and also offers B.A. Prog. with Entrepreneurship and Small Business (ESB) option. The course structure prescribed under the National Education Policy 2020 provides comprehensive insights into finance, banking, investment, marketing, human resource management, law, accounting, taxation etc. The curriculum is oriented towards grooming the students to pursue careers in the ever-dynamic corporate world and various professional courses.

The department is the largest department in the college with dedicated, experienced, and research-oriented faculty members specializing in diverse areas. Our focus on academic excellence has also been recognised in the recent India Today Ranking 2023 wherein the Commerce Department secured the 16th All India rank out of 200 colleges.

The alumnae of the department have attained great heights of success, achieving much acclaim and recognition in their careers. Our alumnae share a strong bond and fond association with the department and they actively participate in guiding the future generation of students.

The department has a dedicated computer lab for commerce students. The highly active and effective Placement Cell facilitates the on-campus placement of students at analyst and associate level by reputed companies such as DE Shaw, Deloitte, Ernst & Young, Genpact, among several others. The students are offered opportunities for honing their creativity and enhancing their managerial skills through participation in Skill Development Programs organised by the department, as well as

activities organized by **Commercia**, the Commerce Association of Daulat Ram College. Our students contribute meaningfully to the nation and society by participating in socially relevant projects.

Dr. Reema Dehal (Teacher-In- Charge)

Department of Economics

Faculty

The Department of Economics boasts of an experienced and dedicated faculty which aims and works for the holistic development of students. The faculty has vast experience in the fields of teaching and research, with a number of research papers published in various national and international journals. The department as a whole, comprising of both, teachers and students has been one of the most proactive and innovative departments of the college.

The department members are also members of the Economics Association, 'Éclat' which organizes various co-curricular activities, conducts several seminars, national and international conferences to enlighten them about the possible future prospects. The association organises 'Mutasir', a youth conference, in which prominent economists are invited to exchange their ideas on contemporary economic issues. In the annual economics festival, 'Economania' events like debate, paper presentations, MUNs or Modelling United Nations and so on, are conducted to keep up the competitive spirit among the students. A MUN is a simulation of an actual United Nations Conference, where students are tasked with solving a global issue through research, drafting, lobbying and debate to pass a suitable 'resolution'. Over 100 plus delegates participate every year from different colleges and schools. The association also publishes its annual magazine *Optima*, which presents an interesting mosaic of ideas and understanding of various topics of economics, by the students and the faculty members. The department organizes activities like freshers' welcome and farewell for the students of Economics. The department is extremely active in various Community and Social Service Activities like Flood Relief Operations etc.

The exposure thus provided by the Department prepares the students to successfully pursue their future aspirations like Masters in Economics, Business Administration, Corporate jobs, Civil Services etc.

Mrs. Ritu Khanna, Teacher-In-Charge

Department of English

An honours course in English opens a gateway to understand the world through a multiplicity of perspectives provided by literary texts and their contexts. English is not just a mother tongue to the people of certain regions, it is the international medium of expression, and thus, a repository of millions of books written in and translated to the language. Therefore, an undergraduate course in English honours combines Classical European and Indian literature to contemporary literatures from India, Africa, Latin America, in addition to that of the United Kingdom and America. English honours, in accordance with the NEP 2020 vision includes a bouquet of papers covering areas such as Popular Fiction, Film Studies, Graphic Narratives and Comic Books, Disability Studies, Marginality Studies, European Realism, Modern Indian Writing in English Translation – and many more fields of academic interest. The department aims at honing originality of thinking, creative abilities, a strong critical perspective, introspection, and excellent presentation skills. Students are taught to read not just the surface texts but also the subtexts as well as silences; and are sensitized to the existence of multiple contexts and realities, because, as written by Ngugi wa Thiong’o, “Language is inseparable from ourselves as a community of human beings with a specific form and character, a specific history, a specific relationship to the world”. In addition to the sheer joy of enjoying classic instances of creativity, this course prepares students for a career in academics, teaching, creative writing, mass communication, journalism, civil services, editing and publishing, theatre, career counseling and many more emerging areas.

The English Literary Association is a vibrant and active association, which regularly conducts conferences, seminars, workshops and skill development courses. Distinguished speakers have been invited and these interactions with authors, scholars, critics, theatre personnel and performance artists have proven to be an immensely enriching experience for the students; as literature too, comes alive for them in the process. Last year, the department held a Two-Day Poetry Writing Workshop with Dr. Akhil Katyal and Ms. Ridhi Bhutani as the Resource Persons. As part of the English Department Distinguished Lecture Series, Professor Emeritus Amritjit Singh, the Langston Hughes Professor of English and African American Studies at Ohio University delivered a lecture on “Memory Truth and Reconciliation: Partition in Private and Public Spaces” and Professor Christel R.

Devadawson of the University of Delhi delivered a lecture on “The (Dis)Enchantments of Postcolonialism”. A Workshop on “How to Foster Your Creativity” was organised with Dr. Iva Yates, a Ph. D. in Creative Writing from the University of Limerick, Ireland as the Resource Person.

The Department holds an exciting annual intercollege Literary Festival, Novella. In addition to different intercollege events, our students last year presented an outstanding theatrical performance titled “Four Characters in Search of an Author” inspired by Luigi Pirandello’s classic “Sei Personaggi in Cerca D’autore”, which was highly applauded. The Departmental magazine, Expressions 2023 was released on the Annual Day of the college and it showcased the creative, imaginative and academic strivings of our students.

This year, the department has a plethora of academically engaging activities in store. We look forward to an exciting and highly productive year with the addition of a batch of brilliant young enthusiasts.

Dr. Deepshikha Mahanta Bortamuly, Teacher- In- Charge

हिंदी विभाग

हिंदी साहित्य में ऑनर्स पाठ्यक्रम महाविद्यालय में 1964 में विधिवत आरंभ हुआ था। उसके पहले 1960 से 1963 तक हिंदी विषय पासकोर्स का अभिन्न अंग था। तब से लेकर अब तक हिंदी साहित्य और भाषा से जुड़े इस पाठ्यक्रम में समय के साथ नए विकल्पों और विषयों को भी अपने में समाहित किया है, ताकि छात्राएं भविष्य में बेहतर रोज़गार के अवसरों का लाभ उठा सकें। हिन्दी भाषा और साहित्य का अध्ययन जनसम्पर्क का, भारतीय समाज की विचारशक्ति को गहराई से जानने का अवसर देता है। यह अध्ययन जड़ों से जोड़ता है, ज्ञान क्षेत्र का विस्तार करता है; मानव प्रकृति को समझने की प्रेरणा देता है। सृजन, विवेचन और मूल्यांकन की क्षमता का विकास करता है; भाषा प्रयोग की दक्षता बढ़ाता है। हिन्दी स्नातक के लिए स्नातकोत्तर अध्ययन, टीचर ट्रेनिंग, भाषा-शिक्षण, मीडिया, (टी वी, रेडियो) जनसंचार और पत्रकारिता, अनुवाद, सृजनात्मक लेखन, रंगमंच, विज्ञापन, हिन्दी कम्प्यूटिंग, हिन्दी अधिकारी, जनसम्पर्क अधिकारी आदि कार्यक्षेत्र खुले हैं। हिन्दी का स्नातक प्रशासनिक सेवा की परीक्षा भी दे सकता है। साहित्य अध्यापन का कार्य शोध कार्य में रूचि रखने वाले समर्पित अनुभवी प्राध्यापकों द्वारा किया जाता है, जो स्वयं को क्रियाशील बनाये रखने के साथ-साथ विभिन्न कार्यशालाओं, राष्ट्रीय और अंतर्राष्ट्रीय संगोष्ठियों में भाग लेते रहते हैं। इसके साथ साहित्य परिषद् द्वारा विभाग की

