

Events

Conferences

1. International Conference on "Green Chemistry in Environmental Sustainability & Chemical Education" 17 to 18 November 2016
2. National Conference on "Innovations in Sciences and Emerging Challenges in Health and Environment"(NSHE-2018) on 20 March 2018

Faculty Development Programmes

1. Faculty Development Program entitled "From Chemistry of Life to Chemistry of Diseases: Understanding Clinical Biochemistry (UCB-17)" from 15 to 22 June 2017
2. Faculty Development Program entitled "empowering teaching learning processes using google classroom and other ICT tools : A comprehensive practical approach from 21st to 23rd July 2020

Workshops and Seminars

1. National workshop cum seminar on Novel Trends in Green Chemistry & Sustainable Development on 26 to 27 February 2016
2. Indo-French Symposium on Recent Advances in Biomedical Engineering on 6 February 2017

Skill Development Program

1. In-House Skill Development Course on Green Genesis and Sustainability of Personal Care Products and Food Stuff from 1 July to 15 July, 2016
2. In-House Skill Development Course on "Instrumentation, Clinical Analytical and Computational Chemistry" from 31 May 2017 to 13 June 2017.
3. In-house Skill Development Program on Exploring Everyday Chemistry from 21st Dec 2018 to 29th Dec 2018.
4. In-house Skill Development Program on exploring chemicals in natural products, processed food and nutritional food supplements from 4th July 2019 to 11th July 2019.
5. Three day in house skill development program on enhancing learning through ICT tools from 17th august to 19th august 2020.
6. In-house skill development program on Disease Prevention by Natural Remedies and Identification of active ingredients from 20th December to 27th December 2021.

Summer Internship Programme

1. Two week online summer internship programme on Research methodology in chemistry from 16th May to 30th May 2020.
