Date: 11th December 2021 to 13th December 2021

Number of students participated: 23

Organizing unit/collaborating agency: NSS DRC

Report: The National Service Scheme unit of Daulat Ram College organised a Shelter for Strays Drive, from 11th December 2021 to 13th December 2021. The activity witnessed the enthusiastic participation of 23 volunteers, who stepped forward to spread kindness in their vicinity. They were encouraged to place make-shift beds for stray animals to sleep in and comfortably survive the winter season. Strays suffer during the chilly weather as they are left to brave the cold weather all by themselves, without any source of warmth. Through this activity, we successfully placed 58 warm beds to eliminate their discomfort during the season. Volunteers placed jute sacks, blankets, carpets, cardboard boxes, cotton and woolen sheets in their surroundings to serve as beds for strays. The beds were placed at street corners, outside the homes of volunteers, on the roadsides and in parks where strays could easily make use of them. The unit was able to realise the importance of caring and providing comfort to stray animals through this activity. We owe its success to the volunteers who diligently participated in the activity, and placed beds for the strays to sleep in.