हस्तलिखित पत्रिका 'मानसी' का विमोचन भी प्रतिवर्ष होता है इसके साथ ही हज़ारी प्रसाद द्विवेदी भाषणमाला का आयोजन भी प्रतिवर्ष किया जाता है जिससे अनेक प्रसिद्ध साहित्यकारों एवं आलोचकों का मार्गदर्शन छात्राओं को निरंतर मिलता रहे और विभिन्न प्रतियोगिताओं का आयोजन करके छात्राओं का अंतर्मुखी एवं बहिर्मुखी विकास किया जाता है। वर्तमान समय में राष्ट्रीय शिक्षा नीति के अंतर्गत 4 वर्षीय पाठ्यक्रम में हिंदी भाषा को बढ़ावा देने हेतु क्षमता संवर्द्धन पाठ्यक्रम(AEC) सभी विषयों की छात्राओं के लिए अनिवार्य किया गया है। इसके साथ ही हिन्दी विभाग, हिन्दी विशेष और बी० ए० प्रोग्राम दोनों से संबन्धित पाठ्यक्रम प्रस्तावित करता है। बी० ए० प्रोग्राम और बी.कॉम प्रोग्राम पाठ्यक्रम में हिन्दी छात्राओं के कक्षा स्तर के अनुसार हिंदी क, हिंदी ख, और हिंदी ग के रूप में पढ़ाई जाती है। जानकारी दी जाती है। अन्य विषयों के ऑनर्स /प्रो. में यह जैनेरिक(GE), कौशल संवर्द्धक(SEC) पाठ्यक्रम और मूल्य वर्द्धित(VAC) पाठ्यक्रम के रूप में पढ़ाई जाती है। चार वर्षीय पाठ्यक्रम में भाषा और साहित्य के विविध पक्षों की साथ ही हिन्दी भाषा से जुड़े रचनाकार और उनकी कालजयी कृतियाँ पाठ्यक्रम में शामिल हैं, वहीं अन्य भारतीय भाषाओं के रचनाकारों की विशिष्ट कृतियाँ भी पाठ्यक्रम का हिस्सा हैं, जो समय, समाज और ज्वलंत विषयों पर गहन संवेदनशीलता के साथ विचार करने को प्रेरित करती हैं। पाठ्यक्रम की विविधता छात्राओं के सर्वगीण विकास का मार्ग प्रस्तुत करती है।

डॉ. अनीता मिन्ज़, प्रभारी शिक्षक

Department of History

The Department of History was set up in the year 1960, when the discipline was offered in the B.A. Programme course. Subsequently, it was upgraded as a full-fledged Honours course. Now the department also offers, in addition to B.A. Programme and B.A. (H.) History courses, many interdisciplinary papers to students from other departments in the form of General Elective (GE), Skill Enhancement Courses (SEC) and Value Addition Courses (VAC). The syllabus offered by the department covers both Indian and World history from early historical periods to the contemporary period. The department has dedicated and qualified teachers, with a variety of research and teaching specializations. The teaching methodology is interdisciplinary with a hands-on approach, emphasis on interactive classes, group discussions, field trips and movie screenings. Students are encouraged to go beyond the textbooks for completing their projects and assignments. Audio-visual media is used during the lectures and tutorial classes. The department is visited by many eminent historians and scholars every semester, who deliver lectures and interact with students. We have a well-stocked library with books in English, Hindi and Braille.

The department also regularly organizes various skill development courses. We often collaborate with institutions like INTACH, Archaeological Survey of India, National Museum and National Archives of India, and encourage students to apply for internships. While research and teaching are

obvious career options for History students, the course also provides foundation for other career opportunities in the fields like Social Work, Tourism, Heritage Management, Publication, Journalism and Bureaucracy. Besides, students could also embark on highly specialized courses after graduating in History like archaeology, numismatics, epigraphy, Indology, museology, archival studies, and art conservation, preservation and management.

Mrs. Sneh Lata, Teacher-In-Charge

Department of Mathematics

In education system across the globe, there is one constant subject, a language that is universally spoken, Mathematics. The Department of Mathematics was established in the year 1964. Initially, mathematics was offered as one of the discipline subjects in B.A. (Programme). Later on, B.Sc. (Honours) Mathematics was introduced in the year 2006. At present, the department offers B.Sc. (Honours) Mathematics to the students of all streams under UGCF-2022 based on NEP 2020. Besides the honours course, mathematics is offered as a discipline course in B.A. (Programme) and General Elective course for other B.A.(Honours) and B.Sc. (Honours) courses. The department also offers various courses like SEC (Skill Enhancement Courses) and VAC (Value Addition Courses) as part of the UGCF-2022.

The course structure allows the students to develop conceptual understanding via the use of advanced softwares such as Mathematica, R, Latex, TORA etc.

Affine, the Mathematics Association organizes various lectures by eminent Professors throughout the year. An inter-college annual festival **Shoonya** is organized wherein several academic competitions are held. In addition to it, annual newsletter **Mathpunch** is launched, which brings forth the creative talent of the students.

To motivate students to excel in academics, the college awards various prizes annually. Apart from this, students can also apply for various scholarships such as NBHM scholarship, Inspire program etc. during or after their B.Sc. or M.Sc. Course in Mathematics.

A UG degree in Maths enables students to go for MCA, MBA, Actuarial Sciences and Masters in Mathematics, Statistics, Operational Research etc. Besides this, enhanced career opportunities in Accountancy and Finance, Insurance, Banking, Machine Learning and Data Science etc. are also open to students with a degree in Mathematics.

