Fee Concession Policy

The college aims to assist economically weaker and needy students to complete their studies by providing them with complete or partial financial assistance. The fee concessions will apply for all years of undergraduate and postgraduate students. The registration form for this facility will be provided on the college website, which should be downloadable. The desirous students will be encouraged to apply by filling out this form. The Students Amenities Committee of Daulat Ram College, which will be part of the college staff council, will scrutinise these forms. One member from each department shall represent this committee. A convener of this committee will be appointed to facilitate this process. The committee will scrutinise the registration forms, attached affidavits and papers based on the policy guidelines. The consideration of shortlisting students will be based on the students and their parents's annual income. The various categories* under which fee concession will be granted will be as follows:

1. Category 1 - Where the student has lost one or both parents and the income is less than 1 lakh rupees.
2. Category 2 - Income is below 60,000/- rupees.
3. Category 3 - Income is between 60,000 - 80,000/- rupees.
4. Category 4 - Income is between 80,000 - 1 lakh rupees.
5. Category 5 - Income is between 1 lakh - 1,50,000 rupees.
6. Category 6 - Income is between 1,50,000 - 4 lakh rupees.

*(Any change in the categories and stated amount will be updated on the college website in the particular financial year)

For Category 1, students will be given a full fee waiver.

For Category 2-6 students, the fee concession amount will be decided based on the number of applicants under each category and the total fee concession amount available under this fund.
