

DAULAT RAM COLLEGE

(University of Delhi)

EVENT REPORT (2025-26)

Department of Physics

COHERENCE: The Physics Association

Association Incharge: Dr. Manisha Meena

Teacher Incharge: Dr. Manoj Giri

Office Bearers:

- 1.) Ms. Aaliya Siddiqua: President (3rd year)
- 2.) Ms. Anushka: Vice President (2nd year)
- 3.) Ms. Nidarshana Singh: Secretary (2nd year)
- 4.) Ms. Nandini Vashisht: Treasurer (2nd year)
- 5.) Ms. Poonam Pareek: Joint Secretary (2nd year)
- 6.) Ms. Akshara Sharma: Co-Joint Secretary (1st year)

INTRODUCTION

COHERENCE, the Physics Association of Daulat Ram College actively organized a range of academic, scientific and co-curricular activities during the academic session 2025-2026. The association aimed for foster scientific curiosity, creativity, teamwork, and holistic development among students. The activities were planned to complement classroom learning and provide students with exposure beyond the syllabus.

Following events were organized in the session 2025-2026:

1.) Departmental Student Election

The Department of Physics successfully conducted departmental elections for various student representative posts. The elections were organized to promote democratic values, leadership qualities, and active student participation in departmental activities. This was carried out in fair and transparent manner. The elections were conducted after nominations from students of all years. Students were given opportunity to present their ideas and visions. Voting was conducted online on 31st August from 5 – 6 PM with active participation and results were announced. After a week, the announcement of results for the team of extended union is also done. For this, interested students gave their names for the post of graphic designer, social media handler, and newsletter editor; they were given task to show their creativity and were selected on this basis. The selected extended union members are as follows:

Graphics designers: Himanshi Sikhawal and Anushka Yadav

Social Media Handler: Priyambada kutum

Newsletter Editors: Anshu Kumari and Manasvi Dubey

2.) Teachers Day celebration

The Teachers Day celebration was held in a warm and joyful atmosphere within the department. The event began with a brief welcome address, followed by some performances and with a delightful cake cutting. The occasion held in PL-3 of department with the presence of enthusiastic students. All teaching and non-teaching staff graced the occasion and as a token of respect gifts were presented to them. The day was concluded with a heartfelt note with students expressing sincere gratitude towards the faculty.

3.) Freshers Day Celebration

The Department organized a Freshers Day Celebration on 9th October, 2025 to warm welcome the newly admitted first year students. The theme of party was Midnight Crimson and held in PL-3 of department. The event included a variety of engaging activities like ramp walk, talent performance, quiz round, and gaming session. These activities provided freshers an opportunity to showcase their talent and express themselves confidently. With the presence of our teachers the event was more cheerful. Senior students contributed through performances in making it more lively and enjoyable. Freshers Day left lasting memories for the students and marked a positive beginning of the academic journey for the freshers.

The winners of Freshers Day were as following:

- Miss Freshers: Nivedita Oli
- Miss glam walker: Priyambada Kutum
- Miss witty: Reena
- Miss talented: Jiya Vishwakarma
- Game winner: Rudrakshi Joshi

4.) Inaugural Lecture

The Department of Physics, Daulat Ram College, successfully organized the inaugural ceremony for the academic session 2025-26 on 5th February, 2026 in the Conference Hall. The event commenced with a warm welcome to the chief guest, Dr. Pravin Kumar, a distinguished scientist and educator renowned for his expertise in charged particle accelerators and contributions to fundamental physics and real-world applications.

It began with the traditional lamp lighting ceremony, followed by a captivating dance performance by the department's students, presentation of potted plants to the guests as a token of respect, and an insightful inaugural speech by Dr. Pravin Kumar on "Charged Particle Accelerators: From Fundamental Physics to Real-World Impact" which proved highly informative for all attendees. The programme continued with the badge ceremony, where the Chief Guest and teachers conferred badges upon the Union and Extended Union members, formally recognizing their roles and responsibilities. The event concluded with the vote of thanks by association in-charge Dr Manisha Meena.

5.) Career Counselling Session

The Department of Physics, Daulat Ram College, organized a career counselling session titled “Building Resilience in Challenging Times” on 5th February 2026 in the Conference Hall. The session was delivered by Dr. Nishant Jaiswaal, a National Icon Awardee, career counsellor, and Professor of Practice. The session aimed at providing guidance in managing academic pressure and career confusion. The session concluded with a question and answer segment in which various doubts were resolved. Overall, the career counselling session proved to be highly informative and motivating.

6.) Painting Competition on National Science Day

On the occasion of National Science Day, the Department of Physics, Daulat Ram College, organized a Poster Making Competition on 24th February 2026 at 12:00 p.m. The event aimed to foster scientific curiosity, creativity, and appreciation for the contributions of Indian scientists. The theme of the competition, "*Untold Contributions of Indian Physicists*," encouraged students to explore and creatively portray the significant yet often overlooked achievements of Indian physicists in advancing the field of science. Participants demonstrated exceptional artistic talent and scientific understanding through their thoughtfully designed and well-researched posters. The competition witnessed enthusiastic participation from students, who presented visually engaging and intellectually stimulating work that reflected both creativity and academic rigor. The event provided a valuable platform for students to showcase their research skills, scientific awareness, and artistic expression.

Outstanding participants were recognized and awarded prizes for their exemplary performances. It was also announced that certificates of participation and merit would be distributed during the upcoming departmental annual co-curricular event, further acknowledging and celebrating the efforts and achievements of all participants.

7.) Annual Co-Curricular Event: Celeste'26

The Department of Physics successfully organized its annual departmental fest, Celeste'26, on 27 March 2026. The event witnessed enthusiastic participation from students across various colleges, creating an atmosphere of creativity, competition, and cultural exchange. The fest commenced with a lamp-lighting ceremony and Saraswati Vandana, followed by a variety of competitions, including a debate competition, tote bag painting competition, and quiz competition. Participants actively showcased their knowledge, creativity, and communication skills throughout the day. The event also featured a lively singing performance by a team, a refreshment break, and a talent show where students displayed their abilities through singing, dancing, poetry, storytelling, and other performances. Several stalls added to the festive spirit and encouraged interaction among participants.

The fest concluded with the announcement of results and prize distribution. Celeste'26 was a grand success, reflecting the spirit of scientific temperament, teamwork, innovation, and unity within the Physics Department.

8.) Farewell Day Celebration

The Farewell Party for the graduating students of the Physics Department, Daulat Ram College, University of Delhi, was held on 25 April 2026 in PL-1 of the department. The event was organized by the first and second year students, it was a heartfelt celebration to honour the outgoing batch. The event began with registration and distribution of batch numbers, followed by a ramp walk, dance performances, and musical presentations. A “Beauty with Brain” contest added excitement to the event, allowing seniors to showcase their confidence and talent. The highlight of the farewell was the title distribution ceremony, where each senior received a unique title, gifts, a cap, and a sash. A photoshoot session helped capture memorable moments. The event concluded with the announcement of the “Ms. Farewell” award and a graduation dinner hosted by the college. The farewell was a joyful and memorable occasion, celebrating friendship, achievements, and new beginnings.