Dr. Seema Khurana, Teacher-In-Charge

Department of Music

The Department of Music was established in 1971 and since then its dedicated faculty has been working for academic and cultural growth of college. It offers B.A. Programme course in music and teaches classical music (Vocal) and classical instrumental (Sitar) covering different areas of Hindustani Music. The department also registers students for B.A. (Honours) course in Music and M.A. in Music for which classes are held in the Faculty of Music, University of Delhi. The course familiarizes students with the fundamentals of various ragas, history of music and life sketches of great musicians and musicologists. It helps them to develop their potential in music and opens up channels for entry into post-graduation, M.Phil., Ph.D. in music and teaching career later on. The department has an active Music Association, “SAAZ” which organises events like lecture-demonstrations, music competitions, quiz, workshops, skill development programs etc. for the all-round development and benefit of the students.

Dr. Deepti Bansal, Teacher-in-charge

Nutrition and Health Education (NHE) Department

The Nutrition & Health Education (NHE) department was set up in 1984, the year in which Delhi University introduced a number of restructured courses in B.A. (Pass) and B.Sc. (Gen). It is the oldest NHE department of the University.

Under UGCF-2022 based on NEP 2020, it is offering B.A. Programme with Nutrition and Health Education (NHE). The courses are a part of a multidisciplinary programme of study wherein the student studies two core disciplines. The department is offering both Major and Non-major papers of NHE.

This programme lays the foundations for appropriate skill development, academic understanding, entrepreneurship, community engagement and employment. The students can fetch jobs in nutrition-based programs of the country/ NGOs/ fitness and wellness centres, and can engage in nutrition counselling. In addition, the students will be equipped to set up a small-scale food enterprise as well as diversify into writing food blogs etc. The department also plans to teach one or more of the Skill Enhancement Courses (SECs) approved by the University. The department has one temporary lab.

Dr. Pooja Jain, Teacher-In-Charge

Department of Philosophy

“It is very easy to conform to what your society or your parents and teachers tell you. That is a safe and easy way of existing; but that is not living...to live is to find out for yourself the truth.”

This statement by J. Krishnamurti gives an insight into the essence of Philosophy as an eternal quest for truth. In this light, the department endeavours to uphold academic excellence and train young minds with cognitive and ratiocinative abilities. The curriculum of Four-year Philosophy Honours course has been designed to equip students to distinguish good reasoning from bad, to ask questions pertaining to human existence, to think, reflect, argue and speculate about life. This exploration will open for them a whole range of possibilities to know, understand and weave the interface of human beings with the animate, inanimate and the fuzzy world

During this undergraduate program, students shall be exposed to a wide array of papers designed to cultivate the minds of young scholars. These papers include a broad range of subjects, like, Logic, Indian Philosophy, Ethics, Western Philosophy, Social and Political Philosophy, Epistemology, Philosophy of Language, Philosophy of Mind, Philosophy of Law, Critical Thinking and Decision Making, Philosophy of Religion, Feminism, Media and Aesthetics, Art and Film Appreciation, Technology and Ethics, Theories of Consciousness, to name a few. Studying philosophy opens avenues for higher learning in the fields of philosophy, law, education, journalism and media, social work among many others. We take pride in stating that our students have joined administrative and civil services, corporate jobs, NGOs, academics, research, judiciary, copy editing and other esteemed professions.

The Philosophy Association “Skeptics” organizes skill development programmes, workshops, seminars, panel discussions and conferences to expose students to the practical aspects of the discipline with the aim to upgrade skills, enhance capabilities, and empower them with the ability to resolve personal as well as social conflicts thereby making them better ethical and logical decision makers.

Dr. V Sujata Raju, Teacher- In- Charge

Department of Physical Education and Sports Sciences

Physical Education is an integral part of the education system. It emphasises the development of the overall personality, fitness and health for all individuals.

The department of Physical Education offers Discipline Specific Courses (DSC) and Skill Enhancement Course (SEC) for B.A. Programme and Generic Elective (GE) for Honours Courses in first & second year and for B.A. Programme in the third year. The subjects are theoretical as well as practical so that students become capable of understanding all the concepts very clearly and enhance their knowledge.

The Department of Physical Education is under the aegis of the National Sports Organisation (NSO). This collaboration gives ample opportunities to all the students of the college for enhancing their fitness level and personality through training and wellness programmes. It also encourages students for mass participation for doing physical activities on daily basis, eating a nutritional diet and prepares them for a healthy future.

The department also organizes wellness, personality, gym and fitness training programmes for the benefit of students.

The department also provides sports facilities to all the students admitted to the college. They have morning/afternoon practice sessions in the sports complex. It helps outstanding sportswomen to excel in their respective sports disciplines and grooms them to participate at the university level, All India Inter-University, State, National & International levels. Students show their excellence in different sports like Table-Tennis, Kabaddi, Kho-Kho, Athletics etc.

The department in charge Dr. Kavita Sharma encourages the students for mass participation in different physical activities.

Dr Kavita Sharma, Teacher-In-Charge

Department of Physics

Physics is basic among all the natural sciences. It encompasses the study of the universe from largest galaxies to the smallest subatomic particles. The Physics Department of Daulat Ram College is 46 years old and has well-equipped laboratories and a well-stocked library. The college started an Honours course in Physics from the academic session 2017-18. The course not only provides an in-depth knowledge of core topics of physics but also integrates them with mathematics and chemistry. The course is designed to develop among students analytical, quantitative, and problem-solving skills. A physicist has the ability to synthesize and analyse large quantities of data and present their analysis in an easily understandable form. The skill a physics student develops is a sense of wonder about how things work. These are valuable skills that can be applied in a range of careers. The Department also organizes Skill Development Programmes during summer and winter breaks for students to enrich their learning through hands-on experiences with various applied skills and techniques.

Prof. Savita Roy, Teacher-In-Charge

Department of Political Science

Political Science, as a discipline engages students in rigorous analysis of diverse core areas of inquiry that include Political Theory, Indian Politics, Comparative Politics, Public Administration, International Relations and Political Thought. Keeping in mind the quintessential principle and

underlying objectives of the National Education Policy 2020, the course curriculum is devised to contribute towards a comprehensive understanding of concepts, theories, perspectives and approaches that expose students to develop critical and creative thinking, and promote ethical reasoning for scholarly research. Students are able to build solid foundations in the subject and are equipped to explore ideas and processes that are fundamental to an inclusive and diverse scholarship. They are encouraged to take full advantage of substantive and holistic learning by participating in seminars, workshops, skill development programmes, educational trips, internships and field visits. Alongside, the Political Science Association, **Republica** provides a forum to discuss and debate critical issues, and participate in various academic activities in the annual inter-college festival, **Metamorphosis** to support a viable, diversified and integrated culture for the development and growth of our students. Through these diverse platforms, the department is trying to nurture leadership qualities, communication skills, media and content development aptitude among the students.

