**NATIONAL WORKSHOP:**Date 29th January 2021

Convenors: Dr Nidhi Gautam, Dr Meenakshi Sharma

Participants: 120

The Department of Botany at Daulat Ram College, University of Delhi, organized an insightful workshop titled "Future Prospects and Career Options in Data Science" for the college students. The event aimed to shed light on the growing relevance of data science in various fields, including botany, and its potential for career opportunities. The workshop session featured prominent speakers from the data science industry who shared their expertise and experiences. They emphasized the increasing demand for data-driven decision-making across industries and how data science skills can be applied in botanical research, agriculture, and environmental sciences. The event provided valuable insights for students, empowering them to explore data science as a career path and highlighting its significance in the evolving job market. It also

encouraged interdisciplinary collaboration between botany and data science, offering a promising future for those interested in this exciting field.