Our distinguished and dedicated faculty ensure that the students get the best guidance and support. The department is concerned about the career choices as well as psychological well-being of the students. Thus, our graduates and post- graduates excel in advancing their careers in research, teaching, civil services, law, social work, journalism and other government and non-government agencies that work in areas such as gender studies, human rights, rural- urban development, governance and public policy. The department believes in inculcating the constitutional and moral values among the students.

Dr. Moitree Bhattacharya, Teacher-In-Charge

Department of Psychology

Prof. Rajni Sahni

Prof. Meetu Khosla

Dr. Pooja V. Anand

Dr. Suparna Jain Thakur

Dr. Sandhya Rani Hawbam

Dr. Kshitija Wason

Dr. Rakhi Singh

The discipline of Psychology provides an in-depth understanding of various aspects of human behaviour and personality. Psychologists are constantly evolving new approaches and techniques to adapt to the changing needs of contemporary society. The NEP provides an opportunity for the students to gain an understanding of inclusive education and learning experiences through in-depth knowledge of a variety of courses such as Fundamentals of Psychology, Introduction to Social Psychology, Life Span Development, Psychological distress and well-being, Counselling Psychology, Organizational Psychology, Psychological Research, Health Psychology, HRM, Abnormal Psychology, Cognitive Psychology, Positive Psychology to name a few. The study of Psychology opens avenues for a variety of careers in Counselling, for example in the Educational, Clinical and Organizational settings, teaching and research, to name a few. It also helps to prepare for careers in Research, Education, Civil Services, HRM, Social Work, Advertising and Media.

The Department of Psychology at Daulat Ram College is currently **ranked No.3 pan India in the latest India Today ranking**, from its establishment in 1969 with an illustrious history of over five decades. It is well-equipped with the state-of-art laboratories, latest psychological tests, equipment & software. It has an active Psychology Association which organizes several academic and co-

curricular activities including national and international conferences and publishes the Departmental magazine- *“PsyTrack”*.

The Department is also the first in the University to have a *‘Psychology Resource Centre’* which is actively involved in working towards positive self-development, mental health enhancement, value engagement programmes, capacity building, etc. The Counselling Centre is also being run in the department for students, teaching and non-teaching staff of the college. The dedicated faculty uses the latest teaching methods such as multimedia preparations, movie analyses, role-play and experimental training. Our faculty also actively participates and mentors’ students in academic pursuits such as publication of research papers, attending conferences and supervising doctoral work.

Dr. Pooja V. Anand, Teacher-in-Charge

Department of Sanskrit

Sanskrit is foundational to Indian Culture – With the vision to preserve Sanskrit and promote the Indian Culture, the Department has been transferring knowledge and values to the minds of the young learners since 1964. The Department has been ranked as one of the Best 9 Sanskrit Departments pan India by India Today in 2023.

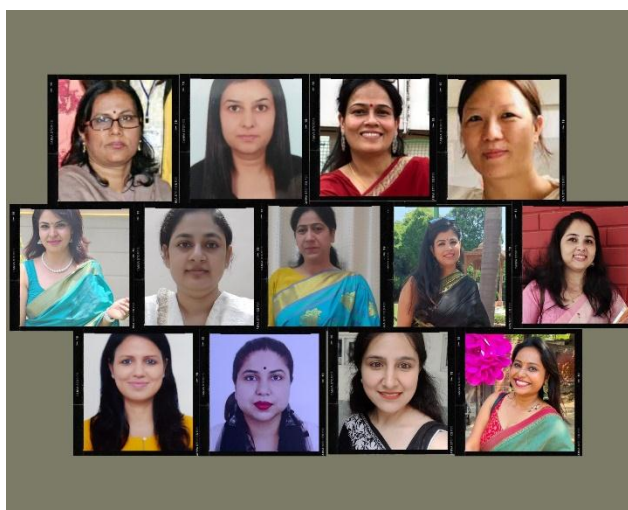

The Department offers Sanskrit as Honours and Programme courses and also as the interdisciplinary Ability Enhancement and Generic Elective Courses in both English and Hindi mediums on the Vedic and Classical literature, Indian Polity and Medicine system (Ayurveda), Grammar and Linguistics, Reasoning and Ontology, Aesthetics and Indian theatre, Epigraphy, Paleology, chronology and Archaeology, Brahmi and other ancient scripts, etc.

The department uses modern ICT based approach and interactive pedagogy to bring out valuable knowledge preserved in Sanskrit Literature. It is proactive in organizing events like seminars, Skill Development Programs, Workshops, Intercollege competitions, educational trips and lectures and talks of eminent speakers to promote academic as well as all round development of the students.

Shreyas – the Sanskrit Association is highly active and aims at encouraging team spirit and instilling leadership qualities in the students. The students receive counselling for career opportunities and remedial opportunities within the department. There are various career avenues available to the students like Civil Services, Journalism, Law, Human Resource Management, Translation work, Architecture, Astrology, Epigraphy, Manuscriptology, Drama and Social Work etc.

Dr. Rita Rani, Teacher-In-Charge

Department of Zoology

The Department of Zoology was established in 1968 and currently holds the **Star Status** recognized by the Department of Biotechnology (DBT), Government of India. It offers undergraduate programmes in B.Sc. (Hons.) Zoology and B.Sc. Life Science.

The Department has well equipped, spacious and air-conditioned laboratories with LCD projectors, Reading Rooms, Computer Lab with Internet Facility, a state-of-the-art Zoology Museum and maintains its own library with a good collection of books. The Department has developed a Drosophila Resource Centre where students learn the basics of Drosophila research.

The Zoology Department has a team of skilful and enthusiastic faculty members with diverse specializations. Faculty members are actively involved in research in various domains like public health, Drosophila as model organism, uses of nanotechnology and tissue culture to study the characteristics of cancer disease. The energetic and young non-teaching staff assists teachers in all of the students' teaching and learning activities.

The Zoological Society "**Koshika**" is an active student's body that conducts a variety of academic and extracurricular activities at the National and International levels with the aim of holistic development of students.

Every year our students achieve University ranks and various scholarships. They bring laurels to the college not only in academics but also in the extra-curricular activities. Our alumni are employed in various Central and CSIR laboratories, Indian administrative services, US federal services and are also part of research teams in many International Universities. The Department's objective is to promote a learning environment that is active, constructive, goal oriented, investigative and meaningful.

Dr. Sonika Sharma, Teacher-In-Charge

Skill Development Programme

In complete consonance with the vision of the NEP 2020, the Skill Development Program at Daulat Ram College aims to inculcate training in vocational & technical skills, foster innovative thinking through multidisciplinary learning & engagement and provide training for skill upgradation to the college students. The theme of the Skill development program for the year 2023-2024 is *Developing Sustainable Skills for Entrepreneurship, Public Health and Employability*. Various skill development courses will be launched under this theme. The approach of each course will be interdisciplinary with two departments collaborating together. There will be in-house skill development programs on: **Skills promoting Professional Competency** (videography, academic writing, research skills, Career/Education Counseling, Developing innovation skills, Digital support training etc), **Creating a Skills Repository** (Computer literacy, Communication skills, Programming languages, Software skills, Psychometry etc.) and **Skills for Personal Growth and Community Development** (personality development, Social /life skills, Lifestyle, awareness for Public health and wellbeing).

Convener: Prof. Meetu Khosla

Vidya Vistar Scheme

India's dream to be a global superpower in the coming decades depends primarily on enhancing the skills of its human resources to meet global demands and increasing innovations and start-ups to fuel the economy. The roles that the universities, colleges and other educational institutions have to play are crucial in this context. However, each University/institution will require investment of considerable amount of its resources for these activities. Being a developing country, it would be in the best interest of students and teachers to maximise the utilization of existing resources available with the Universities/academic institutions by sharing the same, through academic collaboration and

cooperation amongst them, for augmenting the human resources.

The University of Delhi has initiated the Vidya Vistar Scheme (V2 Scheme) to partner with Colleges and Departments of Universities which are situated in remote areas of the country so that the Colleges and Departments of the University collaborate with them to enhance the capacity as well as development of these institutions in particular and the country in general. The Vidya Vistar Scheme is based on the principle of mutual respect, cooperation and sharing between two Colleges/Departments of both the universities as equal partners.

In the light of the objectives of the Vidya Vistar Scheme, Daulat Ram College has entered into an academic collaboration with Government College, Chouhtran and Government Girls College, Magra Punjala, in Barmer and Jodhpur respectively, in Rajasthan. The partnership aims to facilitate sharing of resources and expertise amongst the partnering institutions to enhance the academic capital of the students and the faculty.

Coordinator: Dr. Malini Sharma

Add-On Course

Legal Literacy, Awareness and Aid

The college is offering Add-on courses on “**Legal Literacy, Awareness and Aid**” in collaboration with Delhi State Legal Services Authority (DSLISA) and Course Coordinators as **Dr. Sonia Mehta, Associate Professor, Department of Philosophy, Daulat Ram College** and **Honourable Judge, Mr. Abhinav Pandey, Civil Judge/Metropolitan Magistrate, Secretary (Litigation), Delhi State**

Legal Services Authority. It aims to educate the learners from different disciplines and backgrounds, specifically from non-law field about the theoretical and practical aspects of the legal framework.

The courses on “**Legal Literacy, Awareness and Aid**” comprise of:

- **3 Months Certificate Course in 30 hours**
- **3 Months Diploma Course in 30 Hours**
- **3 Months Advance Diploma Course in 40 hours**

A learner can do all the 3 courses in a short duration of 9 months including 18 modules. In this academic session 2023-24, the college will commence with the third batch of the Certificate course and the first batch of Diploma Course. The Certificate course is open to all candidates, with minimum eligibility being passing the Senior Secondary School Examination with 50% marks.

The courses cover highly diverse legal subjects of contemporary import such as Intellectual Property Rights, Cyber Laws, Consumer Laws, Women and Children Laws, Human Rights Law. Moreover, such courses are now integral requirement in the College and University education system and the basic precept of **National Education Policy 2020**.

The college has successfully conducted the **second batch of Certificate Course in the academic session 2022-23**, students were enrolled from diverse fields of varying age groups. A **100% passing result** was seen, where students had passed the course with flying colours

The Course plan includes sessions delivered by eminent members from judicial and legal fraternity along with **specially designed modules focusing on the field visits such as Police Station, Family Court, Jail, Mediation Centre, Civil Court and etc.**

For further details, you can visit Add on Course Information Bulletin/ tab on the college website or send email at llaa@dr.du.ac.in or follow us on Instagram handle at [legalliteracycourse_drc](https://www.instagram.com/legalliteracycourse_drc).

Course Coordinator: Dr. Sonia Mehta

Facilities at Daulat Ram College

Library and Reading Room

Library and Reading Room facilities are available only to the students and staff of the college. The Library remains open from 9 a.m. to 5 p.m. on week days i.e. Monday to Friday. While the library is open for students on Saturday, the facilities for issuing and returning books are not available. The Library possesses an excellent collection of more than 1,20,000 books and journals/ periodicals. It is completely digitalized with latest soft wares. The Library boasts of a separate Braille Section with soft wares such as (Angel: Talking Digital Pocket Daisy Player, E-Book Reader, MP3 Player, Radio cum voice Recorder) for the benefit of differently-abled students, especially for the visually handicapped students.

Terms and Conditions for Issuing of Books

1. Before leaving the counter, the member should ensure that the book lent to her is in sound condition and in case it is not, she should immediately bring it to the notice of the Librarian. Otherwise she would be liable for any loss/damage and will be required to replace it with a sound/fresh copy.
2. Periodicals, Directories, Encyclopaedias, which might be difficult to be replaced and other books that are declared reference books by the Librarian would not be lent out.
3. Members are not allowed to sub-lend the books of the library.
4. Students who return books later than the due date will be liable to pay a fine as decided by the college authorities from time to time.
5. At present the fine for general section books is -Re. 1 per day for first fifteen days of delay. Thereafter, it will be Rs.5 per day for one month, after which the fine will be Rs.10 per day. Fine for Reserved Section books is Rs.2 per day for first week and thereafter it is Rs.10 per day.
6. Any infringement of the rules will deprive the member of the privilege of admission to, and of borrowing of books from the Library.
7. Each student of M.A. course is entitled to borrow six books at a time.
8. The Library membership will be valid till the student leaves the college.
9. Timings for Issue and Return of Books:
 - i. General Section: Books are issued and returned from 9.00 a.m. to 4.00 p.m.
 - ii. Reserved Section: Books are issued and returned from 12.30 p.m. to 4.00 p.m.
 - iii. Reference Section: Books are only issued for consultation in the Library against Reference Card from 9 a.m. to 5 p.m.

Teachers' Study Room

The college has a well-maintained teachers' study room adjacent to library which is equipped with computer facility and lockers. The study area is Wi-Fi enabled, promoting easy access to research and study material.

Laboratories

The College has well-equipped and well-managed laboratories for all the Science Courses, viz. Bio-Chemistry, Botany, Chemistry, Physics and Zoology. The Departments of Nutrition & Health Education, Maths and Psychology also have separate well-equipped labs.

Computer Lab

The College has well-equipped Computer Labs with Pentium machines powered by the latest configuration. The Labs have connectivity with the University of Delhi intranet with access to the internet. The main computer lab has 38 computers and there is an additional computer lab for Commerce and Mathematics students which has 25 computers with internet facility. The Commerce computer lab and Maths computer lab have 40 computer terminals each.

The Maths computer lab has licensed UBUNTU version 8.1 and licensed SPSS for students and faculty.

College Auditorium-Sadbhavna Bhawan

The college auditorium, Sadbhavna Bhawan is a proscenium hall with a seating capacity of over 1,400, and a large stage, ideally suited for theatre activities and dramatics with plays having large casts. All major intra-college and inter-college events also take place in the auditorium.

Conference Hall

The Conference Hall has a seating capacity of 200. The hall is fully air-conditioned, Wi-Fi enabled with digital projection and best audio facility. Since its inception in October 2016 it has been the venue of a large number of academic workshops, seminars and conferences. The college organises various inter-college, intra-college and departmental activities in the hall.

Amphitheatre

The open-air amphitheatre, namely Rangshala, offers a stage to the young students to hone their talent, communication and performing skills. It has witnessed many famous events and has provided a forum to many burgeoning artists. It is the perfect spot for nukkad natak, practices of events for various societies, dance and music performances. It has been a venue for hoisting national flag during Republic Day and Independence Day celebrations.

Medical Room

The Medical Room with an attendant nurse and first aid facilities is available from 9:00 a.m. to 5:00 p.m. The students can also avail of the World University Health Service of the University of Delhi for a nominal annual fee of Rs. 5

RO Water

Cold and purified drinking water is supplied to the students through the RO system. Upgraded from bulky water coolers, the water is dispensed through a seamless junction of taps located in a clean area dedicated for this purpose. Located on the ground floor and first floors, the area is beautifully lit up by posters signifying the importance of water conservation.

Wi-Fi Connectivity

The College is fully Wi-Fi enabled. Keeping in mind the advanced technological demands of the students, the college provides this facility to all the students by sharing a secure password to be used within the college premises.

Email IDs for Educational Purpose

Being connected virtually has become the need of the hour. Hence, the college provides official email IDs to all the students and faculty members in order to facilitate a secure virtual environment for learning and growing intellectually. These are to be used strictly for educational purposes. Students are also guided and oriented through SDPs on e-learning.

CCTV Surveillance

Closed-Circuit Television Units, 50 approx. in number, are strategically installed in the college and hostel premises to ensure that proper discipline is maintained. It is also useful for safety concerns of students.

College Canteen

The College Canteen offers a varied menu at subsidized rates. It provides healthy and nutritious cooked food for the students and staff. A range of cuisines are freshly and hygienically prepared and made available for breakfast and lunch. Branded packed snacks are also available.

Nescafe Corner

Located amidst the bank and canteen, the Nescafe corner serves as a serene space for out-of-the-classrooms brainstorming sessions. The kiosk provides a range of hot and cold beverages and accompaniments.

Bank

The College has banking facilities on its premises. The University Branch of Indian Overseas Bank operates in the college. It also has an ATM facility for students.

Hostel

A home away from home, the Daulat Ram College Hostel was established in 1974. Envisaged as an accommodation exclusively meant for 200 undergraduate girl students of the College. The hostel is situated within the sylvan greens of the Daulat Ram Campus with easy metro and road connectivity to all parts of the City. It is equipped with state of the art modern amenities of air conditioned rooms, in house laundry facilities and Wi Fi connectivity. A dedicated computer room and medical room ensure all aspects of digital connectivity, wellbeing and health are covered. The well laid out lawns and gardens make it an idyllic space for learning and safety among the hustle bustle of the city.

The hostel has won acclaims and accolades for being among one of the best maintained green environs in the University Campus. Having its own kitchen garden and a well provisioned food hall, the hostel takes care of utmost hygiene standards, providing high nutritional values to its residents. The hostel life is an active bedrock of cultural activity in the form of co-curricular and extra-curricular events allowing for true integration of students from various diverse disciplines and areas of the country to live together in harmony. The passed out alumni vouch for the friendships and ambience of this nest which shapes future women leaders.

The hostel will reopen for students from 1-September-2023. For further updates visit college website.

Warden: Dr. Sonia Mehta

Sports Complex and Gymnasium

The college has a state-of-the-art gym complete with latest fitness equipment and machinery including treadmills, cross-body trainer, exercising bike, weight trainer etc. Promoting a healthy and active lifestyle. It caters to the students and staff who wish to avail the facility.

Recycling Unit

The college aims to become a zero discharge campus. Thus it has set up a recycling unit on campus which houses paper recycling machines and leaves-shredder machine. These machines help to make recycled paper and the leaves-shredder machine helps to make manure. The functioning of recycling unit is improving day by day with the manufacture of tons of fertilizer, which is used in house or sold outside, preparation of ceramic pots with medicinal/antipollution plants, making of white and brown recycled paper, use of these papers for painting. Ceramic pots and paintings made here and are used as gifts for our guests at the college.

Students can do their internship here and earn NSS hours by participating in its functioning. Ever since its inception in 2016, this unit has processed tons of shredded leaves into manure, recycled paper and cartons, provided potted plants for gifting and also provided folders, paintings, carry bags made from recycled paper. Training workshops help to train the students and community members regularly.

Convener: Prof. Sarita Nanda

Botanical Garden

The botanical garden is an integral part of the department of Botany where perennial and seasonal plants are grown and maintained for hands-on practical related to B.Sc (H) and Life Science syllabus. A small aquatic ecosystem is also being maintained to culture aquatic flora and fauna to carry out important practical related to aquatic ecosystem. A small green house is also available where non seasonal plants are kept to make them accessible throughout the year.

Psychology Resource Centre

The Psychology Resource Centre (PRC) addresses the psycho-social needs of the students, teachers and non-teaching staff. It enables them to be aware of and effectively manage everyday life issues and stresses which include self-growth and development, handling stress and emotions, relationship issues, academic pressures, constant worry and anxiety. With changing times, human life has become increasingly stressful making it imperative for us to be aware and develop a psychological understanding of themselves and their surroundings. This is achieved by PRC through counseling services, Faculty Development Programs, functions and events that address the mental health and well-being of all stakeholders. The PRC includes: Mental Health Center, Value Engagement Center, Center for Wellbeing and Flourishing and Capacity Building Centre. The PRC provides ample opportunities for students to actively participate in designing research projects, collect data, learn analytical skills to interpret the findings and present them in conferences and research publications.

“Centre for Legal Literacy, Awareness and Aid”

A strong Judicial system and aware citizenry are the hallmarks of a democratic society. Awareness of Legal Literacy is an imperative for most young citizens of the World as they step into future roles of technocrats and meritocrats. Daulat Ram College has established the “*Centre for Legal Literacy, Awareness and Aid*”, a first-of-its-kind Centre under the umbrella of University of Delhi to impart basic knowledge and awareness about the legal framework. On 17th October 2022, **Inauguration of “Centre for Legal Literacy, Awareness & Aid”** was conducted successfully. The session was graced by esteemed guests from Legal fraternity and University of Delhi.

The Centre is situated at **first floor of Sadbhavna Bhawan of the college**. The Centre is opened with the mission to provide a platform for people to seek legal aid and guidance. It plans to provide **Legal Aid for students and their parents, staff members (teaching and non-teaching) and their family**, where they can get resolutions for their legal issues by seeking advices of judiciary members **twice a week**.

It also aims to create awareness about various social issues being faced by society, by organising programmes, awareness drives, workshops and seminars for it. It will be collaborating with authorities such as Delhi State Legal Service Authority (DSLISA), to educate the common man about their rights and duties. With the above objective in mind, the Centre organised its First event in collaboration with Central District Legal Services Authority under the aegis of NALSA and DSLISA on the topic “**Legal Awareness Programme under “Project Sparsh- Ending Vitriolage on Laws Relating to Acid Attack”**”. The centre plans to organise many such more programmes in future for the betterment of the community and society at large.

Centre-Coordinator

Centre for Philosophical Counselling, Values and Well-Being

It is with immense pleasure, we would like to inform and congratulate to everyone about the opening of “**The Centre for Philosophical Counselling, Values and Well-being**” the first-of -its kind in the college across **University of Delhi and second in India**. We proudly announce and delighted to account its inauguration that we executed with much valour and zeal on the 27th February, 2023 via Zoom Platform. We take utmost pride when we say that we have accomplished Delhi University's first-one-of-its-kind. We feel blessed for having the opportunity of becoming the pioneers of the platform, "Centre for Philosophical Counselling, Values and Well-being.

In contemporary discourse, Philosophical Counselling or Therapeutic Counselling as *Praxis*, has sprung from applied or practical philosophy. Philosophical Counselling is an evolving and promising field providing alternative or supportive solutions to problems faced by human beings. With this thought in mind, the proposed Centre will make a sincere effort to provide holistic solutions to countless problems encountered by rational beings in the course of living their lives. The philosophical insights and methodologies will be employed, like, critical thinking skills, Socratic dialogical method, art therapies, conflict resolution mechanisms, perspectival seeing, contextualization, spiritual and yogic therapies, meditation therapies and others in the form of modules.

- In this way the centre will help in mitigating the gap between theory and practice through a non-clinical approach.
- Will develop awareness and mindfulness to identify problems which arise within our ordinary life and specific work-related situations.
- Will nurture useful “life skills” for personal and professional life.
- Will develop a holistic perspective about problems faced in life.
- Will help in discovering the deeper meaning of life to heal a person from the depths of their own being.
- One can find new, meaningful and wholesome ways of thinking as well as leading a good life.
- Will help the agent in becoming inquisitive, well informed, self-directed, self-monitored, self-corrective and self-reflective in all fields of life.

Under the array of the above-mentioned modules, the centre will plan out to organize Workshops, Student Development Programs, Faculty Development Programs, Skill Enhancement Training Programs, Add-on Courses, Seminars and Conferences to enhance the skill sets of students, teaching and non-teaching staff of Daulat Ram College and beyond. For further details, Follow us on our official Instagram page: cpcvw_drc.

Centre-Coordinator -Dr. Sonia Mehta

Drosophila Resource Centre

The Drosophila Resource Centre in the Department of Zoology was set up and maintained by Dr. Chitra Bhasin. Since its inception in 2013, the centre has been providing hands-on training to undergraduate students to introduce the students to this interesting insect- Drosophila. It is a favourite model organism and is used extensively to study disciplines like genetics and developmental biology. Students also learn the nuisances of setting up and maintaining stocks in the lab and food preparation. This year students have started hands-on training of basic genomics and proteomics using Drosophila. The basic aim of this centre is to provide laboratory exposure to students interested in pursuing research.

The centre also provides internships to graduate and undergraduate students who intend to have exposure to experimental laboratories.

Zebrafish Lab Facility

The zebrafish lab facility in Daulat Ram College was set up in October 2015 in collaboration with CSIR-IGIB, Mathura Road, Delhi, and Sansriti Foundation Delhi. The facility has been funded by Star Innovation projects DU, Star College project DBT, Govt. of India, and Innovation projects DU. It was developed with the aim of providing an alternative ***in vivo non –invasive model system for science education, teaching and research.*** Zebrafish lab facility is a state of the art temperature and photo-period controlled facility, houses automated re-circulatory fish habitat system, RO water plant, stereo-microscopes, inverted microscope with digital display screen (Evos) and fluorescent

microscope (Nikon).The facility provides training in the zebrafish model system to faculty and students. Zebrafish Lab Facility also serves as **Skill Training Facility for Skill Enhancement Course (SEC) under UGCF**: Drosophila and Zebrafish model organism in Biological Studies. Students join the lab as research interns and work on research projects. Zebrafish lab facility is also involved in collaborative research projects with other institutions such as Hindu College, Delhi University, Jamia Hamdard University, Jamia Millia Islamia University and Amity University.

College Magazine

Pramila

In the modern Indian nation, the role of women is central to the progress and development of an inclusive society. Pramila, the annual magazine of Daulat Ram College provides a welcome space for young women to engage in creative processes, and express their thoughts, literary explorations and opinions. Our students share their outlook on the

socio-political and cultural world they inhabit through their poems, essays, short stories and artwork in this publication. It is a privilege to get published and recognized for one's writing and Pramila offers many students, from across departments, a stepping stone. Our young women are encouraged to write bravely and compose fiercely in three languages- English, Hindi and Sanskrit. The 2022-23 edition will also include a segment on translations of texts done by our students from the language they recognize as their mother tongue. The magazine also publishes photographs showcasing the activities hosted by various cells, societies and departments throughout the academic year. Student editors of Pramila, mentored by faculty advisors, curate what could indeed be described as an incredible insight into the lives and times of students of Daulat Ram College.

Relevant University Ordinances

Successful Candidates will be required to abide by the Ordinances of the University and will be required to provide a written undertaking to this effect at the time of admission. A few extracts of important ordinances are reproduced here.

ORDINANCE XV-B: Maintenance of discipline among Students of the University

1. All powers relating to discipline and disciplinary action are vested in the Vice-Chancellor.
2. The Vice-Chancellor may delegate all or such powers as he/she deems proper to the Proctor and to such other persons as he/she may specify in this behalf.
3. Without prejudice to the generality of power to enforce discipline under the Ordinance the following shall amount to acts of gross indiscipline:
 - a. Physical assault, or threat to use physical force, against any member of the teaching and non-teaching staff of any Institution/Department and against any student within the University of Delhi
 - b. Carrying of, use of or threat to use of any weapons
 - c. Any violation of the provisions of the Civil Rights Protection Act, 1976
 - d. Violation of the status, dignity and honour of students belonging to the scheduled castes and tribes
 - e. Any practice-whether verbal or otherwise-derogatory of women
 - f. Any attempt at bribing or corruption in any manner
 - g. Wilful destruction of institutional property
 - h. Creating ill-will or intolerance on religious or communal grounds
 - i. Causing disruption in any manner of the academic functioning of the University system;
 - j. Prohibition of Ragging as per Ordinance XV-C.
4. Without prejudice to the generality of his/her powers relating to the maintenance of discipline and taking such action in the interest of maintaining discipline as may seem to him/her appropriate, the Vice-Chancellor, may in the exercise of his/her powers aforesaid order or direct that any student or students -
 - (a) be expelled; or
 - (b) be, for a stated period rusticated; or
 - (c) be not for a stated period, admitted to a programme or programmes of study in a College, Department or Institution of the University; or
 - (d) be fined with a sum of rupees that may be specified; or
 - (e) be debarred from taking a University or College or Departmental Examination or Examinations for one or more years; or that the result of the student or students concerned in the Examination or Examinations in which he /she or they have appeared be cancelled.
5. Institutions, Halls and teaching in the concerned Departments may exercise their authority through, or delegate authority to such of the teachers in their Colleges, Institutions or Departments as they may specify for these purposes.
6. Without prejudice to the powers of the Vice-Chancellor and the Proctor as aforesaid, detailed rules of discipline and proper conduct shall be framed. These rules may be supplemented, where necessary, by the Principals of Colleges, Heads of Halls, Deans of Faculties and Heads of Teaching Departments in this University. Each student shall be expected to provide himself / herself with a copy of these rules. At the time of admission, every student shall be required to sign a declaration that on admission he /she submits himself / herself to the disciplinary jurisdiction of the Vice-Chancellor and several authorities of the University who may be vested with the authority to exercise discipline under the Acts, the Statutes, the Ordinances and the

rules that have been framed therein by the University.

ORDINANCE XV-C: Prohibition and Punishment for Ragging

1. Ragging in any form is strictly prohibited, within the premises of College/ Department or Institution and any part of Delhi University system as well as on public transport.
2. Any individual or collective act or practice of ragging constitutes gross indiscipline and shall be dealt with under this Ordinance.
3. Ragging for the purposes of this Ordinance, ordinarily means any act, conduct or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students; and includes individual or collective acts or practices which:
 - a. Involve physical assault or threat to use of physical force.
 - b. Violate the status, dignity and honour of women students.
 - c. Violate the status, dignity and honour of students belonging to the scheduled caste and tribe.
 - d. Expose students to ridicule and contempt and affect their self-esteem.
 - e. Entail verbal abuse and aggression, indecent gestures and obscene behaviour.
4. The Principal of a College, the Head of the Department or an Institution, the authorities of College, or University Hostel or Halls of Residence shall take immediate action on any information of the occurrence of ragging.
5. Notwithstanding anything in Clause above, the Proctor may also suo moto enquire into any incident of ragging and make a report to the Vice-Chancellor of the identity of those who have engaged in ragging and the nature of the incident.
6. The Proctor may also submit an initial report establishing the identity of the perpetrators of ragging and the nature of the ragging incident.
7. If the Principal of a College or Head of the Department or Institution or the Proctor is satisfied that for some reason, to be recorded in writing, it is not reasonably practical to hold such an enquiry, he/she may so advise the Vice-Chancellor accordingly.
8. When the Vice-Chancellor is satisfied that it is not expedient to hold such an enquiry, his/her decision shall be final.
9. On the receipt of a report under Clause (5) or (6) or a determination by the relevant authority under clause (7) disclosing the occurrence of ragging incidents described in Clause 3(a), (b) and (c), the Vice-Chancellor shall direct or order rustication of a student or students for a specific number of years.
10. The Vice-chancellor may in other cases of ragging order or direct that any student or students be expelled or be not for a stated period, admitted to a programme of study in a college, departmental examination for one or more years or that the results of the student or students concerned in the examination or examinations in which they appeared be cancelled.
11. In case any students who have obtained degrees or diplomas of the University of Delhi are found guilty; under this Ordinance, appropriate action will be taken under Statute 15 for withdrawal of degrees or diploma conferred by the University.
12. For the purpose of this Ordinance, abetment to ragging whether by way of any act, practice or incitement of ragging will also amount to ragging.
13. All Institutions within the Delhi University system shall be obligated to carry out instructions / directions issued under this Ordinance, and to give aid assistance to the Vice-Chancellor to achieve the effective implementation of the Ordinance.
14. As per UGC guidelines, **Anti Ragging Day** would be observed on **12th August** followed by **Anti Ragging week from 12 August to 18 August**.

15. MHRD, Government of India has launched a 24×7 toll free **anti ragging helpline No. 1800-180-5522** and an email facility at helpline@antiragging.in to curb the practice of ragging.
16. A control room, jointly manned by Delhi Police and University Officials at Room No. 13, 1st floor, Proctor's office, Conference centre, Opposite Department of Botany, University of Delhi, Delhi-7 would function to deal with any untoward incident of ragging. **Telephone number of Joint Control Room in North Campus is 27667221 and of South Delhi Campus is 24119832.**
17. Students can download **Anti-Ragging App** designed by UGC and **Himmat App** from Delhi Police website to report any incident of ragging.

Order of the Vice-Chancellor in pursuance of Ordinance XV-C: Where incident(s) of ragging are reported to the Vice-Chancellor by any authority under this Ordinance, the students(s) involved in ragging, shall be expelled for a specified term, designated in the order. Non-students involved in reports of ragging will be proceeded with under the criminal law of India; they will also be rendered ineligible for a period of five years from seeking enrolment in any of the institutions of the University of Delhi. Students against whom necessary action is taken under this note, will be given post decisional hearing, with strict adherence to the rules of natural justice.

ORDINANCE XV-D/The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 **(MINISTRY OF LAW AND JUSTICE)**

An Act to provide protection against sexual harassment of women at work place and for the prevention and redressal of complaints of sexual harassment and for matters connected there with incidental thereto.

WHEREAS sexual harassment results in violation of the fundamental rights of a woman to equality under articles 14 and 15 of the Constitution of India and her right to life and to live with dignity under article 21 of the Constitution and right to practice any profession or to carry on any occupation, trade or business which includes a right to a safe environment free from sexual harassment;

AND WHEREAS the protection against sexual harassment and the right to work with dignity are universally recognized human rights by international conventions and instruments such as Convention on the Elimination of all forms of discrimination against Women, which has been ratified on the 25th June, 1993 by the Government of India.

AND WHEREAS it is expedient to make provisions for giving effect to the said Convention for protection of women against sexual harassment at workplace. For details, please see the website
